COUNSELING AND ACADEMIC ADVISING

Counseling and advising services are available on each campus for students and prospective students. Counselors and advisors are available to work individually and/or in groups with students requesting academic advising, career counseling, vocational and personality assessments, disability services, and referrals to community resources.

The SJR State counselors and advisors are dedicated to providing students with quality academic support services. These services include timely and effective delivery of academic advising, new student orientation, career counseling, disability services and college-wide testing.

EXCESS HOURS ADVISORY

It is important that students, including those entering the Florida College System institutions, are aware of a state provision that affects tuition charges for students who plan to eventually transfer to a state university for their baccalaureate degree. Section 1009.286, Florida Statutes, establishes an “excess hour” surcharge for students seeking baccalaureate degrees at state universities. Effective 2013-2014 academic year and after “excess hours” are defined as hours that go beyond 110% of the hours required for a baccalaureate degree program. For example, if the program requires 120 credit hours, the student may be subject to an excess hour surcharge for any credit attempted beyond 132 credit hours (110% x 120).

All students whose educational plan may include earning a baccalaureate degree should make every effort to enroll in and successfully complete those courses that are required for their intended major on their first attempt. Florida College System students intending to transfer to state universities should identify a major or “transfer program” early and by the time the students earns 30 semester hours of college credit, be advised of admission requirement for that program, including the approved common prerequisites. Course withdrawals and or/ repeats, as well as enrollment in courses nonessential to the intended major, may contribute to a potential excess hours surcharge.

All SJR State College students are required to meet with an advisor once the student has completed 30 college credits. The advisors will counsel students on their academic plan to help ensure enrollment only in courses needed for the major or transfer program so that additional costs may be avoided when transferring to a state university.

OFFICE OF ACADEMIC SUCCESS AND TESTING

The Office of Academic Success and Student Retention assists students by providing resources to help them attain maximum success. Students who need assistance with time management, study skills, and test anxiety, or who are on academic probation or suspension, are encouraged to contact the Office of Academic Success and Student Retention to develop individualized programs for study and be connected with out-of-the-classroom resources.

The office also provides testing and proctoring services to students requiring admissions testing for limited access programs, Ready to Work assessments for certification, and long distance proctored testing. Students may check SJR State’s website for HESI and BAT testing dates and for HESI reading and mathematics workshops. Ready to Work assessments and proctored testing are available by appointment only. Students may call 386-312-4228 to schedule appointments.

Most importantly, the new options allow students to receive their refunds for free and in a faster, more secure manner.

AUTOMATIC PAYMENT PLAN

St. Johns River State College offers a Tuition Installment Plan (TIP) for all students requiring assistance with managing their educational expenses. The TIP program will allow students to pay for tuition and fee expenses over a period of time rather than one lump sum payment before the start of the semester. The College has contracted with Nelnet Business Solutions to administer this program. This company will be responsible for the enrollment, as well as receiving the monthly payments. Enrollment to the payment plan can be completed via the SJR State website (SJRstate.edu) by logging on to the My SJRstate account. Under the student drop down box, choose “Optional Payment Plan.” A new window will open. Choose the term, and click on the e-Cashier logo and follow steps. Students needing additional information should contact the St. Johns River State College Business Office at 386-312-4117.

RISKS ASSOCIATED WITH DRUGS

The use of illicit drugs and the abuse of alcohol pose serious risks to one’s health. Information regarding the possible side effects associated with the use and abuse of alcohol and certain drugs is available at any of the College counseling centers. Almost all of these effects include the symptoms of dilated pupils, elevated body temperature, increased heart rate, increased blood pressure, impairment of judgment and mental functions, and loss of control and coordination. If ingested by a pregnant woman or nursing mother, all of these drugs pose serious risks to the health of fetuses and nursing infants, up to and including death.

LOST AND FOUND

VENDING MACHINE REIMBURSEMENT

2. Student Activities Coordinator completes the Vending Machine Reimbursement Form and records on the reimbursement form the machine type (snack or drink), and the machine number.
3. The Student Activities Coordinator requests the student to sign the reimbursement form.
4. The Student Activities Coordinator will then sign for approval on the appropriate line.
5. The Student Activities Coordinator sends the student to the Business Office switchboard operator with the form to process reimbursement.
6. The Student Activities Coordinator will immediately place an “Out of Order” sign on the machine that is defective.

LEARNING LABS, OPEN COMPUTER LABS, AND TUTORING CENTERS

The learning labs, open computer labs, and tutoring centers located on each campus are among the resources available to SJR State students. There students can work on computers to write papers for any class or use computer assisted instruction software for practice in composition,
math, reading, typing, vocabulary, chemistry, statistics, beginning algebra, college algebra, and astronomy. New times are posted on the door and online at the beginning of each term.

The learning and open computer labs are open to all students during the open hours and are located in Orange Park in A-47 and the library; in Palatka in S-207 and the library; and in St. Augustine in the library. The tutoring center is located in Orange Park in A46; in Palatka in T-112; and in St. Augustine in L-111.

STUDENT ORIENTATION AND REGISTRATION
First time SJR State students are required to attend new student academic orientation prior to enrolling in their first term at SJR State. Student orientation programs for freshman, transfer and dual-enrollment students entering in the fall are scheduled throughout the summer prior to fall registration. For students planning to enter in the spring or summer semesters, academic orientations are offered prior to the spring and summer registration dates. Special arrangements may be made for students unable to attend orientation (e.g., out-of-state/country students) by contacting the local campus counseling office.

It is the student’s responsibility to furnish all required admission documents. The admission file is not complete until all documents have been received. Students with incomplete admission files may not be allowed to register. All registration dates and times are publicized well in advance of the beginning of the term. Students should complete all admission requirements prior to that time. Students must officially register each term.

Registration is by appointment (time ticket) only. Students may view their time tickets by logging onto the My SJRstate portal on the Student Tab under Quick Links. The schedule is available at the College’s website (SJRstate.edu). Time tickets are determined by the number of earned college credits. New students as defined above must attend academic orientation prior to receiving a time ticket. Students who have attained 15 or 30 credit hours must see a counselor prior to receiving a registration time ticket. Students preparing for admission into limited access Associate in Science degree programs have hold on registration once 15 credit hours are earned and must attend a health program meeting prior to receiving a registration time ticket. Students may contact the Department of Workforce Services (386) 312-4259.

P.E.R.T. TESTING
All new students are strongly encouraged to have placement test scores regardless of whether they are required. Test scores assist counselors and advisors in making the best possible initial placement recommendations for student success. Students are responsible for the enrollment choices they make, so excellent initial placement recommendations are important.

First-time-in-college non-exempt students who intend to enroll in college credit classes must have current test scores.

- Non-exempt students whose test scores are more than two years old and who have not completed their initial placement in English and/or mathematics must test.
- Non-exempt students whose ACT, SAT, ACCUPLACER scores are below college-level must test.

All students, including exempt students, who wish to test are invited and encouraged to do so. While there is no limit to the number of times a student may test, there is a $20.00 retest fee. There is no charge for the first test. Students who have already satisfactorily completed initial placement coursework in English and mathematics are not required to test. Counseling secretaries will assist students in determining the need for test scores and scheduling tests if required or desired.

COLLEGE TESTING
Testing for admission to special programs is administered through the Office of Testing and Academic Success. Students must schedule an appointment, and seating is limited. Check the College’s website for specific dates. Additionally, appointments for proctoring of distance learning exams from other institutions and for institutional exams are scheduled through the Office of Testing and Academic Success. Each exam requires an administrative fee.

