CAREER AND TECHNICAL CERTIFICATE

POST SECONDARY JOB TRAINING

St. Johns River State College offers several postsecondary training programs that prepare students for entry into a given career or vocation. Each of the following programs prepares students for a specific occupation or one of a cluster of related occupations:

- Correctional Officer
- Cross-Over Training to Florida Law Enforcement Academy
- Correctional Probation Officer
- Cross-Over Training to Florida Corrections Academy
- Cross-Over Training to Florida Law Enforcement Academy
- Florida Corrections Officer Academy
- Florida Law Enforcement Officer Academy
- Law Enforcement Officer
- Cross-Over Training to Florida CMS Correctional Basic Recruit Training Program
- Nursing Assistant
- Phlebotomist
- Practical Nursing

To complete a program, students must demonstrate that they have mastered specific job-related performance requirements. These are not college credit programs. Students who complete these programs will earn vocational credit.

Corequisites, prerequisites, and advisor recommended courses such as SLS 1101 and REA 1105 may be considered a “part” of the program of study even though the courses may not be listed in the program description in the catalog. Corequisites and prerequisites may be required to advance to the next academic level, and SLS 1101 and/or REA 1105 may be needed to better assure academic success.

ENROLLMENT VERIFICATION

Students requesting enrollment certification for educational benefits must be admitted to and be enrolled in a vocational program. The minimum attendance requirement may vary by program and agency.

ADMISSION

A Career and Technical Certificate (CTC) prepares students for entry into a given career or vocation. To be admitted to SJR State as a Career and Technical Certificate seeking student, an applicant must meet the following requirements:

1. Be at least 16 years of age; furnish proof if asked;
2. Submit a completed SJR State application and, unless waived or exempt, the application fee;
3. Submit application for appropriate CTC program;
4. Complete admissions testing, if required; and
5. If required, one of the following:
   - copy of a standard high school diploma; or
   - a high school diploma through any State Department of Education based on performance on the General Education Development (GED) test, provided the test was administered in English; or
