BACHELOR'S DEGREES

ST. JOHNS RIVER STATE COLLEGE

BACHELOR OF SCIENCE DEGREE IN EARLY CHILDHOOD EDUCATION

The College awards the Bachelor of Science degree in Early Childhood Education.

Admission Requirements:

- Admission to SJR State
- Submission of a completed application to the baccalaureate program
- Submission of official transcript(s) indicating the course work taken and the degree(s) awarded
- An earned Associate in Arts degree to include 36 general education credits and 24 elective credits
- A minimum 2.5 grade point average on a 4.0 scale
- A grade of "C" or higher for all general education credits fulfilling English, mathematics, and humanities requirements
- Demonstrated mastery of general knowledge by passing the General Knowledge Test of the Florida Teacher Certification Examination or a similar test pursuant to the rules of the State Board of Education
- A grade of "C" or higher for each of the following prerequisite courses:
 - EDF 2005 (Introduction to the Teaching Profession)
 - EDF 2085 (Introduction to Diversity for Educators)
 - EME 2040 (Introduction to Technology for Educators)

BACHELOR OF SCIENCE DEGREE IN NURSING

The College awards the Bachelor of Science degree in Nursing. The program is designed for Associate degree registered nurses who hold a current valid unencumbered Florida license and seek advanced studies in nursing. The BSN program will provide traditional and nontraditional registered nurse students with access to a baccalaureate degree.

The BSN degree curriculum fosters personal and professional growth through traditional and non-traditional learning experiences to facilitate the educational advancement of the registered nurse. The BSN program seeks to further amplify the student's safe and effective patient care practices and to prepare students for careers that positively affect health care within their communities. The BSN curriculum builds on the competencies, knowledge, and practices that the students bring from previous academic nursing programs and work experiences, and the curriculum expands on professional nursing values resulting in a broader scope of professional practice and professional role identity.

The program consists of 120 credit hours of general education nursing-related core courses.

Admission Requirements:

- Admission to SJR State
- Submission of a completed application to the baccalaureate program in nursing
- Completion of an Associate in Science degree in Nursing with at least a 2.0 grade point average on a 4.0 scale prior to upper division acceptance
- Submission of official transcript(s) indicating the coursework taken and the degree(s) awarded
- Maintain an active, current, valid, and unencumbered licensure as a Registered Nurse in Florida

BACHELOR OF APPLIED SCIENCE DEGREE

The College awards the Bachelor of Applied Science degree in Organizational Management with four specializations:

- Organizational Management – Supervision and Management
- Organizational Management – Emergency Management/
Public Service
- Organizational Management – Health Care Administration
- Organizational Management – Computer Information
Systems

Admission Requirements:

- Admission to SJR State
- Submission of a completed application to the baccalaureate program indicating a specialization
- Completion of an Associate in Arts or Associate in Science degree with at least a 2.0 grade point average on a 4.0 scale prior to upper division acceptance. For the exact associate degree required, please consult the specialization requirements. All general education credits fulfilling English, mathematics, and humanities requirements must be completed with a grade of "C" or higher.
- Submission of official transcript(s) indicating the course-work taken and the degree(s) awarded

Specialization Requirements:

Supervision and Management

Associate in Arts degree or an Associate in Science degree in a business-related program similar to the following Associate in Science degrees offered by SJR State: Business Administration, Accounting Technology. The College may recommend additional coursework for those students who could be admitted on a case-by-case basis.

Emergency Management/Public Service

Associate in Arts degree or an Associate in Science degree in a criminal justice/public safety-related program similar to the following Associate in Science degrees offered by SJR State: Criminal Justice Technology and Emergency Medical Services. The College may recommend additional coursework for those students who could be admitted on a case-by-case basis.

BACHELOR'S DEGREES CONTINUED

ST. JOHNS RIVER STATE COLLEGE

Health Care Administration

Associate in Science degree in a health-related program similar to the following Associate in Science degrees offered by SJR State: Emergency Medical Services, Health Services Management, Health Information Technology, Nursing, Radiologic Technology, and Respiratory Care. Licensure and/or certification or exemption from the Director of Organizational Management is required. In addition, the College may recommend additional coursework for those students who could be admitted on a case-by-case basis.

