Weather should cooperate with SJR State tournament

All signs point to good weather and one of the largest scrambles in several months as the St. Johns River State College Athletic Association rolls out its annual fundraiser Saturday at the Municipal course

On the receiving end of proceeds from this event will be the Viking baseball, volleyball and softball programs and the young men and women who participate in SJRSC sports.

Undeniably a good cause, there's still an added bonus for competitors, who are expected to form a field of around 20 teams Saturday morning. Cash prizes

will be awarded to both gross and net teams, as champs in both gross and net divisions go home with \$400. There's also \$50 for both the Long Drive champ on No. 9, plus and winners of closest to the pin on all par 3s.

Cost is \$250 per foursome, or \$62.50 per player. For more information, call the SJRSC Athletic Association at (386) 312-4162...
