

CAMPUS SAFETY/AWARENESS

ST. JOHNS RIVER STATE COLLEGE

JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS ACT

This Federal Act requires that SJR State distribute information regarding certain on-campus crimes to all current and potential students and employees. SJR State is dedicated to the provision of a safe learning and working environment for all students and employees. This information is posted on the College Safety and Security website at SJRstate.edu/safety.html.

The Campus Safety and Security office coordinates the Silent Witness program. Silent Witness is a college-wide crime prevention program whereby all members of the College are encouraged to report suspicious or criminal activity to the Campus Safety and Security office and/or the appropriate law enforcement agency. A victim or witness of a crime may report information anonymously to Campus Safety and Security via the Silent Witness form located on the public SJR State website at SJRstate.edu/silentwitness or via the MySJRstate portal (SJRstate.edu/mySJRstate.html) under the Campus Safety and Security tab.

St. Johns River State College Campus Safety and Security

College Campus Safety and Security can be reached 24 hours a day, 7 days a week.

Orange Park Campus (Office) 904-276-6760;
(24 hour cell phone) 904-626-5885

SJR State security officers and private contract security officers are armed and licensed by the state of Florida. College and private contract security officers are not law enforcement officers, but they work closely with local law enforcement agencies on reporting and follow-up actions or investigations related to criminal activities on campus. In order to facilitate this relationship and to assist in crime prevention, all employees and students are encouraged to promptly report all criminal or suspicious activity to the security officer on duty on the campus. The College has no recognized fraternities or other off-campus student organizations, and there are no records maintained on liquor, drugs or weapons violations by students associated with such organizations.

TIMELY WARNINGS (REGARDING CLERY ACT CRIMES)

In the event that an on-campus or off-campus event arises, that, in the judgment of the College President, Senior Vice President, Campus Executive Director or the Director of Safety and Security (or his designee), constitutes an ongoing or continuing threat, a campus wide "timely warning" will be issued. The warning will be issued by Campus Safety and Security personnel, or an appropriate designee, via numerous Emergency Notification Systems including the Genave emergency notification speaker system, the Voice-Evac emergency notification speaker system and through School Messenger emergency notification software, which includes telephone, email and text messaging to students, faculty and staff. Posters pertaining to the criminal event may also be posted throughout the campus for further notification. Anyone with information possibly warranting a "timely warning" should report the circumstances to the Campus Safety & Security office, by telephone, at the appropriate campus as follows:

Orange Park Campus (Office) 904-276-6760;
(24 hour cell phone) 904-626-5885

Palatka Campus (Office) 386-312-4095;
(24 hour cell phone) 386-937-2052

St. Augustine Campus (Office) 904-808-7495;
(24 hour cell phone) 904-626-5956

Information or reports can also be made to the Campus Safety and Security office located at each campus.

With respect to the "timely reports," the Clery Act mandates for crimes considered a threat to other students and employees that victims' names be withheld.

The content of the timely warning should include all information that would promote safety and that would aid in the prevention of similar crimes. The warning should include what crime occurred, where the crime happened, when it happened, and suspect information, if possible.

EMERGENCY NOTIFICATION POLICY

It is imperative that a timely warning be issued, without delay, in the event of a Clery Act crime occurring within the campus Clery geography, if there is an immediate or continuing threat to students, employees or property. Emergency notification may also be given for non-Clery Act crimes if the crime poses a threat to persons or property.

Whether or not to issue an emergency notification timely warning must be decided on a case-by-case basis. Considerations include the nature of the crime that was reported, the possible continuing danger to the campus community, and the possible risk of compromising law enforcement efforts.

Whenever possible, it is recommended that the College President, Senior Vice President, Campus Executive Director, and Director of Campus Safety and Security (or his designee) meet to determine whether or not a timely warning should be issued. If this is not possible, the discretion is left to the Director of Campus Safety and Security or his designee.

Any security officer may issue the order to lock down, evacuate, or shelter in place if the need arises. This would usually be initially accomplished via the Emergency Notification System (Genave) and/or the Voice Evac system.

DISCLOSURE OF CRIME STATISTICS

The Department of Campus Safety and Security prepares the crime statistics report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. This report is prepared in cooperation with the local law enforcement agencies surrounding the Palatka, Orange Park and St. Augustine campuses. The past three years of crime statistics for each campus are listed at the end of this report.