Computer Information Systems

Associate in Arts degree or an Associate in Science degree in a computer-related program similar to the following Associate in Science degrees offered by SJR State: Computer Information Technology, Internet Services Technology, Computer Network Engineering Technology, and Computer Programming and Analysis. The College may recommend additional coursework for those students who could be admitted on a case-by-case basis.

FOREIGN LANGUAGE REQUIREMENT

The foreign language competency requirement can be met by 2 years of the same high school foreign language OR 2 semesters of the same college level foreign language OR documented proficiency of a foreign language. If you did not take 2 years of the same high school foreign language and do not have documented proficiency of a foreign language, you will need to register for 2 semesters of college level foreign language in order to graduate. These foreign language credits will count towards your required general education elective and/or baccalaureate transfer program prerequisites/elective credit hours. Please check with your Academic Advisor if you are unsure whether you already meet this requirement.

Native speakers of languages other than English may petition to waive the foreign language coursework requirement.

- Native speakers who are able to demonstrate they completed part of their education in a non-English educational system should complete and submit the foreign language coursework waiver petition with proof of enrollment in a foreign language school in which the language of instruction was not English for a specific, prolonged period of concurrent academic years, generally to include at a minimum the completion of at least three years of formal schooling. Additional documentation may be requested at the discretion of the Vice President for Academic Affairs.

- Native speakers without proof of foreign education have the following options:

- If the language is currently offered by St. Johns River State College, the student may petition to complete a campus-based proficiency examination by a qualified SJR State foreign language faculty member.

- If the language is not currently offered by St. Johns River State College and there are therefore no faculty on staff who can evaluate that language, students have several options:

- submit proof of proficiency in the language through a recognized, standardized test such as CLEP;
- provide alternative documentation concerning their

language proficiency to be approved at the discretion of the Vice President for Academic Affairs, or

- complete the foreign language requirement in another language.

For more information or a copy of the foreign language coursework waiver petition, please see your academic advisor.

Graduation Requirements

The College awards the Bachelor of Science in Early Childhood Education, Bachelor of Science in Nursing, and the Bachelor of Applied Science in Organizational Management. In order to be awarded a baccalaureate degree, students must meet the following requirements:

1. Complete the minimum number of hours specified for the degree. Candidates for the Bachelor of Applied Science in Organizational Management and Bachelor of Science in Nursing degrees must have a 2.0 minimum overall GPA, whereas those in the Bachelor of Science program in Early Childhood Education must have a 2.5 minimum overall GPA. A minimum of 30 credits of upper division (ie 3000 - 4000 level) semester credit hours must be completed at SJR State. For the Bachelor of Applied Science in Organizational Management degree, this includes the senior year internship capstone course. For the Bachelor of Science in Early Childhood Education degree, this includes the semester-long senior student internship. SJR State Bachelor of Science in Nursing adheres to the overall minimum requirement of completing 25% of the total program hours at SJR State. SJR State will allow transfer of 9 (nine) credits of upper level BSN courses as long as the transfer of credit meets the College's transfer of credit requirements and adheres to the overall minimum requirement of completing 25% of total program hours at SJR State. Students are required to take NUR 3169 and NUR 4949 at SJR State.
2. Complete all general education requirements and successfully demonstrate college-level proficiency in communication and computation. A grade of "C" or higher is required for those courses meeting the area requirements in English, humanities, and mathematics.
3. All degree candidates must have completed two years of the same high school foreign language OR two semesters of college level foreign language OR documented proficiency of a foreign language. If you did not take two years of the same high school foreign language and do not have documented proficiency of a foreign language, you will need to register for two semesters of college level foreign language in order to graduate.
4. Pay all fees and discharge all other obligations to the College.
5. File an application for degree and meet all degree requirements by the date indicated in the academic calendar.

EARLY CHILDHOOD EDUCATION (7000)

BACHELOR OF SCIENCE DEGREE

The Bachelor of Science degree in Early Childhood Education at St. Johns River State College is designed as an initial teacher preparation program in compliance with Florida Statutes and State Board of Education Rule 6A-5.066. The program's goal is to prepare early childhood educators for employment in preschool, prekindergarten, and early elementary (grades prekindergarten through three) classrooms. Graduates will be eligible to obtain Florida Department of Education certification in the area of prekindergarten/primary education (ages 3 to grade 3). The program meets the requirements of both the English for Speakers of Other Languages (ESOL) and Reading endorsements.

