### GRADUATION REQUIREMENTS

In order to be awarded the A.S. or A.A.S. degree, students must meet the following requirements:

1. \*earn a minimum overall grade point average of 2.0;
2. \*complete the required courses as set forth in the college catalog or as approved by the program director;
3. \*complete a minimum of 25% of all credit hours required for graduation through SJR State;
4. pay all fees and discharge all other obligations to the College;
5. file an application for degree conferral by the date specified in the academic calendar.

\* College Initiated Degree Conferral Policy: When a student has met these three requirements, conferral of the degree will be indicated on the student record. Students will be notified of this status in advance, and will be provided the opportunity to be excluded or to apply for a diploma.

The student may choose to satisfy the degree/certificate program requirements of either the catalog in effect when initial registration occurred or the current catalog. Students who change their program of study or who re-enter after an absence of two or more consecutive major terms (the two summer terms are considered a major term) shall be required to select the catalog in effect at the time of a program change, re-entry, or graduation. In addition, students who have been enrolled for five or more years may be required to select the catalog in effect at the time of graduation.

Note: Since courses and programs may change, it may be impossible to complete courses or programs that have been deleted from the curriculum. Therefore, students who are seeking an Associate in Science degree or a certificate for a catalog year other than when initial registration occurred, or at the time of graduation, must submit a catalog year petition change form through the counselor and be approved by the appropriate Vice President.
