

# ORGANIZATIONAL MANAGEMENT (8000) SUPERVISION AND MANAGEMENT

BACHELOR OF APPLIED SCIENCE DEGREE  
ONLINE PROGRAM

This program provides the skills and knowledge necessary to enter the workforce or advance in a mid-management level position. The program will prepare students for careers within the public, private and non-profit sectors. A practical approach with real-world applications of skills and knowledge will be used to gain an understanding of leadership issues involved in the operations of a business organization. This program is designed to layer on top of specified Associate in Science (A.S.) degrees or an Associate in Arts (A.A.) degree.

The Organizational Management, Bachelor's of Applied Science degree is offered fully online.

For additional information, call (386) 312-4183.
