Special to the Daily News

St. Johns River State College infielder Chase Malloy was named the 2020 recipient of the John C. Tindall Endowed Scholarship.

Malloy is a sophomore from Trenton.

Ross Jones, SJR State's head baseball coach and athletic director, called Malloy the team's leader on and off the field. "His work ethic and character are among the best of any baseball player whom I've had the pleasure to be around in my 28 years in coaching," he said. "Chase Malloy very simply exemplifies what every college coach wants in his players, and Chase is the perfect Viking to win the John Tindall endowed scholarship."

As a freshman, Malloy played in 42 games, starting 33 of those. He had a batting average of .250 and an on-base percent-

age of .342. Chase was 8 for 8 in stolen bases and scored 22 runs.

In his 42 games played, Malloy committed only five

errors leading to a .971 fielding percentage.

In the classroom, Chase has excelled as well. He was named

to the Mid-Florida Conference All-Academic Team, the FCSAA All-Academic Team and he was named an NJCAA Academic All-American. He was selected by Who's Who Among American College and Universities and was recently named by the Florida College System as one of the top 50 college scholar athletes in the state.

The criteria for the Tindall scholarship include exemplary work ethic and leadership, as well as quality performance in the classroom and on the field.

The scholarship was established in 2011 in honor of former coach John Tindall, who devoted 30 years to coaching the Vikings through 591 wins and nine Region VIII tournament appearances, placing him in the nation's top 10 for career wins at the time of his retirement in 1993.
