Replies to Questions Received

Q. Can you please clarify on the ARFQ-2 form, the column on the far right, "Current Projects w/ (% Complete)"? What percentage complete are you looking for? Is this the percentage of current projects complete with the design firm?

A. Refer to the Specifications Document, under the heading Applicant Information-Use forms ARFQ-1 & ARFQ-2, under Personnel, the first two sentences relate to your question, so the answer would be any projects that the team member listed is involved with currently or planned, i.e., with the design firm or as a consultant to another firm.
