STUDENT SERVICES

ST. JOHNS RIVER STATE COLLEGE

ACADEMIC ADVISING SERVICES
Academic Advising services are available on each campus for current and prospective students. Academic Advisors provide individual advising as well as initial group advising sessions for all new degree seeking students. All First Time in College (FTIC) students are assigned to an advisor on their home campus and we encourage all students to meet with their advisor on a regular basis.

Students may schedule an appointment with their advisor or drop-in to have a quick question answered. We recommend scheduling an appointment for students who need to review graduation requirements, participate in career counseling, discuss academic program planning and/or change programs, discuss transitioning to a baccalaureate program, complete Financial Aid Satisfactory Academic Progress (SAP) appeals, or who have in-depth questions regarding a policy or process at SJR State.

Students are encouraged to meet with their advisor throughout their academic career at SJR state. Advising opportunities from Admission to Graduation include the following milestones:

- Mandatory initial Academic Advising prior to first term enrollment.
- New freshmen are encouraged to meet with their assigned advisor during their first term of enrollment.
- Students pursuing limited access A.S. degrees will receive a hold after completing 15-credit hours. Students must attend a special program meeting to remove the hold in order to register for future courses.
- Students pursuing the A.A. degree, non-limited access A.S. degrees or certain college credit certificates will receive a hold after completing 30-credit hours. Students must meet with their advisor to remove the hold in order to register for future courses.
- Students are encouraged to meet with an advisor the term prior to graduation. In addition to completing all degree requirements, students are responsible for the graduation application, paying all associated fees and meeting the graduation application deadline.

Academic advising staff is dedicated to providing students with quality academic support services that involve timely and accurate academic advising, career counseling, services for students with disabilities and appropriate referrals as needed.

EXCESS HOURS ADVISORY
It is important that students, including those entering the Florida College System institutions, are aware of a state provision that affects tuition charges for students who plan to eventually transfer to a state university for their baccalaureate degree. Section 1009.286, Florida Statutes, establishes an “excess hour” surcharge for students seeking baccalaureate degrees at state universities. Effective 2012-2013 academic year and after, “excess hours” are defined as hours that go beyond 110% of the hours required for a baccalaureate degree program. For example, if the program requires 120 credit hours, the student may be subject to an excess hour surcharge for any credit attempted beyond 132 credit hours (110% x 120).

All students whose educational plan may include earning a baccalaureate degree should make every effort to enroll in and successfully complete those courses that are required for their intended major on their first attempt. Florida College System students intending to transfer to state universities should identify a major or “transfer program” early and, by the time the students earns 30 semester hours of college credit, be advised of admission requirement for that program, including the approved common prerequisites. Course withdrawals and/or repeats, as well as enrollment in courses nonessential to the intended major, may contribute to a potential excess hours surcharge.

All SJR State College students are required to meet with an advisor once the student has completed 30 college credits. The advisors will counsel students on their academic plan to help ensure enrollment only in courses needed for the major or transfer program so that additional costs may be avoided when transferring to a state university.

THE TESTING CENTER AND STUDENT SUPPORT SERVICES
Testing for admissions to limited access programs and initial college placement (PERT) is administered through the Testing Center. These exams require appointments. PERT is scheduled by Academic Advising on each campus, all other testing appointments should be done with the Testing Center.

Additionally, the Testing Center supports proctoring for distance learning exams from other institutions and many other exams. Most exams require a non-refundable administrative fee (page 37 of the catalog). Missed appointments can be rescheduled when possible within the fiscal year. Further information is available under the Students tab at SJRstate.edu.

FINANCIAL ASSISTANCE
Students needing financial assistance should contact the Office of Financial Aid at (386) 312-4040. Financial aid information is listed in the College Catalog and on the SJR State website (SJRstate.edu/finaid.html). The following types of assistance are available:

1. Scholarships based on academic excellence and service to school
2. Federal Pell Grants
3. Federal College Work-Study Program
4. Federal student loans
5. State grants and scholarships
6. SJR State Foundation scholarships and private awards (386-312-4100)
7. Veterans' assistance

Classes Required for Your Degree or Program: In accordance with federal law, federal student aid funds can only be applied to classes that are recognized as being truly necessary for completion of a student’s declared degree. To that end, we must verify (on a term-by-term basis) whether or not all classes for which a student is enrolled are required or not. Those classes which are confirmed to be required will be covered by federal student aid (as long as all other relevant eligibility criteria has been met). Classes which are identified as not required for degree completion will be flagged as such, and these non-compliant courses will be excluded from financial aid coverage.

To be clear, any coursework that is not required will not be included when calculating eligibility for Title IV funds (Pell Grant, direct subsidized loans, direct unsubsidized loans, etc.). Students who qualify for aid which exceeds the actual cost of their compliant coursework may be able to apply that difference to non-compliant classes. If excess aid does not exist, the student who wishes to keep such classes on their schedule will need to pay for those classes out of pocket.

Remedial credits: Federal aid is available for up to 30 remedial credit hours. Once a student attempts 30 remedial credit hours, federal aid will be awarded for college-level credits only.

Requirements met for graduation: The Federal Financial Aid Handbook states that “students who complete the academic requirements for a program, but does not yet have the degree or certificate is not eligible for further additional FSA funds for that program.” Volume 1, Student Eligibility: 1-10

If you have already taken and completed the coursework required to graduate from a specific degree or certificate program of study, you are no longer eligible to be considered for future financial aid as long as you remain in that specific program of study.
STUDENT REFUND OPTIONS
All student refunds will be processed as expeditiously as possible through BankMobile. New students will be sent a letter in a green envelope from BankMobile with instructions on how to select their refund method. Students have the option to receive their refund via an ACH transfer to a bank account of their choice, a debit card provided by BankMobile, or by paper check. Questions regarding the selection of their refund method can be answered by contacting the Business Office at your local campus.

- Palatka (386) 312-4200
- St. Augustine (904) 808-7400

AUTOMATIC PAYMENT PLAN
St. Johns River State College offers a Tuition Installment Plan (TIP) for all students requiring assistance with managing their educational expenses. The TIP program will allow students to pay for tuition and fees expenses over a period of time rather than one lump sum payment before the start of the semester. The College has contracted with Nelnet Business Solutions to administer this program. This company will be responsible for the enrollment, as well as receiving the monthly payments. Enrollment in the payment plan can be completed via the SJR State website (SJRstate.edu) by logging on to the MySJRState account. Under the student drop down box, choose “Optional Payment Plan.” A new window will open. Choose the term, and click on the e-Cashier logo and follow the steps. Students needing additional information should contact the St. Johns River State College Business Office at 386-312-4117.

According to Florida Senate Bill 1720, students may be exempt from placement testing under certain conditions.

You are exempt if you:
• Entered Florida public high school or charter school during the 2003-2004 academic year or after;
• Remained within the public high school system or charter schools during your entire high school academic career and graduated from a Florida public high school or charter school 2007 or after with a standard diploma; or

• Entered high school prior to 2003-2004;
• Graduated from the private sector;

• Earned a GED.

Non-Exempt students who test into developmental education must complete or co-enroll in the required developmental coursework before taking general gateway courses (MAT 1033 & ENC 1101). Students who are exempt from placement testing may still elect to test. Placement testing is recommended for exempt students who:
• are nervous about the course content,
• have been out of school for a length of time,
• want to make sure that they are taking the appropriate level course,
• are enrolling in a vocational certificate and plan to pursue an A.A. or A.S. degree.

If you require testing or elect to take a placement test, please contact the Testing Center at (386) 312-4228.

