Question 1:

1. Is Milliken modular tile carpeting specified or can we use other manufacturers that meet the specifications in paragraph 5.1.1?

As stated in the specification document, on pgs 5 & 6, proposers may submit a bid document with any like product that fully meets the specifications listed.

BRAND NAME OR EQUAL

(As used in this paragraph, the term "brand name" includes identification of supplies by make and model.) If the items called for herein have been identified in the Schedule by a "brand name or equal" description, **such identification is intended to be descriptive, but not restrictive, and is to indicate the quality and characteristics of products that will be satisfactory if they meet the listed essential requirements. Proposals offering "equal" products will be considered for award**, if allowed by the proposals/Special Conditions and if such products are clearly identified and are determined by the college to be equal in all material respects to the brand name products listed in the specifications. Unless the Proposer indicates in his proposal that he is offering an "equal" product, his proposal shall be considered as offering a brand name product identified in the specifications.

COMPLIANCE WITH SPECIFICATIONS

When formal specifications are referenced in the solicitation, insertion of brand names or makes and model numbers by the Proposer will be understood to mean that the product offered fully complies with such specifications unless the Proposer specifically states otherwise.