CALCULATION OF GRADE POINT AVERAGE
A student’s academic standing is determined by grade point average or GPA. Letters are used to indicate the quality of work achieved by students. Each grade is assigned a point value:

- A = 4 points
- B = 3 points
- C = 2 points

College preparatory courses do not count in the calculation of the grade point average or GPA. To compute the grade point average (GPA), multiply the credit value of each course by the point value of the grade received. Divide the result by the total number of credit hours attempted.

GRADUATION CEREMONY
The college holds two graduation ceremonies, one at the end of each spring and fall term. Degree/certificate candidates are encouraged to participate in the exercise. Degree/certificate recipients may participate in the graduation exercises by notifying the Records Office and purchasing a cap and gown by the date specified in the academic calendar. Also, degree/certificate candidates must submit a graduation application by the date specified in the academic calendar.

Graduates from Florida School of the Arts have their own graduation ceremony, which truly reflects the artistic nature of the school. Participation in the annual June ceremony is required of graduating students. Candidates must also satisfy all financial obligations to the College.

STEPS TO APPLY FOR GRADUATION/DEGREE CONFERRAL
1. Review catalog, A.A. checklist, or contact a counselor to make sure you have met all requirements.
2. Complete graduation application by deadline in the academic calendar.
   - If you fail to apply by the deadline, you may be required to file a petition in order to graduate.
   - Applications submitted after the end of term will be processed for the next term’s graduation.
You will be notified in writing after the end of the term with the conferral decision.

3. If you want to participate in the annual graduation ceremony, order a cap and gown at the campus bookstore by the deadline in the College Academic Calendar.

ORGANIZING A NEW CLUB OR ORGANIZATION

Students are encouraged to organize and/or join associations or clubs that promote a free society, pursue scholarly interests, and/or promote the interests of St. Johns River State College. All student associations or clubs must include an anti-hazing policy in its bylaws and must be democratically operated. The procedures for establishing a new association or club are available from the Vice President for Student Affairs/Assistant General Counsel and the Student Handbook. Memberships in any organizations or clubs shall be open to all students without respect to race, creed, sex, disability, or national origin.

The following steps are to be taken when forming a new organization:

1. Secure a faculty member who is willing to serve as a sponsor.
2. Obtain temporary approval from the Vice President for Student Affairs/Assistant General Counsel to develop a constitution or body of governing rules.
3. Present the constitution or body of governing rules to the Student Government Association (SGA) and seek the recommendations for approval from the group.

The SGA makes recommendations to the Vice President for Student Affairs/Assistant General Counsel, who in turn presents written recommendations to the President of the College. The President has final authority in the authorization to operate as an approved student club or organization on campus. Approval may be withdrawn by the Vice President for Student Affairs/Assistant General Counsel or the President.

Students are urged to participate in student activities that encourage the development of leadership, personal growth, and school spirit. Some of these organizations are a portion of class activities; others have been chartered by the SGA, but may be inactive during some years.

Student Government Association (Palatka, Orange Park, and St. Augustine)

All registered students of SJR State are represented by the Student Government Association (SGA) and are governed by its constitution. SGA sponsors dances, movies, barbecues, and a variety of campus events. Students have access to the policy-making bodies of the College primarily through the Student Government Association, whose meetings are open to all students and faculty of SJR State. Students can also bring issues to the attention of the SGA members; after discussion, the chairperson or sponsor of SGA can take the concern or issue to the Vice President for Student Affairs/Assistant General Counsel or directly to the President, either of whom may then take the issue in recommended policy form to the Board of Trustees for approval.

Phi Theta Kappa (Palatka, Orange Park, St. Augustine)

Membership for this community college scholastic honorary society for men and women is by invitation. The Palatka Campus chapter is named Chi Tau; the Orange Park chapter is Alpha Epsilon Lambda; and the St. Augustine chapter is Alpha Xi Eta. Several scholarships are available to members for senior universities. Students must have an acceptable G.P.A.

OFFICIAL CALENDAR OF EVENTS

All extracurricular campus activities must have the approval of the Vice President for Student Affairs/Assistant General Counsel. Organizations wishing to place an activity on the calendar must request approval no later than 10 days prior to the event. Once the activity has been posted on the official calendar, only the advisor and/or Vice President for Student Affairs/Assistant General Counsel of the sponsoring group may authorize removal or change. In the event of a conflict on dates and facilities use, all persons involved will be contacted in an attempt to effect a change of dates.

ANTI-HAZING POLICY

The District Board of Trustees of St. Johns River State College prohibits hazing by any student or student organization. As used in this rule, “hazing” means any action or situation that recklessly or intentionally endangers the mental or physical health or safety of a student for the purpose of initiation or admission into, or affiliation with, any organization operating under the sanction of the College. This includes, but is not limited to, any brutality of a physical nature, such as whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of any food, liquor, drug, or other substance, or other forced physical activity which could adversely affect the physical health or safety of the student, and also includes any activity which would subject the student to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct which could result in extreme embarrassment, or other forced activity which could adversely affect the mental health or dignity of the student.

Student(s) or student organizations convicted of hazing are subject to significant penalties which may include the imposition of fines; the withholding of diplomas or transcripts; and the imposition of probation, suspension, or dismissal. In the case of an organization at St. Johns River State College which authorizes hazing in blatant disregard of such rules, penalties may also include rescission of permission for that organization to operate on campus property or to otherwise operate under the sanction of the institution.

All penalties imposed by this rule shall be in addition to any penalty imposed for violation of any of the criminal laws of the State of Florida or for violation of any other rule of the institution to which the violator(s) may be subject.

This anti-hazing policy shall apply to acts conducted on or off the St. Johns River State College campuses or sites, and this anti-hazing policy will be included in the bylaws of each student organization.

STUDENTS CALLED TO ACTIVE MILITARY DUTY

Any student enrolled at St. Johns River State College who is called to, or enlists in, active military service in service to the United States of America shall not incur academic or financial penalties. Such student shall be permitted the option of either completing the course or courses in which he or she is enrolled at a later date without penalty or withdrawing from the course or courses with a full refund of fees paid. If the student withdraws from the course or courses, the students’ records shall indicate that the withdrawal is due to active military service.

STUDENT OMBUDSMAN

The District Board of Trustees appoints the Vice President of Student Affairs/Assistant General Counsel as the Student Ombudsman on the St. Augustine, Palatka, and Orange Park Campuses. The Student Ombudsman, in his/her role as Student Ombudsman, will serve as the students’ advocate with regard to a student’s access to courses and credit granted toward a degree. A student with concerns about course access and credit toward the degree should report such concerns directly to the Student Ombudsman either in writing or by email, and the Student Ombudsman will respond to the student’s concerns as soon as possible. Should the situation or concern require investigation and research, the Student Ombudsman will serve as the student’s representative before faculty, staff and the College administration.

FIELD TRIPS

Field trips in which students are not actively participating in a contest or event are limited to one hundred (100) miles.