• Crossover program from Corrections to Law Enforcement
• Florida Corrections Officer Academy
• Crossover program from Law Enforcement to Corrections

CALCULATION OF GRADE POINT AVERAGE
A student’s academic standing is determined by grade point average, or GPA. Letters are used to indicate the quality of work achieved by students. Each grade is assigned a point value:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4</td>
</tr>

</tr>
<tr>
<td>C</td>
<td>2</td>
</tr>
<tr>
<td>D</td>
<td>1</td>
</tr>
<tr>
<td>F</td>

</tr>
</tbody>
</table>

College preparatory courses do not count in the calculation of the grade point average or GPA. The last grade recorded for a course will be the grade used to calculate the student’s cumulative grade point average. All courses attempted will appear on the transcript. To compute the grade point average (GPA), multiply the credit value of each course by the point value of the grade received. Divide the result by the total number of credit hours attempted.

Approval may be withdrawn by the Vice President for Student Affairs/Assistant General Counsel or the President.

Students are urged to participate in student activities that encourage the development of leadership, personal growth, and school spirit. Some of these organizations are a portion of class activities; others have been chartered by the SGA, but may be inactive during some years.

21. The theft, abuse, misuse, or alteration of the College's computer systems and information and records stored on the computer systems is prohibited.

23. A student is forbidden from recording and/or video taping an instructor without the instructor's permission and knowledge.
24. The abuse of the student judicial system as defined in the Student Handbook is prohibited.

The College reserves the right to change any of its policies for student conduct without notice when it is considered in the best interest of the College. In the event such changes occur, the College will provide notification to students, faculty, and staff via announcements on bulletin boards, the student portal and in College publications. Violating any of the college standards of Student Conduct may result in expulsion.

ANTI-HAZING POLICY

The District Board of Trustees of St. Johns River State College prohibits hazing by any student or student organization. As used in this rule, “hazing” means any action or situation that recklessly or intentionally endangers the mental or physical health or safety of a student for the purpose of initiation or admission into or affiliation with any organization operating under the sanction of the College. This includes, but is not limited to, any brutality of a physical nature, such as whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of any food, liquor, drug, or other substance, or other forced physical activity which could adversely affect the physical health or safety of the student, and also includes any activity which would subject the student to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct which could result in extreme embarrassment, or other forced activity which could adversely affect the mental health.
or dignity of the student.

Student(s) or student organizations convicted of hazing are subject to significant penalties which may include the imposition of fines; the withholding of diplomas or transcripts pending compliance with the rules or pending payment of fines; and the imposition of probation, suspension, or dismissal. In the case of an organization at St. Johns River State College which authorizes hazing in blatant disregard of such rules, penalties may also include rescission of permission for that organization to operate on campus property or to otherwise operate under the sanction of the institution.

All penalties imposed by this rule shall be in addition to any penalty imposed for violation of any of the criminal laws of the State of Florida or for violation of any other rule of the institution to which the violator(s) may be subject.

This anti-hazing policy shall apply to acts conducted on or off the St. Johns River State College campuses or sites, and this anti-hazing policy will be included in the bylaws of each student organization.

STUDENTS CALLED TO ACTIVE MILITARY DUTY

Any student enrolled at St. Johns River State College who is called to, or enlists in, active military service in service to the United States of America shall not incur academic or financial penalties. Such student shall be permitted the option of either completing the course or courses in which he or she is enrolled at a later date without penalty or withdrawing from the course or courses with a full refund of fees paid. If the student withdraws from the course or courses, the student’s records shall indicate that the withdrawal is due to active military service.

STUDENT OMBUDSMAN

The District Board of Trustees appoints the Vice President of Student Affairs/Assistant General Counsel as the Student Ombudsman on the St. Augustine, Palatka, and Orange Park Campuses. The Student Ombudsman, in his/her role as Student Ombudsman, will serve as the students’ advocate with regard to a student’s access to courses and credit granted toward a degree. A student with concerns about course access and credit toward the degree should report such concerns directly to the Student Ombudsman either in writing or by email, and the Student Ombudsman will respond to the student’s concerns as soon as possible. Should the situation or concern require investigation and research, the Student Ombudsman will serve as the student’s representative before faculty, staff and the College administration.

FIELD TRIPS

Field trips in which students are not actively participating in a contest or event are limited to one hundred (100) miles.

DUAL ENROLLMENT POLICIES

SJR State Dual Enrollment students are simultaneously enrolled in both high school and college courses. The depth, breadth, rigor, and pace of college courses will be at the college level. While appropriate for college-level study, course materials and class discussions may reflect topics not typically included in secondary high school curriculum. Dual Enrollment students who attend classes on SJR State’s campuses or online will be interacting with non-high school students of a variety of ages and backgrounds. By enrolling in Dual Enrollment, students have agreed to abide by all SJR State policies and procedures as published. SJR State Dual Enrollment students are responsible for completing the appropriate college forms and meeting college established deadlines for withdrawal. College credits earned in Dual Enrollment will be a part of the student’s permanent college and high school transcript. Students may not repeat dual enrollment courses in which they earn a “W,” “D,” or “F” until after high school graduation, and students cannot re-take classes in which a grade of “C” or higher has been earned. Performance in dual enrollment courses may affect subsequent postsecondary admission, financial aid, and Bright Futures eligibility.

STUDENTS WITH DISABILITIES

Students with disabilities are welcome at SJR State and are encouraged to contact the Academic Advising Office on their campus.

The purpose of the disability coordinator is to ensure access to accommodations for those students determined eligible. Students must report to campus disability coordinators at the beginning of each semester. Special assistance is available with academic orientation, registration, academic planning, special supplies, and equipment. In addition, specialized services are available to students whose disability prevents them from participating fully in classroom activities. The College provides services relating to student academic success; transportation and personal services are the responsibility of the student.

Relay service for the hearing and vision impaired:
(TDD) 1-800-955-8771 or (VOICE) 1-800-955-8770

Determining Eligibility

In order to receive services, a student must register with the Academic Advising Office and meet with the disability coordinator. The coordinator will request a reasonable level of documentation to establish the disability exists, understand its impact on the student’s ability to meet admission or graduation requirements, develop appropriate accommodations and forward those accommodations to appropriate faculty members if requested. If a disabled student is denied an accommodation the student may petition in writing to the Vice President of Student Affairs/Assistant General Counsel. The matter will then be heard before the colleges Disability Accommodations Appeals Committee.

Admissions, Substitutions, and Services for Students with Disabilities

In accordance with Sections 1007.264 and 1007.265, FS, if appropriate documentation substantiates that a disability can be reasonably expected to prevent the individual from meeting requirements for admission to the institution, admission to a program of study or graduation, a substitution may be granted. Pertinent educational records may be reviewed prior to granting a substitution. The College is not required to lower or waive essential requirements. The Office for Students with Disabilities is responsible for developing procedures to insure dissemination of this policy and for initiating its application.

SUBSTITUTION REQUEST BASED ON DISABILITY

A. An eligible student requesting approval for substitution of one or more course requirements must petition, in writing, and provide documentation for such substitution. The student must meet with his or her campus disabilities coordinator, who will then forward the substitution request to the Director of Academic Advising. The Director will then review the documentation.

The substitution packet should minimally include all of the following:

1. Identification of the specific course requirements for which the substitution is requested;
2. Documentation of the disability that is sufficient to describe how the condition impacts the student at the current time and in the current circumstances;
3. Documentation that failure to meet the requirement(s) for which the substitution is requested is related to the disability;
4. A reason for the course substitution from the disabilities coordinator; and
5. A copy of all transcripts/compliance.

B. The completed package should be submitted to the Director of Academic Advising, who will then review and approve the request and forward the request to the appropriate vice president.

C. The appropriate vice president will review the request and communicate his/her decision, in writing, to the student and disability coordinator. The letter shall include the rationale for the decision.
and in cases where a substitution is approved, specification of the substitution to the student and appropriate college personnel within five (5) business days of the decision.

D. The College will accept substitutions granted by other Florida public colleges and schools. Substitutions granted by other postsecondary institutions will be evaluated on an individual basis. Documentation should be requested by the transferring student and sent from the granting institution.

