*These programs do not qualify for federal or state forms of financial aid. Students in program codes: 0208, 0350, 2125 or 2155 who are taking prerequisites to apply to a limited access program are not considered to be in a degree granting program and therefore are not eligible for either federal or state forms of financial aid. However, students admitted to 0298, 0299, 0351, 2126 or 2156 are eligible to apply for federal and state financial aid. Additionally, certain college credit certificate programs may not be eligible for federal or state forms of financial aid. Please see the Financial Aid office for clarification.
