### PROGRAM MISSION STATEMENT

The Department of Criminal Justice Training at St. Johns River State College is committed, through the delivery of quality effective training in an academically sound environment, to providing law enforcement agencies and the community with professional and disciplined law enforcement and correctional officers who will possess the essential knowledge and skills to effectively serve as public safety professionals.

As a component of a comprehensive public two-year college committed to open access, student learning and achievement, the criminal justice program of St. Johns River State College will provide personalized attention to students, will embrace diversity and will use innovation to enhance teaching and learning.

### CRIMINAL JUSTICE USE OF SOCIAL SECURITY NUMBERS

SJR State collects SSNs to verify entrance eligibility for criminal justice students to be placed into the Florida Department of Law Enforcement (FDLE) Automated Training Management System (ATMS) during the students' attendance in basic law enforcement recruit, corrections cross-over to law enforcement, corrections basic recruit and law enforcement cross-over to corrections classes. The students' SSNs are also used to validate their eligibility to sit for the FDLE state office certification exams.

# COMPUTER RELATED CRIME INVESTIGATION (0198)

ASSOCIATE IN SCIENCE DEGREE

This program prepares students for careers in corporate computer security investigation, or similar careers in law enforcement and crime laboratories as a computer related crime investigator, computer forensics specialist, security consultant or security auditor. The program is designed to provide municipal, county, state, federal and corporate investigators trained in the latest techniques of modern computer crime investigation. This program also provides supplemental training for persons previously or currently employed in these occupations.

NOTE: Courses are listed alphabetically. This is not the order in which the courses should be taken. Please see the program plan/course rotation to see the order in which courses should be taken. This will ensure that you complete prerequisite courses and are prepared for additional courses when they are offered.

## VOCATIONAL CERTIFICATE

### RECRUIT COURSES AVAILABLE AT THE ST. AUGUSTINE CAMPUS ONLY

This program provides job-related training to prepare candidates for entry-level employment as corrections officers. The curriculum is prescribed by the Florida Department of Law Enforcement, Criminal Justice Standards and Training Commission in accordance with Florida Statutes. Upon completion of the program, candidates will be eligible to take the state exam for corrections officer.

There are special admission requirements in addition to the College's admission procedures and policies. In addition to the special admission standards, there are special program requirements including attendance, physical exercises, and demonstrations of proficiency. The program is challenging and physically and mentally demanding. Information on the program and its special requirements are available from the program director.

Three months prior to a corrections basic recruit start date, candidates must make application for admission to the basic recruit program. All candidates must meet all entry requirements. Copies of the application packet outlining the entrance requirements are available by contacting the Criminal Justice training program at (904) 808-7490 or by visiting [SJRstate.edu/correct.html](http://SJRstate.edu/correct.html).

The Basic Abilities Test (BAT) is a program entry requirement for students. Applicants to the program must take and pass the BAT (with a minimum score of 72%) in order to enter the program.

Note: Students are encouraged to take this vocational certificate program as a part of the Associate in Science degree in Criminal Justice Technology. More information about this program and the college credit given for the basic recruit can be found on page 124.