**DUE PROCESS**

A student denied substitution of one or more course requirements may appeal the decision within ten (10) days, in writing, to the appropriate Vice President who will submit the appeal utilizing the current petitions process.

**POLICY STATEMENT FOR RELIGIOUS OBSERVANCE**

Any student who wishes to observe a religious holiday not in the official academic calendar may do so without penalty. However, the student must follow proper procedures. These procedures require the student to inform his or her instructor or instructors one week in advance of the religious holiday or holidays and make up any required work, including tests, within one week of the absence for the holiday or holidays. In the case of admissions criteria or other College mandated functions which may be missed because of the observance of the religious holiday or holidays, the student should contact the Vice President of Student Affairs/Assistant General Counsel or his or her designate to make appropriate alternate arrangements.

If a student believes that he or she has been unreasonably denied an educational benefit due to his or her religious beliefs or practices, the student may seek redress through the College Equity Grievance Committee.

**GRIEVANCES AND DISCIPLINARY PROCEDURES**

As required by FS 1001.65(22) and FS 1006.62, the Board of Trustees vests with the College President the authority, after notice to the student of the charges and after a hearing thereon, to expel, suspend, or otherwise discipline any student who is found to have violated any law, ordinance, or rule or regulation of the State Board of Education or of the Board of Trustees.

In all student grievance and disciplinary proceedings, the decision of the College President is final and without recourse. Any student who has a grievance against the College should first contact the Vice President for Student Affairs/Assistant General Counsel, St. Johns River State College, 5001 St. Johns Avenue, Palatka, FL 32177, telephone (386) 312-4127, for appropriate procedures. Four committees address student grievances:

The Academic Petitions - Grade Appeals Committee, for admission and grade appeal, acting within established rules and College policy, makes recommendations to the President concerning student petitions involving grades. Its membership is composed of faculty members and administrators. The President’s decision is final.

The Academic Petitions - Admissions Committee meets at the request of the chairman relative to new student admissions, or non-degree, non-high school graduates with fifteen (15) hours attempted. The cases considered will only be the exceptions to established policies of admissions/registration for course work and/or college credit programs. The committee is composed of the Vice President for Student Affairs, the Dean of Enrollment Management, the Director of Academic Advising, and the Registrar.

The Traffic Appeals Committee hears appeals from students in reference to traffic citations and fines. The committee is composed of three faculty members and two students. The decision of the committee is final.

The Disciplinary Committee is appointed by, and meets at the request of, the Vice President for Student Affairs/Assistant General Counsel relative to alleged student behavior serious enough to warrant, if verified, a penalty of probation, suspension, dismissal, or denial of re-enrollment against the student. The committee acts in accordance with procedures set forth in the disciplinary provisions contained in the student handbook. The decision of the committee is final.

The College Equity Grievance Committee is organized in compliance with the provisions of Title IX of the Education Amendments of 1972, as amended and as prescribed by the Administrative Procedure Act, Chapter 120, F.S. The committee hears student, prospective student, and prospective employee grievances alleging discrimination on the basis of race, ethnicity, color, national origin, marital status, religion, age, gender, sex, pregnancy, sexual orientation, gender identity, genetic information, disability, or veteran status on the part of the College or any of its components. The Prevalence of Sexual Coercion

Researchers have started to take a good look into the where, when and how of sexual coercion. They discovered that sexual coercion occurs by leaps and bounds more frequently with college students than with any other cohort because of the college lifestyle. Fun as it may be at times, the college lifestyle provides the perfect setting for sexual coercion to happen. Researchers found that both men and women are perpetrators and victims of sexual coercion. Approximately 70% of college students surveyed reported they have been sexually coerced and 33% of college students surveyed admitted to having used sexually coercive behaviors against their partners. Of the college students who have been sexually coerced, roughly 70% stated they knew their perpetrators, further clarifying the perpetrators were either a boyfriend/ girlfriend, a friend or an acquaintance. This indicates the vast majority of those who experienced victimization of sexual coercion knew their perpetrator.

What is Sexual Coercion?

Sexual coercion is being persuaded to have sex when you don’t want to. It may apply to a specific act or to initiating or continuing a sexual relationship. An individual may give in to coercion for any number of reasons and then may feel guilt and shame.

Recognizing Sexual Coercion:
Is your partner pressuring you to have sex because...
- Sex is the way to prove love
- You had sex in the past, so you can’t say no now
- All your friends are having sex
- Your partner threatens to leave you or threatens violence
- Guilt trips

How would you answer the following questions?
- Do you have unprotected sex because of your partner’s demands?
- Have you had a sexual experience that left you frightened?
- Are you being sexually pressured from your date, partner or friend?
- Are you having doubts or regrets over your partner’s sexual demands?
- Are there times that you feel that you can’t say no to having sex?
- Are you in a sexual relationship that makes you feel powerless?

Avoiding unwanted sex:
- Recognizing the signs of sexual coercion is the first step
- Trust your instincts and feelings
- Do you feel uncomfortable with the situation or circumstances?
- Say no firmly and leave
- Avoid alcohol and drugs that may harm judgment or make your partner more aggressive
- Set your boundaries and communicate clearly
- Seek help

Learn ways to respond to sexual pressure. You could say:
- “I really like you. I’m just not ready to have sex.”
- “If you really care about me, you’ll respect my decision.”
- “I said no. I don’t owe you an explanation.”

What is Sexual Violence?

Any sexual contact or activity with an intimate partner that makes a person feel uncomfortable, with the purpose of controlling through fear, threats, coercion, manipulation or violence.

What is Sexual Battery?

Sexual battery means oral, anal, or vaginal penetration by, or union with, the sexual organ of another or the anal or vaginal penetration of another by any other object committed without your consent.

SEX WITHOUT CONSENT IS A CRIME covered under Florida Statute 794.011 and can be reported to law enforcement. Consent means intelligent, knowing, and voluntary consent and does not include coerced submission. The law says that consent does not mean your failure to offer physical resistance to the offender. If you are under 16 years of age, consent cannot be used as a defense to a sexual crime. Further, a 16 or 17 year-old cannot legally consent to sexual activity with a person in a position of familial or custodial authority or with a person 24 years of age or older.

SEX WITHOUT CONSENT IS A VIOLATION OF SJR STATE COLLEGE POLICY. If the accused is a student, the matter can be reported to Student Judicial Affairs for disciplinary review and possible disciplinary action up to and including expulsion from the College.

Evidence Preservation and Medical Care:
- If you are the victim of a sexual assault, find a safe environment - anywhere away from the attacker.
- Ask a trusted friend or family member to stay with you for moral support.
- Report the attack to police by calling 911 and/or notifying College Campus Safety and Security if you are on campus.
- Don’t bathe or brush your teeth.
- Don’t change clothes
- Write down all the details you can recall about the attack and the attacker.
- Ask the hospital to conduct a rape kit exam to preserve forensic evidence.
- If you suspect you were drugged, ask that a urine sample be collected. The sample will need to be analyzed later on by a forensic lab.
- A medical professional will assist with evidence collection, treatment of injuries and can prescribe medications to protect you from certain sexually transmitted infections and recommend follow-up care.
- A counselor on the National Sexual Assault Hotline at 1-800-656-HOPE(4673) can help you understand the process.
- If you know that you will never report, still get medical attention. Even with no physical injuries, it is important to determine the risks of STDs and pregnancy. Call the National Sexual Assault Hotline for free, confidential counseling, 24 hours a day: 1-800-656-HOPE(4673).

Duty to Investigate
SJR State College has a duty to immediately investigate a complaint of sexual harassment, sexual coercion and sexual assault even if the complainant asks that it not do so. If the complainant requests anonymity, the complainant will be protected from retaliation; however anonymity may limit the school’s ability to respond. The complainant will be assured that the investigation will be discreet and only disclosed on a “need to know” basis. In deciding how to proceed, the College will weigh the complainant’s anonymity request against the alleged perpetrator’s potential danger to other students. In addition, the College will determine whether interim protective actions are necessary, such as issuing a “no contact” directive or separating a complainant and respondent. The College will attempt to minimize any burden on complainants. The complainant will be provided with information regarding his/her options regarding the investigation, including the choice to report to law enforcement, and available medical and mental health treatment options.