DUAL ENROLLMENT POLICIES

SJR State Dual Enrollment students are simultaneously enrolled in both high school and college courses. The depth, breadth, rigor, and pace of college courses will be at the college level. While appropriate for college-level study, course materials and class discussions may reflect topics not typically included in secondary high school curriculum. Dual Enrollment students who attend classes on SJR State's campuses or online will be interacting with non-high school students of a variety of ages and backgrounds. By enrolling in Dual Enrollment, students have agreed to abide by all SJR State policies and procedures as published. SJR State Dual Enrollment students are responsible for completing the appropriate college forms and meeting college established deadlines for withdrawal. College credits earned in Dual Enrollment will be a part of the student's permanent college and high school transcript. Students may not repeat dual enrollment courses in which they receive a “W,” “D,” or “F” until after high school graduation, and students cannot re-take classes in which a grade of “C” or higher has been earned. Performance in dual enrollment courses may affect subsequent postsecondary admission, financial aid, and Bright Futures eligibility.

STUDENTS WITH DISABILITIES

Students with disabilities are welcome at SJR State and are encouraged to contact the Counseling Center on their campus. The disability coordinators are located in the Counseling Office on the Orange Park, Palatka, and St. Augustine campuses.

The purpose of the counseling office and the disability coordinators is to ensure access to accommodations for those students determined eligible. Students must report to campus disabilities coordinators at the beginning of each semester. Special assistance is available with academic orientation, registration, academic planning, special supplies, and equipment. In addition, specialized services are available to students whose disability prevents them from participating fully in classroom activities. The College provides services relating to student academic success; transportation and personal services are the responsibility of the student.

Admissions, Substitutions, and Services for Students with Disabilities

In conformance with the regulations of the Americans with Disabilities Act of 1990 (ADA), Section 504 of the Rehabilitation Act of 1973, FS 1007.02 (the ENNOBLES Act, FS 1007.264, and FS 1007.265, St. Johns River State College will make reasonable modifications to its policies and practices and will provide certain individualized services and accommodations as needed to assure nondiscrimination on the basis of a disability. SJR State has policies and procedures in place for providing reasonable substitutions for eligible students as required by Sections 1007.264 and 1007.265, FS. If appropriate documentation substantiates that a disability can be reasonably expected to prevent the individual from meeting requirements for admission to the institution, admission to a program of study or graduation, a substitution may be granted. Pertinent educational records may be reviewed prior to granting a substitution. The College is not required to lower or waive essential requirements.

Determining Eligibility

In order to receive services, a student must register with the Counseling Center and meet with the disability coordinator. The coordinator will request a reasonable level of documentation to establish the disability exists, understand its impact on the student's ability to meet admission or graduation requirements, develop appropriate accommodations and forward those accommodations to appropriate faculty members if requested.

SUBSTITUTION REQUEST BASED ON DISABILITY

A. An eligible student requesting approval for substitution of one or
more course requirements must petition, in writing, and provide documenta-
tion for such substitution. The student must meet with his or her
campus disabilities coordinator, who will then forward the substitu-
tion request to the Director of Counseling and Academic Advising. The Direc-
tor will then review the documentation.

The substitution packet should minimally include all of the following:

1) Identification of the specific course requirements for which the
substitution is requested;

2) Documentation of the disability that is sufficient to describe
how the condition impacts the student at the current time and in the cur-
rent circumstances;

3) Documentation that failure to meet the requirement(s) for
which the substitution is requested is related to the disability;

4) A reason for the course substitution from the disabilities coor-
dinator; and

5) A copy of all transcripts/compliance.

B. The completed package should be submitted to the director of
Counseling and Academic Advising, who will then review and approve
the request and forward the request to the appropriate vice president.

C. The appropriate vice president will review the request and com-
unicate his/her decision, in writing, to the student and disability coor-
dinator. The letter shall include the rationale for the decision and in cases
where a substitution is approved, specification of the substitution to the
student and appropriate college personnel within five (5) business days of
the decision.

D. The College will accept substitutions granted by other Florida
public colleges and schools. Substitutions granted by other postsecond-
ary institutions will be evaluated on an individual basis. Documentation
should be requested by the transferring student and sent from the grant-
ing institution.

**DUE PROCESS**

A student denied substitution of one or more course requirements
may appeal the decision within ten (10) days, in writing, to the Vice Presi-
dent for Student Affairs/Assistant General Counsel, who will submit the
appeal to the Petitions Committee utilizing the current petitions process.

**POLICY STATEMENT FOR RELIGIOUS OBSERVANCE**

Any student who wishes to observe a religious holiday not in the of-
official academic calendar may do so without penalty. However, the student
must follow proper procedures. These procedures require the student to
inform his or her instructor or instructors one week in advance of the
religious holiday or holidays and make up any required work, including
tests, within one week of the absence for the holiday or holidays. In the
case of admissions criteria or other College mandated functions which may be
missed because of the observance of the religious holiday or holidays, the
student should contact the Vice President of Student Affairs/Assistant
General Counsel or his or her designate to make appropriate alternate ar-
rangements.

If a student believes that he or she has been unreasonably denied an
educational benefit due to his or her religious beliefs or practices, the stu-
dent may seek redress through the College Equity Grievance Committee.

**GRIEVANCES AND DISCIPLINARY PROCEDURES**

As required by FS 1001.65(22) and FS 1006.62, the Board of Trust-
ees vests with the College President the authority, after notice to the stu-
dent of the charges and after a hearing thereon, to expel, suspend, or
otherwise discipline any student who is found to have violated any law,
ordinance, or rule or regulation of the State Board of Education or of the
Board of Trustees.

In all student grievance and disciplinary proceedings, the decision of
the College President is final and without recourse. Any student who has a
grievance against the College should first contact the Vice President for
Student Affairs/Assistant General Counsel, St. Johns River State College,
5001 St. Johns Avenue, Palatka, FL 32177, telephone (386) 312-4127,
for appropriate procedures. Four committees address student grievances:
The Academic Petitions - Grade Appeals Committee, for admission
and grade appeal, acting within established rules and College policy,
makes recommendations to the President concerning student petitions
involving grades. Its membership is composed of faculty members and
administrators. The President’s decision is final.

The Academic Petitions - Admissions Committee meets at the request
of the chairman relative to new student admissions, or non-degree, non-
high school graduates with fifteen (15) hours attempted. The cases con-
sidered will only be the exceptions to established policies of admissions/
registration for course work and/or college credit programs. The commit-
tee is composed of the Vice President for Student Affairs, the Director
of Admissions and Records, the Vice President for Academic Affairs, a coun-
selor and a faculty member, depending on the program of the student.

The Traffic Appeals Committee hears appeals from students in refer-
ce to traffic citations and fines. The committee is composed of three
faculty members and two students. The decision of the committee is final.

The Disciplinary Committee is appointed by, and meets at the re-
quest of, the Vice President for Student Affairs/Assistant General Counsel
relative to alleged student behavior serious enough to warrant, if verified,
a penalty of probation, suspension, dismissal, or denial of re-enrollment
against the student. The committee acts in accordance with procedures
set forth in the disciplinary provisions contained in the student hand-
book. The decision of the committee is final.

The College Equity Grievance Committee is organized in compli-
ance with the provisions of Title IX of the Education Amendments of
1972, as amended and as prescribed by the Administrative Procedure Act,
Chapter 120, FS. The committee hears student, prospective student, and
prospective employee grievances alleging discrimination on the basis of
race, ethnicity, color, national origin, marital status, religion, age, gender,
genetic information, or disability on the part of the College or any of its
components. This committee is selected as needed.

