(3 Credits - 6 Hours)
Prerequisite: PGY 1800. Effective quality of light is at the heart of every effective photographic image. Using the five characteristics of light as a foundation, this course examines artificial and natural sources in and out of the studio. Successful students learn to effectively design lighting solutions through placement, modification and balance of light for a variety of imaging objectives.

PGY 1446C
Experimental Photography ◆
(3 Credits - 6 Hours)
Prerequisite: PGY 1800. This course explores non-traditional methods in photographic image making. Digital and chemical photography techniques are explored with an emphasis on creative approaches. Students will use the processes addressed in this course as the formal elements of conceptual visual communication. While experience in photography is not required, it is preferred. An exit grade of “C” or higher is required.

PGY 2107C
Large Format Photography ◆
(3 Credits - 6 Hours)
Prerequisite: PGY 1800 and permission of instructor. Development of photographic vision and technical craft through the introduction and use of large format materials. Discussion and coursework will focus on the aesthetic possibilities and technical strategies of large format photography in relationship to various contemporary genres, as well as the role of scale, presentation and installation of the photographic print will be addressed. An exit grade of “C” or higher is required.

PGY 2220C
Commercial Photography ◆
(3 Credits - 6 Hours)
Overview of studio practices and location photography with an emphasis on the commercial context of image making. This will include both creative and technical assignments that challenge the student to sync vision with technique, beauty with function and content with craft. An exit grade of “C” or higher is required.

PGY 2905C
Special Topics in Photography ◆
(1 - 3 Credits)
An independent study course designed to enable a student to pursue a studio or research project not covered in the area of specialization. The direction of the study will be formulated with the instructor. Application to do work in the special problems must be made to the instructor who is to direct the study. A design of the study must be presented to the instructor and approved by the Dean of Florida School of the Arts prior to the new semester. May be repeated 3 times for credit. An exit grade of “C” or higher is required.

ANIMATION
ART 2370C
Drawing for Animation ◆

Life drawings accompanied by a study of structural anatomy in both humans and animals will be the emphasis of the course curriculum. Additional topics will include sequential drawing, the role of exaggeration and simplification in character development, composition of scenic elements as related to the development of mood and context, and the development of a smooth animated sequence.

DIG 2300C
Principles of 2D Animation ◆
(3 Credits - 6 Hours)
Prerequisite: ART 1300C Drawing I. Studio/lecture based course applies methods for traditional animation using digital tools. Students will examine hand-drawn animation techniques and principles.

DIG 2341C
Introduction to Motion Graphics and Compositing ◆
(3 Credits - 6 Hours)
Prerequisite: DIG 2300C Principles of 2D Animation. This course focuses on digital post-production used for film animation, video, digital media and the web. It identifies production methods, composing and sophisticated motion control for high-quality, two-dimensional animation. Focus is placed on digital media components, video tape and screen outputs for special and specialty projects while exploring foundations for computer-aided digital production. The topics of work flow issues and the variety of design and production vehicles will be addressed.

DIG 2437C
Storytelling ◆
(3 Credits - 6 Hours)
Prerequisite: ART 1300C Drawing I. This course is for students majoring in animation and game art. It introduces the conceptual structure and design of visual storytelling. Students will learn principles of animation, mechanics, cinematics, character development, structure of story and adapting movement for the animation medium.

Continued foundation work with emphasis on developing strong fundamental principles of breath control and correct vowel placement. Foundations accomplished through works in musical theater and classical literature. Placement into MVV 1311L determined by exit vocal jury.

MVV 1311L
Applied Major Voice I Lab
(0 Credit - 1 Hour)
Group technique lab component for students taking Applied Major Voice I. Emphasis given to warming up body and voice for singing. Technical exercises will be used to strengthen voice and prepare the student for a day of vocal use.

MVV 1312
Applied Major Voice II ◆
(1 Credit - 1/2 Hour) (2 Credits - 1 Hour)
Prerequisite: MVV 1311 or permission of the instructor. Third semester of private instruction on the elementary-intermediate level. Continued emphasis on developing a strong foundation of breath control and correct vowel placement. Foundations accomplished through works in musical theater, pop and classical literature. Placement into MVV 2321L determined by exit vocal jury.

MVV 1312L
Applied Major Voice II Lab
(0 Credit - 1 Hour)
Group technique lab component for students taking Applied Major Voice II. Emphasis given to warming up body and voice for singing. Technical exercises will be used to strengthen voice and prepare the student for a day of vocal use.