DATING VIOLENCE & STALKING
Unhealthy relationships can start early and last a lifetime. Dating violence often starts with teasing and name calling. These behaviors are often thought to be a “normal” part of a relationship. But these behaviors can set the stage for more serious violence.

What is Dating Violence?
Dating Violence is defined as the physical, sexual, or psychological/emotional violence within a dating relationship, as well as stalking. It can occur in person or electronically and may occur between a current or former dating partner. You may have heard several different words used to describe teen dating violence. Here are just a few:
• Relationship Abuse
• Intimate Partner Violence
• Relationship Violence
• Dating Abuse
• Domestic Abuse
• Domestic Violence

Dating violence means violence committed by a person:
• Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
• Where the existence of such a relationship shall be determined based on a consideration of the following factors:
  - The length of the relationship;
  - The type of relationship; and
  - The frequency of interaction between the persons involved in the relationship.

Dating violence is a type of intimate partner violence. It occurs between two people in a close relationship. The nature of dating violence can be physical, emotional, or sexual.
• Physical—This occurs when a partner is pinched, hit, shoved, slapped, punched, or kicked.
• Psychological/Emotional—This means threatening a partner or harming his or her sense of self-worth. Examples include name calling, shaming, bullying, embarrassing on purpose, or keeping him/her away from friends and family.
• Sexual—This is forcing a partner to engage in a sex act when he or she does not or cannot consent. This can be physical or nonphysical, like threatening to spread rumors if a partner refuses to have sex.
• Stalking—This refers to a pattern of harassing or threatening tactics that are unwanted and cause fear in the victim.

Dating violence can take place in person or electronically, such as repeated texting or posting sexual pictures of a partner online. Unhealthy relationships can start early and last a lifetime. Teens often think some behaviors, like teasing and name calling, are a “normal” part of a relationship. However, these behaviors can become abusive and develop into more serious forms of violence.

What are the consequences of dating violence?
As teens develop emotionally, they are heavily influenced by their relationship experiences. Healthy relationship behaviors can have a positive effect on a teen’s emotional development. Unhealthy, abusive or violent relationships can cause short term and long term negative effects, or consequences to the developing teen. Victims of teen dating violence are more likely to do poorly in school, and report binge drinking, suicide attempts, and physical fighting. Victims may also carry the patterns of violence into future relationships.

Violence is related to certain risk factors. Risks of having unhealthy relationships increase if your partner displays the following behaviors:
• Believe it’s okay to use threats or violence to get their way or to express frustration or anger.
• Use alcohol or drugs.
• Can’t manage anger or frustration.
• Hang out with violent peers.
• Have multiple sexual partners.
• Have a friend involved in dating violence.
• Are depressed or anxious.
• Have learning difficulties and other problems at school.
• Don’t have parental supervision and support.
• Witness violence at home or in the community.
• Have a history of aggressive behavior or bullying.

What is Stalking?
Florida Statute 784.048 defines stalking as a person who willfully, maliciously, and repeatedly follows, harasses, or cyberstalks another person. Depending on the circumstances, stalking can be a misdemeanor or a felony. Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
• Fear for his or her safety or the safety of others; or
• Suffer substantial emotional distress

Like domestic violence, stalking is a crime of power and control. Stalking can be carried out in person or via electronic mechanisms (phone, fax, GPS, cameras, computer spyware, or the internet). Cyberstalking—the use of technology to stalk victims—shares some characteristics with real-life stalking. It involves the pursuit, harassment, or contact of others in an unsolicited fashion initially via the internet and email. Cyberstalking can intensify in chat rooms where stalkers systematically flood their target’s inbox with obscene, hateful, or threatening messages and images. A cyberstalker may further assume the identity of his or her victim by posting information (fictitious or not) and soliciting responses from the cybercommunity. Stalking may involve verbal, written, or implied threats, or a combination thereof,
that would cause a reasonable person fear.

Stalking behaviors also may include persistent patterns of leaving or sending the victim unwanted items or presents that may range from seemingly romantic to bizarre, following or lying in wait for the victim, damaging or threatening to damage the victim's property, defaming the victim's character, or harassing the victim via the internet by posting personal information or spreading rumors about the victim.

**PHYSICAL VIOLENCE, ASSAULT, BATTERY, SEXUAL VIOLENCE AND STALKING ARE ALL CRIMES** and are covered under Florida Statutes and can be reported to law enforcement.

**PHYSICAL VIOLENCE, ASSAULT, BATTERY, SEXUAL VIOLENCE AND STALKING ARE ALL VIOLATIONS OF SJR STATE COLLEGE POLICY.** If the accused is a student, the matter can be reported to Student Affairs for disciplinary review and possible disciplinary action up to and including expulsion from the College.

**DOMESTIC VIOLENCE**

**What is Domestic Violence?**

Domestic violence is any assault, aggravated assault, battery, aggrevated battery, sexual assault, sexual battery, stalking, aggravated stalking, kidnapping, false imprisonment, or any criminal offense resulting in physical injury or death of one family or household member by another family or household member. Domestic violence is also a pattern of controlling behaviors that may include physical, sexual or emotional abuse. It is a choice made by the batterer. Domestic violence can happen to anyone, whether married, living together, or just dating. It can also happen in same-sex relationships. Domestic violence affects people of all economic, marital, sexual and educational backgrounds. It is about physical, psychological and financial control. It also affects family, friends, co-workers and the community. Domestic violence is against the law, and it is not the victim’s fault. Domestic violence means a felony or misdemeanor crime of violence committed by:

- Current or former spouse or intimate partner of the victim
- A person with whom the victim shares a child in common
- A person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner,
- A person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies (under VAWA) or
- Any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

**Coping with Domestic Violence**

- Recognize that domestic violence is a serious problem.
- Talk to somebody you trust.
- If you are a victim of domestic violence, call your local law enforcement department for help.
- Seek help and guidance from organizations, such as shelters, mental health centers and churches.

**The Reality**

- Every 9 seconds in the U.S. a woman is assaulted or beaten.
- One in four women will experience domestic violence during her lifetime.
- 1 in 3 women who are victims of homicide are murdered by her current or former partner.
- Women experience more than 4 million physical assaults and rapes because of their partners, and men are the victims of nearly 3 million physical assaults.
- Domestic violence is the leading cause of injury requiring serious medical attention for women ages 18-49.
- 50% of husbands who frequently assault their wives also frequently abuse their children.
- Domestic violence victims lose nearly 8 million days of paid work each year as a result of the violence.

**Warning Signs of Domestic Violence (Red Flags)**

Some examples your partner may exhibit are as follows:

- Hurtful teasing in private or in public
- Calls you names such as “stupid” or “bitch”
- Acts jealous of your friends, family, co-workers
- Makes fun of you, your friends, your activities
- Gets angry about your clothes or hairstyle
- Checks up on you by calling or driving by
- Goes with you “just to keep an eye on you”
- Insists on knowing who you talk to on the phone
- Blames you for his/her problems or bad moods
- Makes you feel like you have to “walk on eggshells”
- Hits wall, drives dangerously to scare you
- Drinks or uses drugs
- Won’t let you see family or friends
- Accuses you of being interested in someone else
- Forces you to do things you don’t want to do
- Dares you to do things you don’t normally do
- Challenges you to prove your love or loyalty
- Gets drunk or high to punish you
- Forces you to have sex
- Intimidates you with guns, knives, or other weapons
- Threatens to kill you or commit suicide if you leave
- Acts like “Dr. Jekyll and Mr. Hyde”

**Have a Safety Plan**

- If you are a victim of domestic violence, create a safety plan
that includes routes of escape, phone numbers of trusted friends, shelters and domestic violence hotlines.