**GRIEVANCE PROCEDURES**

Grievance procedures for students, prospective students, and employ-
ment applicants for complaints relating to discrimination on the basis of
race, ethnicity, color, national origin, marital status, religion, age, gender,
genetic information, or disability are as follows:

A. Authority
This grievance procedure is established and adopted by the Board of
Trustees of St. Johns River State College in compliance with the provi-
sions of Title IX of the Education Amendments of 1972, as amended and
as prescribed by the Administrative Procedure Act, Chapter 120, F.S.

B. Purpose
This grievance procedure is intended to provide for prompt and eq-
uitable resolution of complaints by students, prospective students, and
prospective employees of St. Johns River State College alleging actions
constituting discrimination on the basis of race, ethnicity, color, national
origin, marital status, religion, age, gender, genetic information, or dis-
ability, on the part of the College or any of its components.

C. Filing of Grievance
1. Any student, prospective student, or prospective employee of the
College may file a grievance when he or she believes a discriminatory ac-
tion has been taken by the College. The complaint should be filed by the aggrieved person within sixty (60) working days following the incident which causes the aggrieved to feel that a grievance should be filed.

2. The administration of the College assures prompt and impartial investigation and consideration of all complaints and/or grievances, whether formal or informal, verbal or written, that any student, prospective student or prospective employee may have and that are communicated in accordance with these grievance procedures.

3. A formal grievance must be submitted in writing to the Equity/Title IX Coordinator. The complaint must recite in detail the nature of and circumstances surrounding the alleged discriminatory act, the provisions of law, College policy, or other regulation violated by the action, the employees or components of the College allegedly responsible for the action, and the relief sought by the complainant. The complainant shall attach to the complaint any documented evidence, affidavits, statements, records, or other pertinent materials. The complainant must sign the complaint.

D. Investigation of Grievance

The Equity/Title IX Coordinator will, upon receipt of a properly submitted grievance, conduct an investigation of all aspects of the complaint. The investigation may include personal interviews, obtaining of documentation, and examination of pertinent records of the College. The Equity/Title IX Coordinator will, within fifteen (15) days of the receipt of the grievance, submit a written report of investigation, including findings of fact and recommendations, to the College Equity Grievance Committee.

E. Committee Hearing

1. The College Equity Grievance Committee will, upon receipt of a report of investigation, hold open hearings on the grievance. The complainant will be invited to attend and may be represented by an attorney. The formal rules of evidence will not, in general, be applicable to the proceeding. The Committee may, in its discretion, obtain further evidence or witnesses. The complainant may be heard, may present additional evidence, may examine witnesses and documentation, and may request the Committee to obtain specified additional witnesses or evidence.

2. The College, or any individual member of the College community against whom a grievance has been filed, may also be represented by an attorney and shall have the same rights as the complainant with regard to the presentation of evidence and witnesses before the College Equity Grievance Committee.

3. The Committee, after receipt of all pertinent evidence, will prepare written findings and recommendations and submit them to the Executive Vice President of the College, together with all information and evidence received by the Committee. This should be accomplished within fifteen (15) days after the receipt of the report of investigation.

F. Decision

The Executive Vice President of the College shall, within five (5) days after the receipt of the Committee findings and recommendations, take one of the following actions:

1. Return the case to the Committee for further findings and recommendations, if deemed necessary.

2. Accept or reject, either partially or in full, the findings and recommendations of the Committee. The decision of the Executive Vice President will be in writing and copies of the decision will be furnished to the Committee and the complainant.

G. Appeal

1. The complainant may, within five (5) days after notification of the decision of the Executive Vice President, submit a written appeal to the President of the College. The appeal must state the reasons why the decision of the Executive Vice President is considered in error. The President of the College will, within five (5) days after receipt of the appeal, render his decision. The decision of the President is final.

2. If the complainant does not file an appeal within the authorized five (5) day period, the decision of the Executive Vice President is final.

H. Implementation

If the final decision includes findings of discriminatory action, the President of the College will direct the appropriate responsible College official to take required remedial action and to report to the President the action taken.

POLICY STATEMENT ON SEXUAL HARASSMENT AND SEXUAL ASSAULT

It is the policy of St. Johns River State College, in keeping with efforts to establish an environment in which the dignity and worth of all members of the institutional community are respected, that sexual harassment and sexual assault of students and employees at St. Johns River State College is unacceptable conduct and will not be tolerated. Sexual harassment may involve the behavior of a person of either sex against a person of the opposite or same sex, when that behavior falls within the definition outlined below.

Definition: Sexual harassment of employees and students at St. Johns River State College is defined as any unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature, when:

1) Submission to such conduct is made either explicitly or implicitly as a term or condition of an individual's employment or education career.

2) Submission to or rejection of such conduct is used as the basis for employment or educational decisions affecting that individual.

3) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educational experience, or creates an intimidating, hostile, or offensive work or educational environment.

St. Johns River State College defines sexual assault as follows: any intentional or knowingly touching or fondling by the accused, either directly or through the clothing, of the victim's genitals, breasts, thighs or buttocks without the victim's consent. Sexual assault also includes touching or fondling of the accused by the victim when the victim is forced to do so against his or her will. Sexual assault includes, but is not limited to, rape. Verbal conduct without the requisite physical touching or fondling will not be deemed sexual assault but may constitute sexual harassment.

St. Johns River State College will investigate sexual harassment and sexual assault cases as defined herein when they occur in any St. Johns
River State College program or activity, on or off campus. Investigations involving students will be handled by the Vice President for Student Affairs/Assistant General Counsel and, where appropriate, campus security.

Employees who feel that they have been sexually harassed or assaulted under the above definition and wish further information, or assistance in filing a complaint, should contact Ginger Stokes, Equity/Title IX Coordinator, St. Johns River State College, 5001 St. Johns Avenue, Palatka, FL 32177, telephone (386) 312-4070. Students with complaints should contact Dr. Gilbert L. Evans, Jr., Vice President for Student Affairs/Assistant General Counsel, St. Johns River State College, 5001 St. Johns Avenue, Palatka, FL 32177, telephone (386) 312-4127.

If sexual assault involving a St. Johns River State College student occurs off campus, outside of the St. Johns River State College programs or activities, the College will cooperate with the appropriate law enforcement agency in accordance with applicable laws and will activate student conduct rules, which apply.

If sexual assault occurs on campus or in any St. Johns River State College program or activity, on or off campus, the appropriate law enforcement agency will be contacted to handle the investigation. The College Executive Vice President whose office is in charge of campus security will direct campus security officers to cooperate in the investigation on campus. The College Vice President for Student Affairs/Assistant General Counsel will provide counseling and other regularly available support services to a student who is a victim of sexual assault.

St. Johns River State College students who are investigated for or found guilty of sexual assault as described above are subject to the procedures and penalties relating to student conduct as stated in the Student Handbook and other officially adopted College policy and/or procedure statements. Students and employees of St. Johns River State College who are found guilty of sexual harassment or sexual assault of another student or employee are subject to suspension, immediate dismissal and may be subject to penalties prescribed by state and federal law to include imprisonment.

POLICY STATEMENT ON DISCRIMINATORY HARASSMENT AND FREE EXPRESSION

St. Johns River State College is committed to the principles of free inquiry and free expression. Students have the right to hold and vigorously defend and promote their opinions, thus entering them into the life of the College. Respect for this right requires that students be tolerant of the thoughts and expressions of other students in their exercise of this right. As such, violence or the threat of violence toward students exercising the right of free expression and free inquiry will not be tolerated and is a violation of this rule.

