

INFORMATION TECHNOLOGY SUPPORT SPECIALIST (4109)

COLLEGE CREDIT CERTIFICATE

This college credit certificate is designed to prepare students for employment as technical support specialists with an IT department. Individuals in this area help IT staff analyze, troubleshoot, and evaluate computer and network problems.

This program is an intermediate step toward an Associate in Science degree in Computer Information Technology.

If you need additional information after seeing an advisor, please send an email to BCCInfo@SJRstate.edu.

+Prerequisite course required. See course descriptions in catalog.

Additional credit may be awarded for current industry certifications based on the Florida Department of Education Gold Standard Industry Certification Articulation agreements.

Gainful employment information regarding the cost, careers, completion and placement rates associated with this program may be found at SJRstate.edu/geprograms.html.

NOTE: The CET lab is located on the Orange Park campus. Most of the courses requiring a lab component will be offered as hybrid classes. In hybrid courses, theory and concepts are taught online and students are required to attend campus to complete lab requirements.

NOTE: Courses are listed alphabetically. This is not the order in which the courses should be taken. Please see the program plan/course rotation to see the order in which courses should be taken. This will ensure that you complete prerequisite courses and are prepared for additional courses when they are offered.