- Pack a survival kit with a change of clothes, keys, ID, cash, birth certificate (for you and your children), medicine and prescriptions, pictures of the family and the abuser, proof of income pay stubs, financial statements, the abuser’s personal information (date of birth, social security number, place of employment), health care information, money (if possible), address books and legal documents. Store it with someone you trust.
- Have a signal for help with trusted friends and neighbors.
- Teach your children how to escape and get help.
- Open a separate savings and credit card account.
- Review the plan every month.

Legal Protection
- Many states require that police officers arrest abusers if domestic violence has occurred.
- Victims can request temporary restraining orders that can assist until a permanent one can be granted by the court.
- Victims may also be able to get additional financial support and temporary custody of children.

Prevention
- Learn how to become a better communicator with your spouse and family.
- Do not abuse alcohol or drugs, which could make domestic abuse worse.
- Look for positive solutions to your problems.
- Seek help at the earliest signs of domestic abuse.

SEXUAL MISCONDUCT POLICY

Introduction

SJR State College is committed to creating and maintaining a community in which students, faculty and staff can work together in an atmosphere free of gender and sex discrimination. Every member of the College community should be aware that SJR State is strongly opposed to sexual misconduct and harassment and that such behavior is prohibited both by law and College policy and will not be tolerated. The College is committed to fostering a community that promotes prompt reporting of all types of sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking and ensures timely and fair resolution of sexual misconduct and harassment complaints. It is the intention of the College to take appropriate action to end the misconduct or harassment, prevent its reoccurrence, and address its effects.

As a recipient of Federal funds, the College is required to comply with Title IX of the Higher Education Amendments of 1972, which prohibits discrimination on the basis of sex in education programs or activities. Sexual misconduct and harassment, as defined in this policy, is a form of sex discrimination prohibited by Title IX. SJR State is committed to providing an educational environment, programs, and activities free from sex discrimination.

Purpose of Policy

This policy is intended to educate the SJR State community, students, faculty and staff who have been affected by sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking, whether as a reporting party, responding party, or third party.

When used in this policy, reporting party refers to the person(s) who reports to the College that he/she has been the subject of sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking. Responding party refers to the person(s) who is/are reported to have committed acts of sexual misconduct/harassment, domestic/dating/physical violence and/or stalking. A third party refers to any other participant in the process, including a witness to the misconduct or harassment or an individual who makes a report on behalf of someone else.

The purpose of this policy is to:

- Define sexual misconduct and harassment and the forms of sexual misconduct and harassment that violate our community standards;
- Provide information as to where a member of the SJR State community can obtain support or access resources confidentially;
- Provide information on how a report against a member of the SJR State community will be investigated, evaluated and adjudicated.

SJR STATE HANDBOOK 2018 - 2019 21
• Submission to such conduct is made, either implicitly or pictorial, shall constitute sexual harassment when:
  communication of a sexual nature, whether spoken, written, physical advances, requests for sexual favors, and other deliberate or repeated misconduct and/or harassment is physical.

The more severe the conduct, the less need there is to show a pattern of incidents for a hostile environment, particularly if the sexual misconduct and/or harassment is physical.

Prohibited Conduct and Definitions
This policy addresses a broad spectrum of behavior, all of which falls under the broad definition of sexual misconduct.

1. Sexual Harassment: Unwanted and unsolicited sexual advances, requests for sexual favors, and other deliberate or repeated communication of a sexual nature, whether spoken, written, physical or pictorial, shall constitute sexual harassment when:
   • Submission to such conduct is made, either implicitly or explicitly, a term or condition of an individual's employment, academic status or participation in College-sponsored activities;
   • Rejection of such conduct is used as the basis, implicitly or explicitly, for imposing adverse terms and conditions of employment, academic status or participation in College-sponsored events; or
   • Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working or learning environment.

A single isolated incident of sexual misconduct and/or harassment may create a hostile environment if the incident is sufficiently severe. The more severe the conduct, the less need there is to show a pattern of incidents for a hostile environment, particularly if the sexual misconduct and/or harassment is physical.

Sexual misconduct and/or harassment also includes gender-based harassment, which may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping, even if those acts do not involve conduct of a sexual nature.

Examples include, but are not limited to:
• Making demeaning sexist statements, humor or jokes about sex or gender-specific traits, crude sexual remarks, offensive stories, remarks of a sexual nature about a person's clothing or body, remarks about sexual activity or experiences, sexual innuendo or other suggestive comments, offensive notes, sexual propositions, or insults and threats that an individual communicates are unwanted and unwelcome.
• Displaying or circulating written materials or pictures degrading to an individual(s) or gender group.
• Engaging in inappropriate or unwelcome physical contact or suggestive body language, such as touching, patting, pinching, hugging, kissing or brushing against an individual's body.
• Giving undue and unwelcome attention, such as repeated inappropriate flirting, compliments about clothing or physical attributes, staring or making sexually oriented gestures.
• Making a student's work or an employee's job more difficult because of that person's sex, or gender identity.
• Using a position of power and authority to: 1) threaten or punish, either directly or by implication, for refusing to tolerate harassment, refusing to submit to sexual activity, or for reporting harassment; 2) promise rewards in return for sexual favors.
• Engaging in demeaning verbal and other expressive behavior of a sexual or gendered nature in instructional settings.

2. Sexual Assault: Having or attempting to have sexual intercourse or sexual contact with another individual without consent. This includes sexual intercourse or sexual contact achieved by the use or threat of force or coercion, where an individual does not consent to the sexual act, or where an individual is incapacitated. Sexual assault may involve individuals who are known to one another or have an intimate and/or sexual relationship, or may involve individuals not known to one another. Sexual assault includes the following acts:
   • Related to Non-consensual Sexual Intercourse: Having or attempting to have sexual intercourse with another individual without consent. Sexual intercourse includes vaginal or anal penetration, however slight, with a body part or object, or oral copulation by mouth-to-genital contact.
   • Related to Non-consensual Sexual Contact: Having or attempting to have sexual contact with another individual without consent. Sexual contact includes kissing, touching the intimate parts of another, causing the other to touch one's intimate parts, or disrobing of another without permission. Intimate parts may include the breasts, genitals, buttocks, mouth or any other part of the body that is touched in a sexual manner.

3. Sexual Exploitation: When an individual takes non-consensual or abusive sexual advantage of another for his/her own benefit, or to benefit anyone other than the one being exploited, and that behavior does not otherwise constitute one of the other sexual misconduct offenses. Examples of sexual exploitation include, but are not limited to:
   • Prostituting another person (i.e., personally gaining money, privilege, or power from the sexual activities of another person);
   • Non-consensual video, photography, audiotaping, or any other form of recording, sexual activity;
   • Allowing others to observe a personal act of consensual sex without knowledge or consent of the partner;
   • Engaging in voyeurism (being a "peeping Tom");
   • Knowingly or recklessly transmitting an STD or HIV to an
4. Stalking: A course of conduct involving more than one instance of unwanted attention, harassment, physical or verbal contact, or any other course of conduct directed at an individual that could be reasonably regarded as likely to alarm or place that individual in fear of physical, emotional or psychological harm or injury. This includes cyber-stalking, a particular form of stalking in which electronic media such as the Internet, social networks, blogs, cell phones, texts, GPS or other similar devices or forms of contact are used to pursue, harass or make unwelcome contact with another person. Stalking and cyber-stalking may involve individuals who are known to one another or have an intimate or sexual relationship, or may involve individuals not known to one another.

5. Domestic Violence: Any assault, aggravated assault, battery, aggravated battery, sexual assault, sexual battery, stalking, aggravated stalking, kidnapping, false imprisonment, or any criminal offense resulting in physical injury or death of one family or household member by another family or household member. Domestic violence is also a pattern of controlling behaviors that may include physical, sexual or emotional abuse. It is a choice made by the batterer. Domestic violence is a crime committed by:
- Current or former spouse or intimate partner of the victim.
- A person with whom the victim shares a child in common.
- A person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner; or
- A person similarly situated to a spouse or intimate partner under the domestic or family violence laws of the jurisdiction receiving grant monies (under Violence Against Women Act).

