

## ARTICULATED BACCALAUREATE/GRADUATE DEGREE OPPORTUNITIES

St. Johns River State College believes in assisting the nontraditional student by recognizing that for some students, access to advanced degree programs can sometimes be limited due to geographic placement or family and employment responsibilities. Additionally, while Florida has a statewide articulation agreement which guarantees that Florida College System Associate in Arts (A.A.) degree graduate must be admitted into a state university upon graduation provided that the student has met all requirements for the A.A. degree and maintained a 2.0 cumulative grade point average, this does not mean that every A.A. graduate will be admitted at the state university of his/her choice or into the upper division program of his/her choice.

For these reasons, the College has collaborated with several regionally accredited public and private universities and colleges to make higher education more accessible for residents of Putnam, Clay, and St. Johns counties. SJR State has entered into collaborative agreements with the colleges and universities listed on this page to ensure smooth transitions for transferring students and, in some cases, even bring courses and programs directly to students living within SJR State's district through distance learning and off-campus programming.

St. Johns River State College partners with the Florida Virtual Campus to make available our distance learning courses through the Florida Shines website. In addition to the colleges and universities listed on this page with which SJR State has collaborated, after completing their associate's degree, SJR State students can transfer to one of the many accredited colleges and universities throughout the state of Florida offering bachelor's and graduate degrees via distance learning. To search the distance learning baccalaureate and graduate degrees offered by participating Florida colleges and universities, go to: [www.floridashines.org](http://www.floridashines.org).

Each participating college or university offers various programs of study and course delivery methods. For more information about these programs, call (386)312-4225.

### **Embry-Riddle Aeronautical University**

The Blue-Gold Connection was created to provide SJR State graduates with a seamless transition into the Embry-Riddle Aeronautical University. The program serves as a guarantee and aligns SJR State's Associate in Arts degree (transfer degree) with more than 20 baccalaureate degree programs through a personalized course transfer guide. The degrees include aeronautical science, air traffic management, aviation maintenance science and civil engineering. Students may apply for the program through the SJR State Academic Advising Office.

### **Saint Leo University**

SJR State has an articulation agreement with Saint Leo University to automatically accept SJR State students who have earned their

associate degree into Saint Leo's bachelor's programs and to waive the application fee. Under this agreement, Saint Leo utilizes the facilities of St. Johns River State College for its courses and programs and has offices located on the Palatka, Orange Park, and St. Augustine campuses, as well as flexible online classes. Saint Leo University is one of the largest private Catholic universities in the United States and offers SJR State students bachelor's degree programs in the areas of Criminal Justice, Business and Computers, Psychology, Education, and Health and Human Services.

### **University of North Florida**

The UNF/SJR State Gateway Program was created to provide SJR State graduates with a seamless transition into the University of North Florida. The program serves as a guarantee and aligns SJR State's Associate in Arts degree (transfer degree) with many of UNF's baccalaureate degree programs. To be eligible, students must meet the requirements for the degree being sought as established by the official UNF catalog. Students may apply for the program through the SJR State Academic Advising Office.

### EMBRY-RIDDLE AERONAUTICAL UNIVERSITY

- Bachelor of Science in Aeronautical Science
- Bachelor of Science in Air Traffic Management
- Bachelor of Science in Applied Meteorology
- Bachelor of Science in Aviation Maintenance Science
- Bachelor of Science in Business Administration
- Bachelor of Science in Civil Engineering
- Bachelor of Science in Communications
- Bachelor of Science in Homeland Security
- Bachelor of Science in Space Physics

### FLAGLER COLLEGE

- Bachelor of Science in Public Administration

### FLORIDA STATE UNIVERSITY

- Bachelor of Science in Computer Science
- Bachelor of Science in Information Science
- Bachelor of Science in Interdisciplinary Social Science
- Bachelor of Science in Nursing (RN to BSN)

- Master of Science in Criminology & Criminal Justice
- Master of Science in Educational Leadership
- Master of Science in Information Studies
- Master of Science in Instructional Systems
- Master of Science in Math Education
- Master of Science in Mechanical Engineering
- Master of Science in Risk Management/Insurance
- Master of Science in Social Work

### JACKSONVILLE UNIVERSITY

- Bachelor of Science in Nursing (RN to BSN)