The curriculum for the Early Childhood Education degree includes coursework in the foundations of education, ESOL, reading education, and early childhood education, in addition to multiple opportunities for student field experience in Pre-K-3 classrooms. Students will explore topics related to the education of young children including literacy, classroom management, teaching methods, diversity, cognition, creativity, and technology throughout the program.

Program prerequisites will include an Associate in Arts degree and the three common teacher preparation courses: EDF 2005 (Introduction to the Teaching Profession), EDF 2085 (Introduction to Diversity for Educators), and EME 2040 (Introduction to Technology for Educators). Once admitted to the degree program, participants will complete an additional 60 credit hours of upper division Early Childhood Education courses for a total degree length of 120 semester hours.

Note: Students enrolling in this program of study must be cleared by a school board background check before the end of the add-drop period.

For additional information visit our website at SJRstate.edu or call the Teacher Education Office at (386) 312-4242.

ADMISSION REQUIREMENTS

1. Admission to SJR State
2. Submission of a completed application to the baccalaureate program
3. Submission of official transcript(s) indicating the course work taken and the degree(s) awarded
4. An earned Associate in Arts degree to include 36 general education credits and 24 elective credits
5. A minimum 2.5 grade point average on a 4.0 scale
6. A grade of "C" or higher for all general education credits fulfilling English, mathematics, and humanities requirements
7. Demonstrated mastery of general knowledge by passing the General Knowledge Test of the Florida Teacher Certification Examination pursuant to the rules of the State Board of Education
8. A grade of "C" or higher for each of the following prerequisite courses:
 - EDF 2005 (Introduction to the Teaching Profession)
 - EDF 2085 (Introduction to Diversity for Educators)
 - EME 2040 (Introduction to Technology for Educators)

POST ADMISSION REQUIREMENTS

1. To be eligible for field experience placement, students must be fingerprinted and pass a criminal and professional background check.
2. Completion of all field experience requirements.
3. A minimum grade point average of 2.5 is required for internship.
4. The maintenance of a minimum overall GPA of 2.5, in order to progress toward a Bachelor of Arts in Education degree.
5. Students must take all required Florida Teachers Certification Exams (FTCE), including the Subject Area Exam and the Professional Education Test, at least one time before beginning their final internship.
6. Students must pass all Florida Teacher Certification Exams (FTCE), including the Subject Area Exam and the Professional Education Test, to receive a passing grade for EEC 4930 Student Internship. Students who do not pass all required FTCE exams, will be given an "I" as their final course grade in their internship.
7. Students receiving an "I" grade must pass all required Florida Teacher Certification Exams within one calendar year from the end of the term of their internship. If all exams are passed a grade change form will be completed by the internship instructor reflecting the grade earned in the internship and submitted to student services. The student will be eligible for graduation after the grade is recorded. If the required exams are not passed within the calendar year the "I" will convert to an "F".

NURSING: RN TO BSN (8700)

BACHELOR OF SCIENCE DEGREE

The nursing education program for the Bachelor of Science in Nursing is accredited by the Accreditation Commission for Education in Nursing (ACEN), 3343 Peachtree Road NE Suite 850, Atlanta, GA 30326 (404) 975-5000, www.acenursing.org

The program is designed for Associate degree registered nurses who hold a current valid, unencumbered Florida license and seek advanced studies in nursing. The BSN program will provide traditional and nontraditional registered nurse students with access to a baccalaureate degree.

DEPARTMENT OF NURSING BSN PROGRAM MISSION STATEMENT

The BSN degree curriculum fosters personal and professional growth through traditional and non-traditional learning experiences to facilitate the educational advancement of the Registered Nurse. The BSN program seeks to further amplify the student's safe and effective patient care practices and to prepare students for careers that positively affect health care within their communities. The BSN curriculum builds on the competencies, knowledge, and practices that the students bring from previous academic nursing programs and work experiences, and the curriculum expands on professional nursing values resulting in a broader scope of professional practice and professional role identity.