6. Dating Violence: The physical, sexual, or psychological/emotional violence within a dating relationship, as well as stalking. It can occur in person or electronically and may occur between a current or former dating partner. Dating violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the following factors:
- The length of the relationship;
- The type of relationship; and
- The frequency of interaction between the persons involved in the relationship.

Dating violence is a type of intimate partner violence that occurs between two people in a close relationship. The nature of dating violence can be physical, emotional, or sexual:
- Physical - this occurs when a partner is pinched, hit, shoved, slapped, punched, or kicked.
- Psychological/Emotional - this means threatening a partner or harming his or her sense of self-worth. Examples include name calling, shaming, bullying, embarrassing on purpose, or keeping him/her away from friends and family.
- Sexual - this is forcing a partner to engage in a sex act when he or she does not or cannot consent. This can be physical or nonphysical, like threatening to spread rumors if a partner refuses to have sex.
- Intimate Partner Violence: A situation in which one partner is physically, emotionally and/or sexually abused by the other partner. Intimate partner violence can occur between individuals who are dating, married, hooking up, or who reside together. Intimate partner violence can occur between individuals of the same or opposite sex. This is often commonly referred to as domestic or dating violence.

7. Retaliation: Acts or attempts to retaliate or seek retribution against the reporting party, responding party, or any individual or group of individuals involved in the investigation and/or resolution of an allegation of sexual misconduct. Retaliation can be committed by any individual or group of individuals, not just a responding party or reporting party. Retaliation may include continued abuse or violence, other forms of harassment, and slander and libel.

Definitions of Consent, Coercion and Incapacitation

1. Consent: Consent to engage in sexual activity must be informed, knowing and voluntary. Consent exists when all parties exchange mutually understandable affirmative words or behavior indicating their agreement to freely participate in mutual sexual activity.

The following further clarifies the definition of consent:
- Each participant in a sexual encounter is expected to obtain and give consent to each act of sexual activity. Consent to one form of sexual activity does not constitute consent to engage in all forms of sexual activity.
- If at any time it is reasonably apparent that either party is hesitant, confused or unsure, both parties should stop and obtain mutual verbal consent before continuing such activity.
- Consent may be withdrawn by either party at any time. Withdrawal of consent must also be outwardly demonstrated by words or actions that clearly indicate a desire to end sexual activity. Once withdrawal of consent has been expressed, sexual activity must cease.
- Consent consists of an outward demonstration indicating that an individual has freely chosen to engage in sexual activity. Relying on non-verbal communication can lead to misunderstandings. Consent may not be inferred from silence, passivity, lack of resistance or lack of an active response alone. A person who does not physically resist or verbally refuse sexual activity is not necessarily giving consent.
- Individuals with a previous or current intimate relationship do not automatically give either initial or continued consent to sexual activity. Even in the context of a relationship, there must be mutually understandable communication that clearly indicates a willingness to engage in sexual activity.
- An individual who is physically incapacitated from alcohol or other drug consumption (voluntarily or involuntarily), or is unconscious, unaware or otherwise physically helpless is considered unable to give consent. For example, one who is asleep or passed out cannot give consent.

2. Coercion: Consent cannot be given if it results from the use or threat of physical force, intimidation, or any other factor that would eliminate an individual's ability to exercise his/her own free will to choose whether or not to have sexual contact. Coercion includes the use of pressure and/or oppressive behavior, including express or implied threats of harm, severe and/or pervasive emotional intimidation, which places an individual in fear of immediate or future harm or physical injury or causes a person to engage in unwelcome sexual activity. A person's words or conduct amount to coercion if they wrongfully impair the other's freedom of will and ability to choose whether or not to engage in sexual activity. Coercion also includes administering a drug, intoxicant or similar substance that impairs the person's ability to give consent.

3. Incapacitation: An individual who is incapacitated is not able to make rational, reasonable judgments and therefore is incapable of giving consent. Incapacitation is the inability, temporarily or permanently, to give consent, because the individual is mentally and/or physically helpless due to drug or alcohol consumption, either voluntarily or involuntarily, or the individual is unconscious, asleep or otherwise unaware that the sexual activity is occurring. In addition, an individual is incapacitated if he/she demonstrates that they are unaware of where they are, how they got there, or why or how they became engaged in a sexual interaction. Where alcohol is involved, incapacitation is a state beyond drunkenness or intoxication. Some indicators of incapacitation may include, but are not limited to, lack of control over physical movements, being unaware of circumstances or
surroundings, or being unable to communicate for any reason.

An individual in a blackout state may or may not meet the definition of incapacitation. Such an individual may appear to act normally but may not later recall the events in question. The extent to which a person in this state affirmatively gives words or actions indicating a willingness to engage in sexual activity, and the other person is unaware or reasonably could not have known of the alcohol consumption or blackout, must be evaluated in determining whether consent could be considered as having been given.

Title IX Coordinator’s Role

The College has designated Title IX Coordinator to oversee its response to all reports of sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking, to conduct training, and to coordinate compliance with the mandates of Title IX. The Title IX Coordinator is knowledgeable and trained in the College’s policies and procedures, state and federal laws that apply to sexual misconduct and harassment, and the dynamics of sexual misconduct and harassment. The Title IX Coordinator is available to meet with any individual to discuss the options for resolving a report under this policy.

The name and contact information for the SJR State College Title IX Coordinator can be found on the College website (SJRstate.edu) and on the Sexual Misconduct Policy Resources Pages (see page 25) maintained pursuant to this policy.

Reporting

The College encourages all students to report information about any type of sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking involving a student, staff or faculty member. Faculty and staff, other than those outlined in this policy as confidential resources, are required to report information about any type of sexual misconduct or harassment of which they become aware. An incident does not have to occur on campus to be reported to the College. Off-campus conduct that adversely affects or has the potential to adversely affect the SJR State community also falls under this policy. The College will promptly respond to all reports of sexual misconduct and harassment.

The College provides resources to both the reporting party and responding party in making decisions, obtaining information about options under this policy, and assists both parties in the event that a report of sexual misconduct and/or harassment is made.

Ways to File a Report:

Title IX Coordinator: The Title IX Coordinator is available to receive a report of sexual misconduct or harassment, 386-312-4074.

Campus Safety and Security: The opportunity to file a report with the College is available 24 hours a day, seven days a week by calling Campus Safety and Security:

- Orange Park Campus: 904-626-5885
- Palatka Campus: 386-937-2052
- St. Augustine Campus: 904-626-5956

A report can also be made to a Campus Security Authority (Campus Security Authorities include Campus Safety and Security Officers, Counselors, Student Activity Coordinators, Athletic Coaches, College club advisors and certain College Administrators).

A reporting party or third party can request a Campus Safety and Security officer to respond and take a report.

Local Law Enforcement: A reporting party may file a report with the local law enforcement agency (depending on location of incident).

Coordination with Law Enforcement

Because the goals and objectives of the College’s sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking policy differ from those of the civil and criminal justice systems, proceedings under the College’s sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking policy are independent of civil and criminal processes and may be carried out prior to, simultaneously, or following civil or criminal proceedings off-campus. On-campus investigation and response does not preclude, limit or require a student’s or employee’s access to the state and federal justice system.

Notifying the local law enforcement will generally result in the reporting party and, in some cases, the responding party being contacted by a police officer. Law enforcement determines if a criminal investigation will occur and if the case will be referred for prosecution. A case not referred for criminal prosecution will still receive a College response.

