ASSOCIATE IN SCIENCE DEGREES AND CERTIFICATE PROGRAMS

ST. JOHNS RIVER STATE COLLEGE
ASSOCIATE IN SCIENCE AND ASSOCIATE IN APPLIED SCIENCE

ST. JOHNS RIVER STATE COLLEGE

SJR State offers a comprehensive series of programs designed to fulfill the educational needs of the community. Communication with employers in business, industry, and government agencies ensures the creation of programs and courses to prepare today’s adults for the world of work.

ASSOCIATE IN SCIENCE DEGREES

The following programs are two-year programs for students who are planning to enter a chosen career at the semi-professional level upon completion of the course of study listed in this section of the catalog:

- Accounting Technology
- Acting
- Business Administration
- Computer Information Technology
- Computer Network Engineering Technology
- Computer Programming and Analysis
- Criminal Justice Technology
  - Corrections Track
  - Law Enforcement Track
- Dance Studies/Dance Performance
- Emergency Medical Services
- Engineering Technology
- Health Information Technology
- Health Services Management
- Internet Services Technology
- Medical Office Administration
- Musical Theater
- Nursing
- Nursing: LPN Bridge to ASN
- Radiologic Technology
- Respiratory Care
- Stage Management
- Theater Technology
- Visual Art
  - Studio Art
  - Graphic Design/New Media
  - Photography

The A.S. degree program encompasses courses in two basic areas. One area is specialized courses, which provide specific training in a program of study. The second major area of courses is general education. General education courses are designed to help develop a well-rounded individual and enhance employment potential.

ASSOCIATE IN APPLIED SCIENCE DEGREE

Applied Management

GRADUATION REQUIREMENTS

In order to be awarded the A.S. or A.A.S. degree, students must meet the following requirements:

1. *Earn a minimum overall grade point average of 2.0;
2. *Complete the required courses as set forth in the college catalog or as approved by the program director;
3. *Complete a minimum 25% of all credit hours required for graduation through SJR State;
4. Pay all fees and discharge all other obligations to the College;
5. File an application for degree conferral by the date specified in the academic calendar.

* College Initiated Degree Conferral Policy: When a student has met these three requirements, conferral of the degree will be indicated on the student record. Students will be notified of this status in advance and will be provided the opportunity to be excluded or to apply for a diploma.

The student may choose to satisfy the degree/certificate program requirements of either the catalog in effect when initial registration occurred or the current catalog. Students who change their program of study or who re-enter after an absence of two or more consecutive major terms (the two summer terms are considered a major term) shall be required to select the catalog in effect at the time of a program change, re-entry, or graduation. In addition, students who have been enrolled for five or more years may be required to select the catalog in effect at the time of graduation.

Note: Since courses and programs may change, it may be impossible to complete courses or programs that have been deleted from the curriculum. Therefore, students who are seeking an Associate in Science degree or a certificate for a catalog year other than when initial registration occurred, or at the time of graduation, must submit a catalog year petition change form through the counselor and be approved by the appropriate vice president.
The college credit certificate programs are designed to prepare students for immediate entry into a career in the workforce. These programs are approximately one year in length and are an intermediate step toward an Associate in Science degree in a particular area of study. A college credit certificate consists primarily of specialized courses in the areas below.

Accounting Technology Management
Accounting Technology Operations
Accounting Technology Specialist
Business Management
Business Operations
Business Specialist

Office Management - Medical Office
Office Specialist - Medical Office Specialist
Office Support - Medical Office Support
Paramedic
Risk Management and Insurance Operations
Risk Management and Insurance Management
Robotics and Simulation Technician
Stage Technology
Web Development Specialist

Corequisites, prerequisites, and advisor recommended courses such as SLS 1101 and REA 1105 may be considered a "part" of the program of study even though the courses may not be listed in the program description in the catalog. Corequisites and prerequisites may be required to advance to the next academic level, and SLS 1101 and/or REA 1105 may be needed to better assure academic success.

**GRADUATION REQUIREMENTS**

In order to be awarded a college credit certificate, students must meet the following requirements:

1. *Earn a minimum overall grade point average of 2.0;
2. *Complete the required courses as set forth in the college catalog or as approved by the program director;
3. *Complete a minimum 25% of all credit hours required for graduation through SJR State;
4. Pay all fees and discharge all other obligations to the College;
5. File an application for degree by the date specified in the academic calendar.

* College Initiated College Credit Certificate Conferral Policy: When a student has met these three requirements, conferral of the certificate will be indicated on the student record. Students will be notified of this status in advance, and will be provided the opportunity to be excluded or to apply for a diploma.

The student may choose to satisfy the degree/certificate program requirements of either the catalog in effect when initial registration occurred, the current catalog, or the same catalog as their A.S. degree. Students who change their program of study or who re-enter after an absence of two or more consecutive major terms (the two summer terms are considered a major term) shall be required to select the catalog in effect at the time of a program change, re-entry, or graduation. In addition, students who have been enrolled for five or more years may be required to select the catalog in effect at the time of graduation.

Note: Since courses and programs may change, it may be impossible to complete courses or programs that have been deleted from the curriculum. Therefore, students who are seeking an Associate in Science degree or a certificate for a catalog year other than when initial registration occurred, or at the time of graduation, must submit a catalog year petition change form through the counselor and be approved by the appropriate vice president.
POST SECONDARY JOB TRAINING
St. Johns River State College offers several postsecondary training programs that prepare students for entry into a given career or vocation. Each of the following programs prepares students for a specific occupation or one of a cluster of related occupations:

- Correctional Officer
- Cross-Over Training to Florida Law Enforcement Academy
- Correctional Probation Officer
- Cross-Over Training to Florida Corrections Academy
- Cross-Over Training to Florida Law Enforcement Academy
- Florida Corrections Officer Academy
- Florida Law Enforcement Officer Academy
- Law Enforcement Officer
- Cross-Over Training to Florida CMS Correctional Basic Recruit Training Program
- Nursing Assistant
- Phlebotomist
- Practical Nursing

To complete a program, students must demonstrate that they have mastered specific job-related performance requirements. These are not college credit programs. Students who complete these programs will earn vocational credit.

Corequisites, prerequisites, and advisor recommended courses such as SLS 1101 and/or REA 1105 may be needed to better assure academic success.

ENROLLMENT VERIFICATION
Students requesting enrollment certification for educational benefits must be admitted to and be enrolled in a vocational program. The minimum attendance requirement may vary by program and agency.

ADMISSION
A Career and Technical Certificate (CTC) prepares students for entry into a given career or vocation. To be admitted to SJR State as a Career and Technical Certificate seeking student, an applicant must meet the following requirements:

1. Be at least 16 years of age; furnish proof if asked;
2. Submit a completed SJR State application and, unless waived or exempt, the application fee;
3. Submit application for appropriate CTC program;
4. Complete admissions testing, if required; and
5. If required, one of the following:
   - copy of a standard high school diploma; or
   - a high school diploma through any State Department of Education based on performance on the General Education Development (GED) test, provided the test was administered in English; or
   - a home education program meeting the requirements of F.S. 1002.41
