

RFQ-SJR-07-2018

Replies to Questions Received

- Q. Can you please provide us with some scope info: size of renovation & addition and a construction budget for this project?
- A. Regarding the size of renovation and addition, refer to the Specifications Document in the fourth paragraph under the heading of GENERAL INFORMATION; regarding scope of work, refer to the information provided in the SCOPE OF WORK heading. The estimated budget for this project is approximately \$5,000,000 and will include architectural/engineering services, construction and F/F&E.
- Q. Can you please tell me if there is a budget established for the project and also if you have any site plans or design criteria that you are able to share with me?
- A. The estimated budget for this project is approximately \$5,000,000 and will include architectural/engineering services, construction and F/F&E. As indicated in the Specifications Document, the purpose of this Request for Qualifications (RFQ) is for firms to inform us of their interest in this project and present their qualifications; it is not intended as providing a design proposal. Interested architectural firms are welcomed to learn more about the College via our web page at <http://sjrstate.edu>.
- Q. What is the College's budget for this project?
- A. The estimated budget for this project is approximately \$5,000,000 and will include architectural/engineering services, construction and F/F&E.
- Q. Will the project referenced in RFQ-SJR-07-2018 be required to produce a BIM as a deliverable?
- A. Refer to the information provided in the Specifications Document, under the SCOPE OF WORK heading. BIM is not stated as a requirement.
- Q. Does the Table of Contents require its own tabbed section?
- A. It is listed as a section in the Specification Document. Sections should be tabbed.
- Q. Are all forms acceptable to be signed by an officer of the company if located at another office, in another state, since our notary is in that same office?
- A. Refer to the information provided under the Authorized Representative of Respondent heading in the Specifications Document.
- Q. Do all consultants need to complete the required forms?
- A. As indicated in the Specifications Document, information should be provided for consultants proposed for this project.
- Q. Can we include projects from our consultants on Form ARFQ-3?
- A. Refer to the information provided in WRITTEN SUBMISSION EVALUATION CRITERIA, Documented Experience-Use form ARFQ-3 in the Specifications Document.