Under Florida state law, sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking (as described in the definitions above) may constitute a criminal act. However, the College conducts investigations and renders resolutions in an educational, non-criminal context. An act not criminally prosecuted may still violate College policy. To the extent permitted or required by law, the College will cooperate with outside investigators. However, outside law enforcement agencies do not respond to Title IX violations and respond only to allegations of criminal behavior. As a result, the College encourages reporting to both the College and to local law enforcement if the alleged sexual misconduct may also be a crime.

The College process and the criminal justice process are two separate and independent courses of action. If a reporting party wishes to file a report with local law enforcement, a SJR State staff member is available to assist. The College will not file a police report about the incident on the reporting party’s behalf unless compelling circumstances, as outlined in the statement of privacy and confidentiality section, exist. The College’s response to a report is not impacted by the reporting party’s decision to file a criminal complaint or the outcome of the criminal investigation.

Amnesty

Our goal is that all individuals report all incidents of sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking so that those affected can receive the support and resources needed. Therefore, violations of the College’s alcohol and illegal substances policies by a reporting party may be exempt from disciplinary action in situations where sexual misconduct or harassment also occurs. However, the College may initiate an educational discussion about the use of alcohol or drugs and their impact.

Statement Against Retaliation

Although SJR State acknowledges that extreme emotions and stress often accompany incidents of sexual misconduct and harassment, the College does not condone any person engaging in any type of retaliation. The College views retaliation complaints with great seriousness. All individuals are strongly encouraged to report any concerns about retaliation to the Title IX Coordinator, Vice President for Student Affairs/Assistant General Counsel, Director of Campus Safety and Security, and the Senior Vice President/General Counsel. The College will respond to reports of retaliation. Retaliation is a distinct category of prohibited conduct under this policy.

False Reports

Submitting of a good faith complaint, concern or report of harassment will not affect the reporting party’s employment, grades, academic standing, or work assignments. However, an individual found to have made a false complaint or to have knowingly and willingly given false information during an investigation will be subject to disciplinary action.

Interim Measures to Protect Safety and Well-Being

After a report is made or the College is placed on notice, the College will provide interim support and reasonable protection against further acts of misconduct, harassment or retaliation as well
as provide services and resources to provide a safe educational and employment environment. For a listing of services and resources that may be offered, see the “Campus and Community Resources” section on page 25. The College will determine the necessity and scope of any interim measures.

The range of interim measures includes:
- No contact order: The reporting party or responding party may request, or the College may impose, communication and contact restrictions to prevent further potentially harmful interaction.
- Academic, Employment, or Living Arrangements: The reporting party or responding party may request a change in academic, employment or, if relevant, living arrangements. Upon request, the College will inform the reporting party or responding party of the options and will accommodate the request if those changes are reasonably available. In some cases the College may initiate these changes without a request. These may include, but are not limited to:
  - Changing class or work schedule, including the ability to withdraw from a course without penalty;
  - Limiting access to certain College facilities or activities pending resolution of the matter;
  - Granting a voluntary leave of absence;
  - Providing an escort to ensure safe movement between classes and activities; and/or
  - Providing academic support services.

Emotional Support: The College will provide counseling services through student and employee assistance programs. For further information see the Resources pages maintained on page 25 pursuant to this policy.

Procedures for Resolving Sexual Misconduct/Harassment, Domestic/Dating/Physical Violence or Stalking Reports:

The College will respond promptly and equitably when any incident of sexual misconduct/ harassment, domestic/dating/physical violence, and/or stalking is alleged against a faculty, staff, or student. This includes a direct complaint, or if the College becomes aware of the situation, by other reliable means. The College’s response may take a number of forms within its discretion. This includes offering reasonable protection and services to the complainant or others, conducting a Title IX inquiry or review, conducting an investigation, and imposing corrective action.

The Title IX investigator will conduct the investigation. Prior to the investigation, both parties will have the opportunity to meet individually with the Title IX Coordinator to review the investigation process. During the investigation, both the reporting party and the responding party will have the opportunity to be heard and to respond, the opportunity to have an advisor present during investigation meetings, and the opportunity to provide names of relevant witnesses. The reporting party and the responding party will not be in the same room at the same time during the investigation process.

During the investigation process, the Title IX Investigator will determine whether information concerning the prior sexual history of either party is relevant. In general, in a case where the responding party raises consent as a defense, any prior consensual relationship between the parties may be relevant. Any other prior sexual history of the reporting party is typically not relevant and may not be permitted. Prior sexual history of the responding party may be relevant where there is evidence of a pattern of misconduct that may be relevant in the determination of responsibility assigning of corrective action.

At the conclusion of the investigation, the investigator will determine responsibility based on the relevant information presented during the investigation and the unique facts of the case. The level of proof necessary to support a finding of responsibility is “more likely than not”.

If the responding party is found responsible, the College will determine corrective action. If the responding party is a student or student organization, the Vice President for Student Affairs/Assistant General Counsel will determine the corrective action (also referred to as sanctions). A student found responsible for a violation of the Sexual Misconduct and Harassment Policy could receive any of the following sanctions: Warning, Probation, Loss of Privileges, Fines, Restitution, Discretionary Sanctions, or College Suspension. In some cases, a student found responsible may be expelled from the College. If the responding party is an employee, the Employee’s Supervisor in conjunction with the Title IX Coordinator will determine the corrective action, which could result in termination of employment.

Specific to this policy, both the reporting party and the responding party are given the opportunity to appeal the outcome of the investigation. The appeal will be reviewed by a Vice President of the College’s choosing. Prior to an appeal, if either party believes that there is new evidence or relevant facts that were not brought out in the investigation, which may be sufficient to alter the finding, they may make a request that this information be considered. Appeals may be based on the following grounds:
- Procedural misconduct during the investigation.
- The sanction(s) imposed is/are inappropriate for the violation of College policy.
- The preponderance of evidence standard was or was not met. The College will inform both the reporting party and responding party in writing of the outcome of the investigation and the appeal process.

If the report includes multiple alleged policy violations, multiple processes may be used (i.e., Title IX investigation process and the College grievance procedure). The College will determine which process(es) will be used. If multiple processes are used, the College will also determine the order of the processes.

If the responding party serves in multiple capacities at the College (i.e., student and employee), the College will determine which office will determine corrective action. In some cases, both offices may issue corrective action.

POLICY STATEMENT ON DISCRIMINATORY HARASSMENT AND FREE EXPRESSION

St. Johns River State College is committed to the principles of free inquiry and free expression. Students have the right to hold and vigorously defend and promote their opinions, thus entering them into the life of the College. Respect for this right requires that students be tolerant of the thoughts and expressions of other students in their exercise of this right. As such, violence or the threat of violence toward students exercising the right of free expression and free inquiry will not be tolerated and is a violation of this rule.

St. Johns River State College is also committed to principles of equal opportunity and nondiscrimination. Each student has the right of equal access to a St. Johns River State College education without discrimination on the basis of race, ethnicity, color, national origin, marital status, religion, age, gender, sex, pregnancy, sexual orientation, gender identity, genetic information, disability, veteran status.

This interpretation of these principles is intended to clarify the point at which protected free expression ends and prohibited discriminatory harassment begins. Prohibited harassment includes discriminatory intimidation by threats of violence, and also includes personal vilification of students on the basis of their race, ethnicity, color, national origin, marital status, religion, age, gender, sex, pregnancy, sexual orientation, gender identity, genetic information, disability, or veteran status.

Speech or other expression constitutes harassment by personal vilification if it:

1. Is intended to insult or stigmatize an individual or small number of individuals on the basis of their race, ethnicity, color, national origin, marital status, religion, age, gender, sex, pregnancy, sexual orientation, gender identity, genetic information, disability, or veteran status; and
2. Is addressed directly to the individual or individuals whom it insults or stigmatizes; and
3. Makes use of insulting or “fighting” words or non-verbal symbols.

In the context of discriminatory harassment by personal vilification, insulting or “fighting” words or non-verbal symbols are those “which by their very utterance inflict injury or tend to incite to an immediate breach of the peace, “and which are commonly understood to convey direct and visceral hatred or contempt for human beings on the basis of their race, ethnicity, color, national origin, marital status, religion, age, gender, sex, pregnancy, sexual orientation, gender identity, genetic information, disability, or veteran status.”