MVV 2321
Applied Major Voice III ◆
(1 Credit - 1/2 Hour) (2 Credits - 1 Hour)
Prerequisite: MVV 1312 or permission of the instructor. Fourth semester of private instruction on the elementary-intermediate level. A continuation of skills studied in MVV 1312. **TPP 1710**  
**Stage Voice I**  
(3 Credits - 3 Hours)  
Analysis, interpretation, and presentation of selections from various types of literature, including narrative prose, poetry, and drama.

**TPP 1810**  
**Stage Speech I**  
(3 Credits - 3 Hours)  
This class provides actors the foundation skills necessary to care for and develop the full potential of their speaking voice. The physical mechanisms of speech and the corresponding vocabulary are identified. Core breathing techniques are introduced and explored. Proper articulation of speech sounds is emphasized through ongoing drills and exercises. Habits, techniques and concepts introduced in this class will be developed further in subsequent speech courses.

**TPP 1811**  
**Stage Speech II**  
(3 Credits - 3 Hours)  
Prerequisite: TPP 1810 with a grade of “C” or higher. Building on the foundation skills and vocabulary introduced in TPP 1810, TPP 1811 is a continuation of the development of the actor’s voice to its full potential. Proper breath support and articulation continue to be particular points of focus. The International Phonetic Alphabet is introduced and used to correct speech problems as well as lay a foundation for dialect work. Cold reading and impromptu speaking skills are developed through exercises and assignments which allow the students to gain practical experience in front of an audience with minimal preparation time. Finally, the elements of a vocal warm-up are introduced and explored. Students learn to prepare warm-ups tailored to the needs of their own voices.

**TPP 2100**  
**Introduction to Acting**  
(3 Credits - 3 Hours)  
A survey course for non-acting majors in methods and acting techniques used to develop and perform a role from the text.

**TPP 2110**  
**Acting I**  
(3 Credits - 6 Hours)  
An introduction to the concepts, principles, and skills needed to create and effectively communicate a believable character to an audience. The class places heavy emphasis on using the given circumstances as the source for character choices, using simple objectives to play identifiable actions, and using appropriate and effective rehearsal techniques to achieve performance goals. Students will apply the above concepts to specific acting challenges in a variety of monologue and scene performances. The class culminates in combining a written character analysis with a performance of a scene from the selected text.

**TPP 2111**  
**Acting II**  
(3 Credits - 6 Hours)  
Prerequisite: TPP 2110 with a grade of “C” or higher. This course augments the creative process of character development by applying the principles of Stanislavsky through the use of in-class discussion, studio exercises, monologue and scene application.

**TPP 2118**  
**Acting III**  
(3 Credits - 6 Hours)  
Prerequisite: TPP 2111 with a grade of “C” or higher. A.A. students must have permission of the instructor. Scene study. Utilizing selections from contemporary plays, the focus of the course is placed upon character-to-character relationships within the context of a scene.

**TPP 2119**  
**Acting IV**  
(3 Credits - 6 Hours)  
Prerequisite: TPP 2111 with a grade of “C” or higher. Beginning with an examination of the nature of “style” itself, this class presents actors with an approach to tackling the challenges of the period text. Techniques for unlocking the particular style of a text are explored and then applied to the performance of selected scenes from several different periods: Greek, Elizabethan and Comedy of Manners. The course identifies and provides solutions for the acting challenges specific to each of these styles. Additionally, the class explores how the techniques learned in approaching these styles can be more widely applied to other non-realistic styles of theatre.

**TPP 2141**  
**Acting in Shakespeare**  
(3 Credits - 3 Hours)  
Prerequisite: TPP 2111 with a grade of “C” or higher. An introduction to the concepts, principles, and skills needed to bring the characters of Shakespeare to life on the stage. Following the precepts of John Barton in Playing Shakespeare, this course focuses on how to use the hidden directions given by Shakespeare in the text to unlock character choices. Specific analysis techniques and poetic terminology are introduced and examined as they relate to characterization. Application of these techniques will be presented in several performances of Shakespearean scenes and monologues.

**TPP 2220**  
**Audition Techniques**  
(3 Credits - 3 Hours)  
Prerequisite: TPP 2111 with a grade of “C” or higher or permission of the instructor. This class is built on the following premise: successful auditions begin with a clear understanding of the casting process and the development of a healthy relationship to that process. Starting with selecting successful material, the class moves chronologically through each phase of the audition experience with a focus on practical preparation. All of the “business” aspects of auditioning will be covered including resumes, headshots, interviews, unions and self-management. To demonstrate mastery of the material each student will prepare and perform a well-rounded audition package selected to highlight his or her unique strengths.