St. Johns River State College is also committed to principles of equal opportunity and nondiscrimination. Each student has the right of equal access to a St. Johns River State College education, without discrimination on the basis of race, ethnicity, color, national origin, marital status, religion, age, gender, genetic information, or disability. Harassment of students on the basis of any of these characteristics contributes to a hostile environment that makes, for those subjected to it, access that is less than equal. Such discriminatory harassment is therefore considered to be a violation of the principles of equal opportunity and nondiscrimination.

This interpretation of these principles is intended to clarify the point at which protected free expression ends and prohibited discriminatory harassment begins. Prohibited harassment includes discriminatory intimidation by threats of violence, and also includes personal vilification of students on the basis of their race, ethnicity, color, national origin, marital status, religion, age, gender, genetic information or disability.

Speech or other expression constitutes harassment by personal vilification if it:

1.) Is intended to insult or stigmatize an individual or small number of individuals on the basis of their race, ethnicity, color, national origin, marital status, religion, age, gender, genetic information or disability; and

2.) Is addressed directly to the individual or individuals whom it insults or stigmatizes; and

3.) Makes use of insulting or “fighting” words or non-verbal symbols.

In the context of discriminatory harassment by personal vilification, insulting or “fighting” words or non-verbal symbols are those “which by their very utterance inflict injury or tend to incite to an immediate breach of the peace and which are commonly understood to convey direct and visceral hatred or contempt for human beings on the basis of their race, ethnicity, color, national origin, marital status, religion, age, gender, genetic information or disability.”

POLICY STATEMENT ON DISCRIMINATORY HARASSMENT

St. Johns River State College is committed to maintaining an environment free of all forms of harassment, intimidation, and discrimination.

SJR State will not tolerate behavior which creates an unacceptable working or educational environment. Individuals found to have engaged in misconduct constituting sexual or other discriminatory harassment will be subject to discipline, up to and including dismissal or discharge from the College.

This policy applies to all employees, students and contractors working on the College premises.

Discriminatory harassment on the basis of race, ethnicity, color, national origin, marital status, religion, age, gender, genetic information, disability or any other characteristic protected by law is a form of discrimination and can have a deleterious effect on work and/or academic performance. SJR State will not tolerate harassment by any member of the College community.

For the purpose of this policy, other harassment is defined as verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of his/her race, ethnicity, color, national origin, marital status, religion, age, gender, genetic information, disability or any other characteristic protected by law and that:

1.) Has the purpose or effect of creating an intimidating, hostile or offensive work or educational environment; or

2.) Has the purpose or effect of unreasonable interfering with an individual’s work or educational performance; or

3.) Otherwise adversely affects an individual’s employment opportunities.

SJR State strongly encourages the prompt reporting of all incidents of sexual or other discriminatory harassment. Fear of retaliation should not be a barrier to reporting incidents of harassment. Retaliation in any form is a serious violation of College policy and will not be tolerated. Any incidents of retaliation should be reported immediately. All reported incidents of harassment will be investigated immediately. Employees should report all incidents of harassment or retaliation to their immediate supervisor and are entitled to follow the grievance procedures set forth in the College Handbook. Students, prospective students and applicants for employment are encouraged to notify the College Equity/Title IX Coordinator or the Vice President for Student Affairs/Assistant General Counsel, and are entitled to follow the grievance procedures set forth in the Student Handbook. The Director of Benefits and Employee Relations is designated as the Equity/Title IX Coordinator at St. Johns River State College.

POLICY STATEMENT ON EQUALITY OF OPPORTUNITY AND NON-DISCRIMINATION

As a public educational institution, and as a corporate citizen, St.
Johns River State College is dedicated to the philosophical foundations of democracy. The College catalog reflects the belief “that there is need in a democracy for each person to be educated to the limits of his ability if he is to reach his maximum potential for service to self and society.”

Accordingly, St. Johns River State College complies with all laws enacted by various levels of government from local to federal, and with regulations which have the effect of law instituted by governmental agencies. This particularly includes all those laws and regulations which assure equal opportunity for employment and advancement in the faculty or staff, and equal opportunity for students and prospective students for access to educational opportunities.

More specifically, the College gives assurance of compliance with the provisions of:
1. The Civil Rights Act of 1964, as amended;
2. Executive Order 11246, as amended;
3. The Age Discrimination in Employment Act of 1967, as amended;
4. Title IX of the Education Amendments of 1972, as amended;
5. The Rehabilitation Act of 1973, as amended;
6. Genetic Information Nondiscrimination Act (GINA), 2008, as amended; and
7. All laws relating to equal opportunity and nondiscrimination on the basis of race, ethnicity, color, national origin, marital status, religion, age, gender, genetic information, or disability.

The College community is expected to assist in making this assurance valid in fact.

In implementation of its commitment to equality in matters relating to hiring of staff and faculty, the President of St. Johns River State College shall designate an Equity/Title IX Coordinator. All hiring and procedures for hiring are based upon the needs of the College and the individual's qualification for the specific position without regard to race, ethnicity, color, national origin, marital status, religion, age, gender, or disability, except where age or gender is a bona fide qualification.

In further implementation of its commitment and as a natural outgrowth of its open-door philosophy of education, the St. Johns River State College District Board of Trustees supports the policy of Equal Access/Equal Opportunity. Recruitment, admission, and financial aid practices will continue to demonstrate a commitment to Equal Access/Equal Opportunity. The District Board of Trustees of St. Johns River State College sees Affirmative Action as a natural extension of the philosophy of Equal Access/Equal Opportunity. Consequently, the College will implement this philosophy to the extent of its ability through its employment practices.

It is the policy of St. Johns River State College not to discriminate on the basis of race, ethnicity, color, national origin, marital status, religion, age, gender, genetic information, or disability in its educational programs, activities, admissions policies and practices, or employment policies. Inquiries regarding compliance with laws relating to nondiscrimination having to do with students may be directed to the Vice President for Student Affairs, St. Johns River State College, Student Services Building, Room V227, 5001 St. Johns Avenue, Palatka, FL 32177, telephone (386) 312-4127; and all other inquiries may be directed to the Equity/Title IX Coordinator, Administration Building, Room A145, 5001 St. Johns Avenue, Palatka, FL 32177, (386) 312-4070, or to the Office of Civil Rights, U.S. Department of Education, 400 Maryland Avenue SW, Washington, D.C., 20202.

**PROCEDURE FOR HANDLING STUDENT COMPLAINTS CONCERNING INSTRUCTOR/INSTRUCTION (NOT INVOLVING ACADEMIC PET-**

**TITIONS, DISCRIMINATORY BEHAVIOR, OR SEXUAL HARASSMENT)**

1. This procedure deals with student complaints that do not involve academic petitions, discriminatory behavior, and sexual harassment.

2. A student should always be encouraged to resolve any conflict with or complaint about an instructor with the individual instructor. The following procedure should be used if the student's complaint is not resolved with the instructor.

3. College personnel should direct the student to the office of the appropriate dean (who may assign the matter to an associate dean) or director. Complaints must be in writing, and the student should complete the appropriate form by filling in all necessary information.

4. If the student wishes anonymity with respect to the instructor, then the person taking the complaint should complete the appropriate form, omitting the student’s name, and attach the student’s typed account. However, the student should know that his or her name will be made known to the dean, associate dean, or director. Reasonable efforts will be taken to maintain confidentiality unless the nature of the complaint requires disclosure.

