

STUDENT RIGHTS AND RESPONSIBILITIES

ST. JOHNS RIVER STATE COLLEGE

ACADEMIC FREEDOM AND RESPONSIBILITY

Students are expected to prefer fact to opinion and to commit themselves to genuine enlightenment rather than to inflexible adherence to limited knowledge. They are expected to assume full responsibility for their individual and collective actions and to participate seriously and purposefully in campus life. Consequently, violence, the threat of violence, disruption and intimidation are unacceptable to the academic community. Students are expected to examine critically, analyze and otherwise evaluate the College, its programs, policies and procedures utilizing processes which appeal to reason, and not to compromise the academic climate, mission, or integrity of the institution.

Academic work submitted by a student to his instructor is assumed to be the result of his or her own thought, research, or self-expression. Further, when a student borrows ideas, workings, or organizations from another source, he is expected to acknowledge that fact in an appropriate manner. Any student who is believed to be guilty of cheating or plagiarism will be reported to the Office of Student Affairs for disciplinary action. Those actions which are considered cheating, plagiarism, or academic dishonesty are defined in the Catalog/Student Handbook.

Students are free to take reasoned exception to data and views offered in the classroom and to reserve judgment about matters of opinion, but they are responsible for learning the content of any course for which they are enrolled.

The College shall, in all cases, preserve the rights and freedoms of students by observing, in full, the professional code of ethics as established in the College Catalog/Student Handbook.

The student is responsible for classroom behavior which is conducive to the educational process and for achieving standards of performance established by the instructor.

The instructor has final authority in all matters relating to course content, grading practices, and classroom procedure, consistent with the philosophy, purposes, and established policies of the College. A course grade is the final responsibility of the instructor. In the matter of grading it is therefore essential that each faculty member keep each student informed of his or her progress in a course.

COMMUNICATION MEDIA

All College published and financed student communication media shall explicitly follow the canons of responsible journalism such as the avoidance of libel, indecency, undocumented allegations, attacks on personal integrity, and techniques of harassment and innuendo. The College shall reserve the right to ensure free and responsible media through an educational process. All media are expected to observe the standards of their respective professions as well as those of established governmental bodies.

MAINTENANCE OF AND ACCESS TO STUDENT RECORDS

Any person who is enrolled, or who has been enrolled, in any instructional program or activity conducted under the authority and directions of SJR State has the right to access official records, files, and data directly related to that student.

Records may include, but are not necessarily limited to: identifying data; academic work completed; level of achievement records, including grades and test scores; attendance data; standardized intelligence, aptitude, and psychological test scores; interest inventory results; health data; family background information; teacher or counselor ratings and observations; verified reports of serious or recurrent behavior patterns; and any other knowledge or information recorded in any medium and maintained and used by or for the institution.

Records do not include:

(A) Records of instructional, supervisory, and administrative

personnel which records are in the sole possession of the maker and are not accessible or revealed to any other person except a substitute for any of such persons, i.e., an instructor's grade book.

(B) Records of law enforcement units of the institution which are maintained solely for law enforcement purposes and which are not available to persons other than officials of the institution or law enforcement officials of the same jurisdiction.

(C) Records made and maintained by the institution in the normal course of business which relate exclusively to the student in his or her capacity as an employee and which are not accessible for use for any other purpose.

(D) Records made by professionals acting in their professional capacity which are made and used in connection with provision of treatment to the student and which are not available to anyone other than the person providing treatment. However, such records shall be open to a physician or appropriate professional of the student's choice.

(E) Directory information. In accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA) as amended, commonly known as the Buckley Amendment, St. Johns River State College defines public or "directory information" as the following: Name, address, telephone listing, electronic mail address, photograph, date and place of birth, major field of study, dates of attendance, grade level, enrollment status (e.g., undergraduate or graduate, full-time or part-time), dates of attendance, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors, awards received and the most recent educational agency or institution attended.

Directory information, as defined by St. Johns River State College, may be released at the College's discretion, without the student's written consent (unless a request for nondisclosure has been received by the Registrar's Office within 15 days after the close of registration.) Nondisclosure shall remain in effect until the student gives written request to remove said nondisclosure to the Registrar's Office. Forms are available in the Registrar's Office.

Students requesting nondisclosure must consider the ramifications of nondisclosure prior to requesting nondisclosure. A nondisclosure request will prevent the College from responding to inquiries received from potential or current employers, any agency requesting verifications of enrollment (except as required under FERPA), publications (i.e., student directory), nominations for scholarships or national dean's lists, and other requests for directory information.