Campus crime, arrest and student referral statistics (of a Clery nature) include those reported to the Department of Campus Safety and Security officials and law enforcement agencies. Those crimes used in compiling statistics include the following: murder, manslaughter, robbery, aggravated assault, burglary, motor vehicle theft, arson, liquor law violations, drug related violations (sale and possession), weapons law violations, forcible sex offenses, non-forcible sex offenses, hate crimes, domestic violence, dating violence, and stalking.

Each year this report is provided to all current students, faculty and staff via their SJR State email address and is also available via the SJR State intranet website. It is also made available to prospective students, faculty, employees, and staff via the Web at the SJRstate.edu site.

A paper copy of the report is also available from the Campus Safety and Security office located on each campus.

DAILY CRIME/INCIDENT REPORT LOG

The SJR State Campus Safety and Security office maintains a daily Crime/Incident Log. The log is available for inspection during normal business hours within the Campus Safety and Security office at each campus.

VOLUNTARY CONFIDENTIAL REPORT OF CRIMES

If you are the victim of a crime and do not want to pursue action within the College System or the criminal justice system, you may still want to consider making a confidential report. With your permission, the Director of Security or a designee of SJR State Campus Safety and Security can file a report on the details of the incident without revealing your identity. A victim or witness of a crime may also report that information to Campus Safety and Security via the Silent Witness form located on the public SJR State website at SJRstate.edu/silentwitness or via the MySJRstate portal (SJRstate.edu/mySJRstate.html) under the Campus Safety and Security tab. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the safety of yourself and others. With such information, the College can keep an accurate record of the number of incidents involving students, determine whether there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the College.

MONITORING AND RECORDING OF CRIMINAL ACTIVITY (OFF-CAMPUS)

SJR State College Campus Safety and Security officers do not provide security services to off-campus locations. Criminal activity is monitored and recorded by the appropriate law enforcement jurisdiction of occurrence.

DUTY TO INVESTIGATE

SJR State College has a duty to immediately investigate a complaint of sexual harassment, sexual coercion and sexual assault even if the complainant asks that it not do so. If the complainant requests anonymity, the complainant will be protected from retaliation; however anonymity may limit the school's ability to respond. The complainant will be assured that the investigation will be discreet and only disclosed on a "need to know" basis. In deciding how to proceed, the College will weigh the complainant's anonymity request against the alleged perpetrator's potential danger to other students. In addition, determine whether interim protective actions are necessary, such as issuing a "no contact" directive or separating a complainant and respondent. The College will attempt to minimize any burden on complainants. The complainant will be provided with information regarding his/her options regarding the investigation, including the choice to report to law enforcement and available medical and mental health treatment options.

AUTHORITY OF CAMPUS SECURITY

St. Johns River State College security officers are armed officers. They have the right to ask persons for identification and to determine whether, or not, individuals have the right to be on campus. Although Campus Safety and Security officers do not have arrest powers, they work closely with appropriate jurisdiction law enforcement personnel concerning criminal incidents. There is no written memorandum of understanding between the College and the law enforcement agencies.

All crime victims and witnesses are strongly encouraged to immediately report crimes to the Campus Safety and Security and the appropriate law enforcement agency. Prompt reporting of crimes will assure timely warning notices and timely disclosure of crime statistics. Criminal incidents that occur in close proximity to our campuses are communicated regularly to Campus Safety and Security personnel.

SECURITY AWARENESS

The Campus Safety and Security office provides security procedures and information during new student orientation at all three campuses. Security procedures and security information are also provided during SJR State's yearly faculty and staff orientation. Primary crime prevention and awareness programs, which promote awareness of rape (sexual battery), acquaintance rape, domestic violence, dating violence, sexual assault, and stalking, are offered to new students and new employees. The Campus Safety and Security Office, in conjunction with local law enforcement personnel, also offers crime prevention and safety/security awareness procedures programs, upon request, to students and employees. These programs are geared toward personal safety, theft prevention, CPR and automatic external defibrillator (AED) training. We also encourage both students and employees to be aware of their responsibility for their own security and the security of others.

When time is of the essence, concerning an immediate threat, information is released to the College community through the various SJR State Emergency Notification Systems.

SJR STATE COLLEGE ALCOHOL & DRUG NOTIFICATION

SJR State College is committed to providing an environment that enhances and supports student success. The academic community, including faculty, administrators, staff and students, has the collective responsibility to ensure that this environment is conducive to the student's development. Thus, in accordance with the Drug Free Schools and Communication Act Amendments of 1989, it is necessary to inform the College community of the harmful and addictive potential associated with the use of drugs, the incompatibility of illegal drugs with the educational mission of St. Johns River State College, and the consequences of the use, possession, manufacture or sale of such drugs.