5. The dean, associate dean, or director will contact the student to discuss the problem. If necessary and appropriate, the dean, associate dean, or director will call together the student and the instructor to resolve the problem. If the student requests anonymity, then the dean, associate dean, or director will meet with the instructor, give the instructor a copy of the complaint, and request a written response. The dean or director will report to the appropriate vice president on the resolution of the matter.

6. If the matter was not satisfactorily resolved at the dean or director level, it may be appealed to the appropriate vice president. The vice president’s decision may be appealed to the President of the College.

PARKING AND TRAFFIC REGULATIONS
A. General
The SJR State parking and traffic regulations, supplemented by the State Traffic Laws of the State of Florida, will be enforced on the College campus, parking lots and adjacent roadways and apply to all faculty, staff, visitors, and students of the College. Numbered decals will be issued for identification and regulatory purposes. These rules and regulations have been established for the benefit and safety of each student and employee. It is the responsibility of the operator to see that the vehicle he or she is operating is not in violation of any of the regulations. Any vehicle operated or parked on the campus is at the owner’s risk. The following general rules will apply:

1. All motorized vehicles that park on any SJR State campus must bear a College parking decal. Parking decal requests are now processed electronically by logging into MySJRstate. The request Parking Decal tab is located on the main page. Fill out the request completely and print the form. That printed form should be taken to either the Administrative Office or the Security Office at any campus and the decal will be issued. There is no charge for student parking decals. Free temporary parking decals are also available at the Security Office at any campus.

2. A person with a physical disability must, by state law, display the disabled parking permit issued by the county tag office. The permit must be hung from the windshield center mirror or properly displayed. Vehicles may be towed off campus if parked in a restricted parking space.

3. Overnight parking is not allowed on any SJR State campus unless authorized by the security officer on duty. The College assumes no responsibility for injury to persons or damages to a vehicle or its contents at any time it is operated or parked on an SJR State campus.

4. Students, faculty and staff who have decals, but temporarily drive a vehicle without a decal, must still park in designated areas and place a temporary parking permit on the front dash of his/her vehicle. Free temporary parking permits are available at the Security office on all campuses. Student, faculty and staff vehicles parked on campus must display a College decal or a temporary parking permit.

5. All traffic crashes on or adjacent to the campus are to be reported to the on-duty security officer and law enforcement. A copy of all traffic crash reports will be forwarded to the Director of Campus Safety and Security for review.

6. The Director of Security is designated to coordinate matters of traffic and parking. Questions of interpretation or enforcement of these rules and regulations or any concerns related to traffic and parking should be referred to the Director of Security.

7. Generally a written warning will be issued for the first parking or traffic infraction; however, if the operator has illegally parked in a handicapped space or endangered the safety of others, much more serious action will be taken. After a student has received a warning of any kind, the next infraction may result in a fine of at least $25.00. All fines must be paid within 10 days of the date the ticket is issued.

B. Parking Regulations
1. The Palatka and Orange Park campus parking lots have designated and restricted parking. Students will park only in parking places designated by white parking stall lines and/or bumpers unless marked “Visitors” or “Handicapped.” Faculty and staff on Palatka and Orange Park campuses shall park only in parking spaces designated by blue parking bumpers.

2. No parking will be allowed in or adjacent to areas bordered by yellow stall lines, bumpers, or curbs.

3. Parking of vehicles with College decals is prohibited in areas marked “Visitors” or in areas of the campus other than parking lots. There will definitely be no parking permitted in the grassy areas of the campus. Parking on the roadside is prohibited.

4. Two-wheeled vehicles must park in the areas designated for them unless otherwise authorized. The unauthorized riding or operating of scooters, bicycles, and other two, three, or four-wheeled vehicles on sidewalks or walkways is prohibited. Roller skating/blading or skate boarding is not permitted in parking lots or on sidewalks.

POLICY STATEMENT ON HUMAN IMMUNODEFICIENCY VIRUS AND ACQUIRED IMMUNODEFICIENCY DISEASE
In accordance with the District Board of Trustees’ policy, SJR State 3.09 St. Johns River State College acknowledges the importance of and will cooperate with appropriate health agencies to make available educational information concerning HIV infection and AIDS to the College community. The information will emphasize the importance of prevention and precautions; that the virus is not casually transmitted; proven modes of transmission; the need for confidentiality for those infected and compassion for those ill; and College and community resources for information, testing, and treatment. The educational programs and information will be designed to reach the broad spectrum of persons within the College community.

Consistent with its existent non-discrimination policies, St. Johns River State College will not discriminate on the basis of an individual’s HIV status.
Specifically, no person shall be subject to adverse employment actions solely because of non-job related disability, and reasonable efforts will be made to accommodate an employee with HIV disease consistent with the then-current state of scientific knowledge on transmission of the disease; nor shall any person be denied academic admission access to SJR State programs, facilities, events, services, or any benefits provided by the College, solely on the basis of HIV status. HIV status shall be deemed to include actual or perceived HIV positivity, or any condition related to Acquired Immune Deficiency Syndrome (AIDS), an individual’s being suspected of having such virus or conditions, or an individual’s association with any person having or believed to have had said virus or conditions.

Consistent with its existent non-discrimination policies, SJR State’s policy of non-discrimination shall be applied to all instances described above, except in those instances when it shall be determined that reasonable accommodations are not available to insure a person’s ability to participate fully in programs or positions, or when a person, by reason of his or her HIV infection or AIDS related condition poses, according to available medical information, a direct threat to the health or safety of themselves or others associated with the College.

SJR State will require no test for or verification of the HIV status of any person for employment, academic admissions, access to SJR State programs, facilities, events, services, or for any benefits provided to College employees or students.

SJR State shall, consistent with applicable law, maintain the confidentiality of all College records documenting and information concerning the HIV status or AIDS related conditions of SJR State students and employees to the same degree that confidentiality is afforded to other medical records of SJR State students and employees. SJR State recognizes that a person’s HIV status is a private matter. Therefore, any necessary internal and external communications regarding benefits, reasonable accommodations or other issues relating to an employee or student’s HIV status or AIDS related conditions, shall be made in a manner consistent with the confidentiality of such information.

**POLICY FOR COMMUNICATION WITH STUDENTS**

SJR State student email is the primary means of communication with SJR State students. Students are assigned a college email address when the application is processed - Log into My SJRstate in order to access your SJR State student email.

Students are expected to check their email daily in order to ensure they obtain critical information and assignments. Failure to do so will not be grounds for an appeal of any action taken by the College or any requirements established by an instructor, which has been communicated to the student via SJR State student email.
STUDENT RIGHTS AND RESPONSIBILITIES

ST. JOHN'S RIVER STATE COLLEGE

ACADEMIC FREEDOM AND RESPONSIBILITY

Students are expected to prefer fact to opinion and to commit themselves to genuine enlightenment rather than to inflexible adherence to limited knowledge. They are expected to assume full responsibility for their individual and collective actions and to participate seriously and purposefully in campus life. Consequently, violence, the threat of violence, disruption and intimidation are unacceptable to the academic community. Students are expected to examine critically, analyze and otherwise evaluate the College, its programs, policies and procedures utilizing processes which appeal to reason, and not to compromise the academic climate, mission, or integrity of the institution.

Academic work submitted by a student to his or her instructor is assumed to be the result of his or her own thought, research, or self-expression. Further, when a student borrows ideas, workings, or organizations from another source, he is expected to acknowledge that fact in an appropriate manner. Any student who is believed to be guilty of cheating or plagiarism will be reported to the Vice President for Student Affairs/Assistant General Counsel for disciplinary action. Those actions which are considered cheating, plagiarism, or academic dishonesty are defined in the Student Handbook.