(F) Information which does not permit the personal identification of the student. Students and parents of students who are not yet 18 years of age or those students who are deemed dependents of such parents as defined in 26 U.S.C.S.152 (s.152 of the Internal Revenue Code of 1954) have the following rights of access:

1. Students have the right, upon request directed to appropriate school officials, to a list of the types of records directly related to students maintained by the institution which the student attends or has attended.
2. Students have the right, upon request, to be shown any record related to such student maintained by the school, and upon reasonable request, an explanation of the record.
3. Copies of the student's records shall be furnished upon request; the actual costs of copies may be charged.
4. The students, or in an appropriate circumstance, parents or guardians, have the right to waive access to confidential letters or statements of recommendation or evaluation only if:

- a. The students (parents) are, upon request, notified of the names of persons submitting confidential letters.
- b. Such letters and evaluations are used solely for their intended purpose.

ENROLLMENT VERIFICATIONS

St. Johns River State College (SJR State) has authorized the National Student Clearinghouse to provide enrollment verification certifications for our students through its web-based student self-service program. SJR State no longer provides student enrollment verifications directly.

Student self-service enables SJR State’s students to print official enrollment verification certifications on demand at no charge via our secure student portal.

Self-service enrollment verification certificates for the current term are available three (3) weeks after the term begins, 24 hours a day, 7 days a week.

Insurance providers, military ID issuing offices, or other businesses with questions should contact the Clearinghouse at (703) 742-4200.

You may want to include a copy of this procedure to the agency/ person requesting your enrollment verification certificate to notify them of the process that SJR State is using to provide this information. To access your enrollment verification certificate:

1. Log into MySJRstate. First time users of MySJRstate will need to click on the User Acceptance Policy and will be required to enter their generated student ID number and other personal information in order to obtain a username and password.
2. Once you are logged in, click on the Enrollment Verification link located in the Web Services box on the Student tab.
3. You will be directed to the National Student Clearinghouse where you will have to submit information such as your name, date of birth, and social security number.
4. Once you are logged in, you will have to choose either current enrollment or all enrollment and click on the Obtain an enrollment certificate link. This will give you a printable enrollment verification certificate.

ANNUAL NOTIFICATION OF RIGHTS UNDER FERPA

Students have certain rights regarding access to their own educational records and the disclosure of information from those records to others. The rights of SJR State students are specified and protected in the District Board of Trustees Rule 6.28.

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution. These rights include:

The right to inspect and review the student’s education records within 45 days of the day the St. Johns River State College receives a request for access. A student should submit to the director, registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The St. Johns River State College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the St. Johns River State College official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

The right to request the amendment of the student’s education records that the student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. A student who wishes to ask the College to amend a record should write the St. Johns River State College official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the College decides not to amend the record as requested, the College will notify the student in

writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

The right to provide written consent before St. Johns River State College discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent. The College discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by St. Johns River State College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A College official also may include a volunteer or contractor outside of SJR State who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII for education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for St. Johns River State College. Upon request, St. Johns River State College also discloses education records without consent, to officials of another school in which a student seeks or intends to enroll.

Students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by St. Johns River State College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

The election to be excluded from the directory shall remain in effect until the Registrar’s Office is notified in writing.

RIGHTS TO CHALLENGE AND HEARING

Students (parents) have the right to challenge the content of any record to which they are granted access under paragraph one in order to ensure accuracy, privacy, and other rights. Any challenge

may be settled through informal meetings between the parents, guardian, or students and the appropriate college official. If an agreement cannot be reached informally, a hearing shall be held in accordance with the Rules of the State Board of Education.

RIGHT OF PRIVACY

Every student has the right to privacy for educational records kept on him or her. Personally identifiable records of students are confidential and are exempt from the provisions of section 119.07(1) Florida Statutes (which permits access to public records). The College shall not permit the release of records without the written consent of the student (or parent/guardian if appropriate).

Personally identifiable information may be released without the student’s or parent’s/guardian’s consent to the following persons or organizations:

1. Officials of schools where student intends to enroll.

11. A contractor, consultant, volunteer, or other party to whom an agency or institution has outsourced institutional services or functions may be considered a school official under this paragraph, provided that the outside party:
 - a. Performs an institutional service or function for which the agency or institution would otherwise use employees.
 - b. Is under the direct control of the agency or institution with respect to the use and maintenance of education records.

Consents for disclosure must be signed, dated, and shall specify the records to be disclosed and to whom the disclosure should be made.

