

STUDENT SERVICES

ST. JOHNS RIVER STATE COLLEGE

ACADEMIC ADVISING SERVICES

Academic Advising services are available on each campus for current and prospective students. Academic advisors provide individual advising as well as initial group advising sessions for all new degree seeking students. All First Time in College (FTIC) students are assigned to an advisor on their home campus and we encourage all students to meet with their advisor on a regular basis.

Students may schedule an appointment with their advisor or drop-in to have a quick question answered. We recommend scheduling an appointment for students who need to review graduation requirements, participate in career counseling, discuss academic program planning and/or change programs, discuss transitioning to a baccalaureate program, complete Financial Aid Satisfactory Academic Progress (SAP) appeals, or who have in-depth questions regarding a policy or process at SJR State.

Students are encouraged to meet with their advisor throughout their academic career at SJR state. Advising opportunities from admission to graduation include the following milestones:

- Mandatory initial academic advising prior to first term enrollment.
- New freshmen are encouraged to meet with their assigned advisor during their first term of enrollment.
- Students pursuing limited access A.S. degrees will receive a hold after completing 15-credit hours. Students must attend a special program meeting to remove the hold in order to register for future courses.
- Students pursuing the A.A. degree, non-limited access A.S. degrees or certain college credit certificates will receive a hold after completing 30-credit hours. Students must meet with their advisor to remove the hold in order to register for future courses.
- Students are encouraged to meet with an advisor the term prior to graduation. In addition to completing all degree requirements, students are responsible for the graduation application, paying all associated fees and meeting the graduation application deadline.

Academic advising staff is dedicated to providing students with quality academic support services that involve timely and accurate academic advising, career counseling, services for students with disabilities and appropriate referrals as needed.