PROGRAM OUTCOMES / ROLE SPECIFIC COMPETENCIES

At the completion of the Bachelor of Science in Nursing degree program, the BSN student should be able to:

1. Expand the use of the nursing process to construct safe and effective care in the restoration of self-care agency of individuals, families, and communities. (Clinical Competency)
2. Make clinical or management decisions in a variety of situations using ethical and legal principles. (Ethics/Legal)
3. Relate human flourishing throughout the lifespan to the optimization of self-care agency for individuals, families, communities, and populations. (Health of Populations)
4. Integrate knowledge from nursing and other disciplines to provide culturally competent care to diverse global populations. (Culture)
5. Appraise evidence based research to improve nursing practice and healthcare outcomes. (Inquiry)
6. Create open communication, mutual respect, and shared decision making to achieve desired healthcare outcomes. (Collaboration)
7. Maximize the use of healthcare resources in the delivery of patient care in a variety of settings. (Resource Utilization)
8. Assimilate into professional clinical and managerial nursing practices the principles of information literacy, information management, and care technology systems. (Informatics)

For additional information, visit our website at SJRstate.edu or call the Palatka nursing office at 386-312-4176, the Orange Park nursing office at 904-276-6863 or the St. Augustine allied health office at 904-808-7465.

The program consists of 120 credit hours of general education and nursing-related core courses.

ADMISSION REQUIREMENTS

The BSN program is an open access program for students who meet the following admission requirements:

1. Admission to SJR State
2. Submission of a completed application to the baccalaureate program in nursing
3. Completion of an Associate in Science degree in Nursing with at least a 2.0 grade point average on a 4.0 scale prior to upper division acceptance
4. Submission of official transcript(s) indicating the coursework taken and the degree(s) awarded
5. Proof of an active, current, valid, and unencumbered licensure as a Registered Nurse in Florida

POST ADMISSION REQUIREMENTS

Following acceptance into the program, BSN students must complete the following requirements. *Failure to comply with these requirements may result in administrative withdrawal from the nursing program.*

1. To be eligible for practicum experiences, the semester prior to NUR 3655 (Community, Diversity, and Population-Based Care) and NUR 4949 (Capstone), students are asked to sign a consent and waiver to perform a criminal and professional background check and drug screen. Failure to provide consent will render the applicant ineligible for practicums in the program. Continued progression in the program is conditional upon the results of the criminal and professional background check and drug screen. Additional random and scheduled drug screening may be required at any time during the program. A student must report any changes in their criminal background record immediately to the Dean or Associate Dean of the department. Students who fail to submit criminal background record changes will jeopardize his/her access to clinical sites and completion of the program. A student may be required to provide an additional background check to the College at their own expense.

NURSING: RN TO BSN (8700) CONTINUED

BACHELOR OF SCIENCE DEGREE

2. Attend the 4-hour BSN Student Orientation
3. Prior to the first day of NUR 3655 and NUR 4949 classes, students must complete the American Heart Association Basic Life Support for Health Care Providers (CPR & AED) program – BLS for Health Care Providers certification is to be valid through the date of graduation from the SJR State BSN nursing program. ACLS may be substituted for BLS.
4. Have an annual physical examination verifying acceptable health status absent of communicable or infectious disease and completing all the health related requirements for the nursing program. Requirements for the physical are included on the form provided to each student after admission to the nursing program.
5. Have liability/malpractice insurance of \$1,000,000 per incident and \$3,000,000 per aggregate. (Payment included with lab fees during registration)
6. Have student accident (education/training) insurance. (Payment included with lab fees during registration)
7. Maintain an active, current, valid, and unencumbered licensure as a Registered Nurse in Florida

The Florida Department of Education requires common prerequisite courses. SJR State recommends the following courses or equivalents as listed in the FDOE Common Prerequisite Manual:

- BSC 2085/2085L Human Anatomy and Physiology I and Lab
- BSC 2086/2086L Human Anatomy and Physiology II and Lab
- Any CHM XXXX, BSC XXXX, BCH XXXX, PCB XXXX, PHY XXXX with a minimum of 4 credit hours**
- DÉP 2004 Human Growth and Development
- HUN 1201 Human Nutrition
- MCB 2010/2010L Microbiology and Lab
- PSY 2012 General Psychology
- STA 2023 Statistics **

These courses may be taken prior to admission.

**May be taken concurrently with upper level courses
