NOTE: An individual who has been involved in a criminal proceeding or who has been charged with or convicted of a crime should file a pre-application with the ARRT in order to obtain a ruling on the impact of the situation on their eligibility for certification and registration. A charge or conviction of, plea of guilty to, or a plea of nolo contendere (no contest) to an offense which is classified as a misdemeanor or felony constitutes a conviction for ARRT purposes. This includes situations in which the result is deferred or withheld adjudication, or suspended or withheld sentence. For further information contact the American Registry of Radiologic Technologists, 1255 Northland Drive, St. Paul, MN 55120 Telephone (651) 687-0048 Ext 8580 and ask about a pre-certification ethics review.

Have you ever been convicted of a crime (other than minor traffic violation not involving alcohol/drugs?). __ Yes __ No

If you marked yes to the previous question, have you confirmed with the ARRT that you will be eligible to take the certification exam? __ Yes __ No

Each candidate must satisfy the following requirements to be considered for admission to the Radiologic Technology Program:
(Please check all that apply)

- I have completed the application process to St. Johns River State College.
- I have achieved satisfactory scores on college placement tests or have completed all college preparatory courses.
- I have or will complete the 8 pre-requisite courses by the end of the Spring semester 2019 with grades of "C" or better.

NOTE: This application is good for year of application only and must be resubmitted each year. Falsification of any part of this form will be grounds for denial of admission