Students are free to take reasoned exception to data and views offered in the classroom and to reserve judgment about matters of opinion, but they are responsible for learning the content of any course for which they are enrolled.

The College shall, in all cases, preserve the rights and freedoms of students by observing, in full, the professional code of ethics as established in the College Handbook.

The student is responsible for classroom behavior which is conducive to the educational process and for achieving standards of performance established by the instructor.

The instructor has final authority in all matters relating to course content, grading practices, and classroom procedure, consistent with the philosophy, purposes, and established policies of the College. A course grade is the final responsibility of the instructor. In the matter of grading it is therefore essential that each faculty member keep each student informed of his or her progress in a course.

SJR STATE POLICY ON ACADEMIC INTEGRITY

The pursuit of scholarly activity, free from dishonesty, fraud, or deception, is essential to the mission of the college and to the full exercise of academic freedom. Cheating, plagiarism, fabrication of information or citations, and other forms of unethical conduct compromise the quality of education and will not be tolerated. Infractions may result in penalties or sanctions beyond those imposed by an individual faculty member.

ATTENDANCE POLICY

Any class session missed, regardless of the cause, reduces the opportunity for learning and frequently adversely affects the student’s performance in the course. Therefore, a student is expected to attend the classes in which he or she is registered. A record of attendance is kept and all absences are recorded except those excused by the Vice President for Academic Affairs, the Vice President for Student Affairs/Assistant General Counsel or the Vice President for Workforce Development. If a student should miss a class session, it is his/her responsibility to contact the instructor, in advance where possible, to determine what steps may be taken to make up work that has been missed. It is the decision of the instructor whether the student will be permitted to make up the work. Instructors will not penalize students for participating in officially approved school functions by marking such students absent; however, students must make up work missed.

If a student accumulates recorded absences totaling three or more instructional hours (one instructional hour equals 50 minutes) during the withdrawal period (see academic calendar), the instructor may initiate an official warning to the student that he/she has reached the limit of allowed recorded absences. Further, the loss of instructional time through absences may result in the student being withdrawn from the course, unless the instructor, because of extenuating circumstances, permits the student to remain in the course. No student may be withdrawn from a course for loss in instructional hours without first being warned in regard to the limit of recorded absences. Students who are withdrawn from class due to attendance are not entitled to a refund of tuition and fees related to that class.

DISTANCE LEARNING COURSES: ORIENTATION AND ATTENDANCE

After registering for a distance learning course with the College, distance learning students must access their distance learning course online at My SJR State on the first day of the term to obtain orientation information. Distance learning students must begin their class by completing the orientation activity prior to the conclusion of the first week of the semester. If a student does not begin a distance learning course by the end of the first week of the semester by making contact with the instructor and completing the specified activity, he/she will be dropped as a “no show.”

Although in distance learning classes students do not “attend” class in the traditional sense, these courses do have an attendance policy, and students may be dropped for non-attendance. During a traditional-length semester, three instructional hours of attendance equals one week’s missed work. If a student misses a week’s worth of work in a distance learning course, he/she may receive a warning for non-attendance, and if the student misses more than one week’s work in a distance learning course, he/she may be dropped from the course due to non-attendance.

WITHDRAWAL/GRADE FORGIVENESS POLICY/REPEAT POLICY

The last grade recorded for a course will be the grade used to calculate the student’s cumulative grade point average. All courses attempted will appear on the transcript.

A student may attempt to complete a preparatory or a college credit course three times. Any course in which a student has earned a grade of “D” or “F,” or received no grade due to withdrawal, may be repeated only twice. Upon the third attempt, additional fees will be charged.

In accordance with the state requirements, a student attempting a college credit course for a third time will pay the full instructional costs for the third attempt. First attempts for all students will be counted beginning with the Fall 1997 semester.

Students are cautioned that upon transfer to other public and private institutions, the manner in which “forgiven” grades are used in calculating a grade point average may differ. The repeated course grade may not be accepted at all, or all course attempts may be used in calculating the G.P.A. In addition, the repeat of courses may or may not be covered by some forms of financial aid.

COMMUNICATION MEDIA

All College published and financed student communication media shall explicitly follow the canons of responsible journalism such as the avoidance of libel, indecency, undocumented allegations, attacks on per-
sonal integrity, and techniques of harassment and innuendo. The College shall reserve the right to ensure free and responsible media through an educational process. All media are expected to observe the standards of their respective professions as well as those of established governmental bodies.

MAINTENANCE OF AND ACCESS TO STUDENT RECORDS

Any person who is enrolled or who has been enrolled in any instructional program or activity conducted under the authority and directions of SJR State has the right to access official records, files, and data directly related to that student.

Records may include, but are not necessarily limited to: identifying data; academic work completed; level of achievement records, including grades and test scores; attendance data; standardized intelligence, aptitude, and psychological test scores; interest inventory results; health data; family background information; teacher or counselor ratings and observations; verified reports of serious or recurrent behavior patterns; and any other knowledge or information recorded in any medium and maintained and used by or for the institution.

Records do not include:

(A) Records of instructional, supervisory, and administrative personnel which records are in the sole possession of the maker and are not accessible or revealed to any other person except a substitute for any of such persons, i.e., an instructor’s grade book.

(B) Records of law enforcement units of the institution which are maintained solely for law enforcement purposes and which are not available to persons other than officials of the institution or law enforcement officials of the same jurisdiction.

(C) Records made and maintained by the institution in the normal course of business which relate exclusively to the student in his or her capacity as an employee and which are not accessible for use for any other purpose.

(D) Records made by professionals acting in their professional capacity which are made and used in connection with provision of treatment to the student and which are not available to anyone other than the person providing treatment. However, such records shall be open to a physician or appropriate professional of the student’s choice.

(E) Directory information. In accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA) as amended, commonly known as the Buckley Amendment, St. Johns River State College defines public or “directory information” as the following:

Name, address, telephone listing, electronic mail address, photograph, date and place of birth, major field of study, dates of attendance, grade level, enrollment status (e.g., undergraduate or graduate, full-time or part-time), dates of attendance, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors, awards received and the most recent educational agency or institution attended.

Directory information, as defined by St. Johns River State College, may be released at the College’s discretion, without the student’s written consent (unless a request for nondisclosure has been received by the Admissions/Records Office within 15 days after the close of registration.) Nondisclosure shall remain in effect until the student gives written request to remove said nondisclosure to the Admissions/Records Office. Forms are available in the Admissions/Records Office and in this student handbook.

Students requesting nondisclosure must consider the ramifications of nondisclosure prior to requesting nondisclosure. A nondisclosure request will prevent the College from responding to inquiries received from potential or current employers, any agency requesting verifications of enrollment (except as required under FERPA), publications (i.e., student directory), nominations for scholarships or national dean’s lists, and other requests for directory information.

(F) Information which does not permit the personal identification of the student. Students and parents of students who are not yet 18 years of age or those students who are deemed dependents of such parents as defined in 26 U.S.C.§.152 (s.152 of the Internal Revenue Code of 1954) have the following rights of access:

1. Students have the right, upon request directed to appropriate school officials, to a list of the types of records directly related to students maintained by the institution which the student attends or has attended.
2. Students have the right, upon request, to be shown any record related to such student maintained by the school and, upon reasonable request, an explanation of the record.
3. Copies of the student’s records shall be furnished upon request; the actual costs of copies may be charged.
4. The students, or in an appropriate circumstance, parents or guardians, have the right to waive access to confidential letters or statements of recommendation or evaluation only if:
   a. The students (parents) are, upon request, notified of the names of persons submitting confidential letters.
   b. Such letters and evaluations are used solely for their intended purpose.