2. The Office of Student Affairs may conduct an investigation to determine if the charges have merit and/or if they can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to the Office of Student Affairs, or may refer the matter to a judicial advisor who will conduct the investigation of the charges to determine if they have merit and can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to the Office of Student Affairs. Such disposition shall be final and there shall be no subsequent proceedings. If the charges cannot be disposed of by mutual consent, the judicial advisor may later serve in the same matter as the judicial body or a member thereof.
3. All charges shall be presented to the accused student in written form. A time shall be set for a hearing, not less than five (5) nor more than fifteen (15) class days after the student has been notified.  - g. All procedural questions are subject to the final decision of the judicial body chairperson.
 - h. After the hearing, the judicial body shall determine by majority vote if the judicial body consists of more than one (1) person whether the student has violated each section of the Student Code which the student is charged with violating.
 - i. The judicial body's determination shall be made on the basis of whether it is more likely than not that the accused student violated the Student Code.

 6. Except in the case of a student charged with failing to obey the summons of a judicial body or College official, no student may be found to have violated the Student Code solely because the student failed to appear before a judicial body. In all cases the evidence in support of the charges shall be presented and considered.

1. The following sanctions may be imposed upon any student found to have violated the Student Code of Conduct:
 - a. Warning--A notice in writing to the student that the student is violating or has violated institutional regulations.

 - h. College Expulsion--Permanent separation of the student from the College.
 - i. Permanent removal of student organization from College.
 2. More than one of the sanctions listed above may be imposed for any single violation.

Upon graduation, the student's confidential record may be expunged of disciplinary actions upon application to the judicial advisor.
4. The following sanctions may be imposed upon groups or organizations:
 - a. Those sanctions listed above in Section B1, a through e.

Following the hearing, the judicial body and the Judicial Advisor shall advise the accused in writing of its determination and of the sanction(s) imposed, if any.

1. Interim suspension may be imposed only:
 - a. to ensure the safety and well-being of members of the College community or preservation of College property;
 - b. to ensure the student's own physical or emotional safety and well-being; or
 - c. if the party poses a definite threat of disruption of or interference with the normal operations of the College.
 2. During the interim suspension, parties shall be denied access to the campus (including classes) and/or all other College activities or privileges for which the student might otherwise be eligible, as the Office of Student Affairs or the judicial advisor may determine to be appropriate.
- (D) Appeals
1. A decision reached by the judicial body or a sanction imposed by the judicial advisor may be appealed by accused students, complainants or student organizations to an appellate board within five (5) school days of the decision. Such appeals shall be in writing and shall be delivered to the Office of Student Affairs or his/her designee.
 2. Except as required to explain the basis of new evidence, an appeal shall be limited to review of the verbatim record of the initial hearing and supporting documents for one or more of the following purposes:
 - a. To determine whether the original hearing was conducted fairly in light of the charges and evidence presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and present evidence that the Student Code was violated, and giving the accused party a reasonable opportunity to prepare and present a rebuttal of those allegations.
 - b. To determine whether the decision reached regarding the accused party was based on substantial evidence, that is, whether the facts in the case were sufficient to establish that a violation of the Student Code occurred.
 - c. To determine whether the sanction(s) imposed were appropriate for the violation of the Student Code which the party was found to have committed.

- d. To consider new evidence, sufficient to alter a decision, or other relevant facts not brought out in the original hearing, because such evidence and/or facts were not known to the person appealing at the time of the original hearing.
3. If an appeal is upheld by the appellate board, the matter shall be remanded to the original judicial body and judicial advisor for re-opening of the hearing to allow reconsideration of the original determination and/or sanction(s).
4. In cases involving appeals by parties accused of violating the Student Code, review of the sanction imposed by the appellate board may result in concurrence of the existing sanction, reduction of the existing sanction, elimination of the existing sanction, or revision of the existing sanction.

Article V: Interpretation and Revision

- (A) Any question of interpretation regarding the Student Code shall be referred to the Office of Student Affairs for final determination.
- (B) The Student Code shall be reviewed every two (2) years under the direction of the judicial advisor.

Students are expected to take reasonable care of the classrooms, student centers, and other facilities of the three SJR State centers. Students who abuse property or facilities will be reported to the Office of Student Affairs for disciplinary action.

STUDENT COMPLAINT PROCESS

Federal regulations and State laws require that public colleges in the Florida College System have processes for students, employees, and applicants to file complaints against any respective college. In almost every situation, the college's process for resolving complaints must be followed first. Before contacting the State Division of Florida Colleges, please read SJR State's policies and procedures for filing complaints which may be found in the Catalog/Student Handbook on page 32. If you wish to file a complaint with the Florida Department of Education, please visit their website at fldoe.org/schools/higher-ed/fl-college-system/about-us/complaints.shtml.

Complaints may also be filed with our accrediting agency, the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) using its complaint procedures found on their website at sacscoc.org/app/uploads/2020/01/ComplaintPolicy-1.pdf.
