

The nursing education program for the Bachelor of Science in Nursing is accredited by the Accreditation Commission for Education in Nursing (ACEN), 3343 Peachtree Road NE Suite 850, Atlanta, GA 30326 (404) 975-5000, www.acenursing.org

The program is designed for Associate degree registered nurses who hold a current valid, unencumbered Florida license, or ASN graduates who are waiting to take the licensure exam and seek advanced studies in nursing. The BSN program will provide traditional and nontraditional registered nurse students with access to a baccalaureate degree, in an online format.

DEPARTMENT OF NURSING BSN PROGRAM MISSION STATEMENT

The BSN degree curriculum fosters personal and professional growth through traditional and non-traditional learning experiences to facilitate the educational advancement of the Registered Nurse. The BSN program seeks to further amplify the student's safe and effective patient care practices and to prepare students for careers that positively affect health care within their communities. The BSN curriculum builds on the competencies, knowledge, and practices that the students bring from previous academic nursing programs and work experiences, and the curriculum expands on professional nursing values resulting in a broader scope of professional practice and professional role identity.

END OF PROGRAM STUDENT LEARNING OUTCOMES

At the completion of the Bachelor of Science in Nursing degree program, the BSN student should be able to:

1. Expand the use of the nursing process to construct safe and effective care in the restoration of self-care agency of individuals, families, and communities. (Clinical Competency)
2. Make clinical or management decisions in a variety of situations using ethical and legal principles. (Ethics/Legal)
3. Relate human flourishing throughout the lifespan to the optimization of self-care agency for individuals, families, communities, and populations. (Health of Populations)
4. Integrate knowledge from nursing and other disciplines to provide culturally competent care to diverse global populations. (Culture)
5. Appraise evidence based research to improve nursing practice and healthcare outcomes. (Inquiry)
6. Create open communication, mutual respect, and shared decision making to achieve desired healthcare outcomes. (Collaboration)
7. Assimilate into professional clinical and managerial nursing practices the principles of information literacy, information management, and care technology systems. (Informatics)

For additional information, visit our website at SJRstate.edu or call the Palatka nursing office at 386-312-4176, the Orange Park nursing office at 904-276-6863 or the St. Augustine allied health office at 904-808-7465.

The program consists of 120 credit hours of general education and nursing-related core courses.

ADMISSION REQUIREMENTS

The BSN program is an open access program for students who meet the following admission requirements:

1. Admission to SJR State
2. Submission of a completed application to the baccalaureate program in nursing
3. Completion of an Associate in Science degree in Nursing with at least a 2.0 grade point average on a 4.0 scale prior to upper division acceptance
4. Submission of official transcript(s) indicating the coursework taken and the degree(s) awarded
5. Proof of an active, current, valid, and unencumbered license as a Registered Nurse in the United States. A student, waiting for licensure, may be admitted in a provisional status for one year after graduation from a registered nurse program, as long as all other admission criteria are met.
6. Some students may be required to initiate and maintain an annual subscription to myClinicalExchange as a clinical requirement.

POST ADMISSION REQUIREMENTS

Following acceptance into the program, BSN students must complete the following requirements. Failure to comply with these requirements may result in administrative withdrawal from the nursing program.

1. To be eligible for practicum experiences, the semester prior to NUR 3655 (Community, Diversity, and Population-Based Care) and NUR 4949 (Capstone), students are asked to sign a consent and waiver to perform a criminal and professional background check and drug screen. Failure to provide consent will render the applicant ineligible for practicums in the program. Continued progression in the program is conditional upon the results of the criminal and professional background check and drug screen. Students may be required to complete an annual drug rescreen as a clinical requirement. A student must report any changes in his/her criminal background record immediately to the Dean or Associate Dean of the department. Students who fail to submit criminal background record changes will jeopardize their access to clinical sites and completion of the program. A student may be required to provide an additional background check to the College at his/her own expense.
2. Complete the online BSN Student Orientation
3. Prior to the first day of NUR 3655 and NUR 4949 classes, students must complete the American Heart Association Basic Life Support for Health Care Providers (CPR & AED) program – BLS for Health Care Providers certification is to be valid through the date of graduation from the SJR State BSN nursing program. ACLS may be substituted for BLS.
4. Have an annual physical examination verifying acceptable health status absent of communicable or infectious disease

and completing all the health related requirements for the nursing program. Requirements for the physical are included on the form provided to each student after admission to the nursing program.

5. Have liability/malpractice insurance of \$1,000,000 per incident and \$3,000,000 per aggregate. (Payment included with lab fees during registration)
6. Have student accident (education/training) insurance. (Payment included with lab fees during registration)
7. Maintain an active, current, valid, and unencumbered licensure as a Registered Nurse in Florida. A student may be admitted in a provisional status for one year while awaiting licensure as long as other admission criteria are met.