ANNUAL NOTIFICATION OF RIGHTS UNDER FERPA

Students have certain rights regarding access to his/her own educational records and the disclosure of information from those records to others. The rights of SJR State College students are specified and protected in the District Board of Trustees Rules 6.28.

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution. These rights include:

The right to inspect and review the student’s education records within 45 days of the day the St. Johns River State College receives a request for access. A student should submit to the director, registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The St. Johns River State College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the St. Johns River State College official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

The right to request the amendment of the student’s education records that the student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. A student who wishes to ask the College to amend a record should write the St. Johns River State College official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the College decides not to amend the record as requested, the College will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

The right to provide written consent before the St. Johns River State College discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent. The College discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the St. Johns River State College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A College official also may include a volunteer or contractor outside of SJR State College who performs an
institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII for education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the St. Johns River State College. Upon request, the St. Johns River State College also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the St. Johns River State College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC  20202-5901

The election to be excluded from the directory shall remain in effect until the Admissions and Records Office is notified in writing.

**RIGHTS TO CHALLENGE AND HEARING**

Students (parents) have the right to challenge the content of any record to which they are granted access under paragraph one in order to ensure accuracy, privacy, and other rights. Any challenge may be settled informally, a hearing shall be held in accordance with the Rules of the State Board of Education.

**RIGHT OF PRIVACY**

Every student has the right to privacy for educational records kept on him or her. Personally identifiable records of students are confidential and are exempt from the provisions of section 119.07(1) Florida Statutes (which permits access to public records).    b. Is under the direct control of the agency or institution with respect to the use and maintenance of education records.

Charges may be disposed of administratively only if the charges are based on a determination by the Vice President for Student Affairs/Assistant General Counsel, or the Vice President for Student Affairs may refer the matter to a judicial advisor. If the charges are referred to a judicial advisor, the Vice President for Student Affairs shall ensure that the Vice President for Student Affairs/Assistant General Counsel responsible for the administration of the College judicial system can be in attendance at the hearing. Maximum time limits for scheduling of hearings may be extended at the discretion of the judicial advisor.

4. Hearings shall be conducted by a judicial body according to the following guidelines:

a. Warning--A notice in writing to the student that the student is violating or has violated institutional regulations.

h. College Expulsion--Permanent separation of the student from the College.

2. More than one of the sanctions listed above may be imposed for any single violation.

3. Other than College expulsion, disciplinary sanctions shall not be made part of the student’s permanent academic record, but shall become part of the student’s confidential record. Upon graduation, the student’s confidential record may be expunged of disciplinary actions upon application to the judicial advisor.

4. The following sanctions may be imposed upon groups or organizations:

a. Those sanctions listed above in Section B1, a through e.

b. Deactivation--Loss of all privileges, including College recognition, for a specified period of time.

In cases in which persons other than or in addition to the Judicial Advisor have been authorized to serve as the judicial body, the recommendation of all members of the judicial body shall be considered by the Judicial Advisor in determining and imposing sanctions. The Judicial Advisor is not limited to sanctions recommended by members of the judicial body. Following the hearing, the judicial body and the Judicial Advisor shall advise the accused in writing of its determination and of the sanction(s) imposed, if any.

(C) Interim Suspension

In certain circumstances, the Vice President for Student Affairs/Assistant General Counsel, or a designee, may impose a College suspension prior to the hearing before a judicial body.

1. Interim suspension may be imposed only:

a. to ensure the safety and well-being of members of the College community or preservation of College property; and

b. to ensure the student’s own physical or emotional safety and well-being; or

c. if the student poses a definite threat of disruption of or interference with the normal operations of the College.

2. During the interim suspension, students shall be denied access to the campus (including classes) and/or all other College activities or privileges for which the student might otherwise be eligible, as the Vice-President for Student Affairs/Assistant General Counsel or the judicial advisor may determine to be appropriate.

(D) Appeals

1. A decision reached by the judicial body or a sanction imposed by the judicial advisor may be appealed by accused students or complainants to an appellate board within five (5) school days of the decision. Such appeals shall be in writing and shall be delivered to the Vice-President for Student Affairs/Assistant General Counsel or his/her designee.

2. Except as required to explain the basis of new evidence, an appeal shall be limited to review of the verbatim record of the initial hearing and supporting documents for one or more of the following purposes:

a. To determine whether the original hearing was conducted fairly in light of the charges and evidence presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and present evidence that the Student Code was violated, and giving the accused student a reasonable opportunity to prepare and present a rebuttal of those allegations.
b. To determine whether the decision reached regarding the accused student was based on substantial evidence, that is, whether the facts in the case were sufficient to establish that a violation of the Student Code occurred.
c. To determine whether the sanction(s) imposed were appropriate for the violation of the Student Code which the student was found to have committed.
d. To consider new evidence, sufficient to alter a decision, or other relevant facts not brought out in the original hearing, because such evidence and/or facts were not known to the person appealing at the time of the original hearing.

3. If an appeal is upheld by the appellate board, the matter shall be remanded to the original judicial body and judicial advisor for re-opening of the hearing to allow reconsideration of the original determination and/or sanction(s).

4. In cases involving appeals by students accused of violating the Student Code, review of the sanction imposed by the appellate board may result in concurrence of the existing sanction, reduction of the existing sanction, elimination of the existing sanction, or revision of the existing sanction.

Article V: Interpretation and Revision

(A) Any question of interpretation regarding the Student Code shall be referred to the Vice President for Student Affairs/Assistant General Counsel for final determination.
(B) The Student Code shall be reviewed every two (2) years under the direction of the judicial advisor.

DIRECTORY INFORMATION OPT OUT FORM

In accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA) as amended, commonly known as the Buckley Amendment, St. Johns River State College defines public or “directory information” as the following:

Name, address, telephone listing, electronic mail address, photograph, date and place of birth, major field of study, dates of attendance, grade level, enrollment status (e.g., undergraduate or graduate, full-time or part-time), dates of attendance, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors, awards received and the most recent educational agency or institution attended.

Directory information, as defined by St. Johns River State College, may be released at the College's discretion without the student's written consent (unless a request for nondisclosure has been received by the Admissions/Records Office within 15 days after the close of registration.) Nondisclosure shall remain in effect until the student gives written request to remove said nondisclosure to the Admissions/Records Office. Forms are also available in the Admissions/Records Office.

Students requesting nondisclosure must consider the ramifications of nondisclosure prior to requesting nondisclosure. A Nondisclosure request will prevent the College from responding to inquiries received from potential or current employers, any agency requesting verifications of enrollment (except as required under FERPA), publications (i.e. student directory), nominations for scholarships or national dean's lists, and other requests for directory information.

If you do not wish to have your directory information released, please complete, sign, and submit this form to the Admissions and Records Office within fifteen (15) days after the close of registration to prevent inclusion in this term's directory. The election to be excluded from the directory shall remain in effect until the Admissions and Records Office is notified in writing. Exclusion requests received later than fifteen (15) days after the close of registration shall be effective for subsequent terms.