POLICY STATEMENT ON DISCRIMINATORY HARASSMENT

St. Johns River State College is committed to maintaining an environment free of all forms of harassment, intimidation, and discrimination.

SJR will not tolerate behavior, which creates an unacceptable working or educational environment. Individuals found to have engaged in misconduct constituting sexual or other discriminatory harassment will be subject to discipline, up to and including dismissal or discharge from the College.

This policy applies to all employees, students and contractors working on the College premises.

Discriminatory harassment on the basis of race, ethnicity, color, national origin, marital status, religion, age, gender, sex, pregnancy, sexual orientation, gender identity, genetic information, disability, veteran status or any other characteristic protected by law is a form of discrimination and can have a deleterious effect on work and/or academic performance. SJR State will not tolerate harassment by any member of the College community.

For the purpose of this policy, other harassment is defined as verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of his/her race, ethnicity, color, national origin, marital status, religion, age, gender, sex, pregnancy, sexual orientation, gender identity, genetic information, disability, veteran status or any other characteristic protected by law and that:

1. Has the purpose or effect of creating an intimidating, hostile or offensive work or educational environment; or
2. Has the purpose or effect of unreasonable interfering with an individual’s work or educational performance; or
3. Otherwise adversely affects an individual’s employment opportunities.

SJR State strongly encourages the prompt reporting of all incidents of sexual or other discriminatory harassment. Fear of retaliation should not be a barrier to reporting incidents of harassment. Retaliation in any form is a serious violation of College policy and will not be tolerated. Any incidents of retaliation should be reported immediately. All reported incidents of harassment will be investigated immediately. Employees, students, prospective students and applicants for employment should report all incidents of harassment or retaliation to the College Equity/Title IX Coordinator and their supervisor if applicable. Employees are entitled to follow the grievance procedures set forth in the College Operating Guidelines.

The College President shall designate a College Equity/Title IX Coordinator within the Human Resources Department of the College.

**POLICY STATEMENT ON EQUALITY OF OPPORTUNITY AND NONDISCRIMINATION**

St. Johns River State College is committed to maintaining a fair and respectful environment for work and study. To that end, and in accordance with applicable federal, state, and local laws, regulations, ordinances, orders, rules, and College policies, St. Johns River State College does not discriminate against any person in its programs, activities, policies or procedures on the basis of race, ethnicity, color, national origin, marital status, religion, age, gender, sex, pregnancy, sexual orientation, gender identity, genetic information, disability, or veteran status. As a public educational institution, and as a corporate citizen, St. Johns River State College is dedicated to the philosophical foundations of democracy and equality of opportunity. This policy applies to administrators, faculty, staff, students, visitors, applicants, and contractors. The College community is expected to assist in making this assurance valid in fact.

In implementation of its commitment to equality, the President of St. Johns River State College shall designate an Equity/Title IX Coordinator. All hiring and procedures for hiring are based upon the needs of the College and the individual's qualification for the specific position without regard to race, ethnicity, color, national origin, marital status, religion, age, gender, sex, pregnancy, sexual orientation, gender identity, genetic information, disability, or veteran status except where age or gender is a bona fide qualification.

In further implementation of its commitment and as a natural outgrowth of its open-door philosophy of education, the St. Johns River State College District Board of Trustees supports the policy of Equal Access/Equal Opportunity in recruitment, admission, and financial aid practices and will demonstrate a commitment to Equal Access/Equal Opportunity.

All questions or inquiries regarding compliance with laws relating to non-discrimination and all complaints regarding sexual misconduct or discrimination, may be directed to the Title IX Coordinator/Equity Officer, St. Johns River State College, 5001 St. Johns Avenue, Palatka, Florida, 32177; 386-312-4070. Inquiries or complaints may also be directed to the Office for Civil Rights, U.S. Department of Education, 400 Maryland Avenue SW, Washington, D.C. 20220.

The College shall develop and update the College’s non-discrimination statement consistent with this policy to be distributed and published on College social media and in appropriate printed documents and literature.

PROCEDURE FOR HANDLING STUDENT COMPLAINTS CONCERNING INSTRUCTOR/INSTRUCTION (NOT INVOLVING ACADEMIC PETITIONS, DISCRIMINATORY BEHAVIOR, OR SEXUAL HARASSMENT)
1. This procedure deals with student complaints that do not involve academic petitions, discriminatory behavior, and sexual harassment.
2. A student should always be encouraged to resolve any conflict with or complaint about an instructor with the individual instructor. The following procedure should be used if the student’s complaint is not resolved with the instructor.
3. College personnel should direct the student to the office of the appropriate dean (who may assign the matter to an associate dean) or director.
4. If the student wishes anonymity with respect to the instructor, then the person taking the complaint should complete the appropriate form, omitting the student’s name, and attach the student’s typewritten account. However, the student should know that his or her name will be made known to the dean, associate dean, or director. Reasonable efforts will be taken to maintain confidentiality unless the nature of the complaint requires disclosure.
5. The dean, associate dean, or director will contact the student to discuss the problem. If necessary and appropriate, the dean, associate dean, or director will call together the student and the instructor to resolve the problem. If the student requests anonymity, then the dean, associate dean, or director will meet with the instructor, give the instructor a copy of the complaint, and request a written response. The dean or director will report to the appropriate vice president on the resolution of the matter.
6. If the matter was not satisfactorily resolved at the dean or director level, it may be appealed to the appropriate vice president. The vice president’s decision may be appealed to the President of the College.

**PARKING AND TRAFFIC REGULATIONS**

A. General

The SJR State parking and traffic regulations, supplemented by the State Traffic Laws of the State of Florida, will be enforced on the College campus, parking lots and adjacent roadways and apply to all faculty, staff, visitors, and students of the College. Numbered decals will be issued for identification and regulatory purposes. These rules and regulations have been established for the benefit and safety of each student and employee. It is the responsibility of the operator to see that the vehicle he or she is operating is not in violation of any of the regulations. Any vehicle operated or parked on the campus is at the owner’s risk. The following general rules will apply:

1. All motorized vehicles that park on any SJR State campus must have a College parking decal. Parking decal requests are now processed electronically by logging into MySJRstate. The request parking decal tab is located on the main page. Fill out the request completely and print the form. That printed form should be taken to either the Administrative Office or the Security Office at any campus and the decal will be issued. There is no charge for student parking decals. Free temporary parking decals are also available at the Security Office at any campus.

2. A person with a physical disability must, by state law, display the disabled parking permit issued by the county tag office. The permit must be hung from the windshield center mirror or properly displayed. Vehicles may be towed off campus if parked in a restricted parking space.

3. Overnight parking is not allowed on any SJR State campus unless authorized by the security officer on duty. The College assumes no responsibility for injury to persons or damages to a vehicle or its contents at any time it is operated or parked on an SJR State campus.

4. Students, faculty and staff who have decals, but temporarily drive a vehicle without a decal, must still park in designated areas and place a temporary parking permit on the front dash of his/her vehicle. Free temporary parking permits are available at the Security office on all campuses. Student, faculty and staff vehicles parked on campus must display a College decal or a temporary parking permit.

5. All traffic crashes on or adjacent to the campus are to be reported to the on-duty security officer and law enforcement. A copy of all traffic crash reports will be forwarded to the Director of Campus Safety and Security for review.

6. The Director of Campus Safety and Security is designated to coordinate matters of traffic and parking. Questions of interpretation or enforcement of these rules and regulations, or any concerns related to traffic and parking should be referred to the Director of Campus Safety and Security.

7. Generally, a written warning will be issued for the first parking or traffic infraction; however, if the operator has illegally parked in a handicapped space or endangered the safety of others, much more serious action will be taken. After a student has received a warning of any kind, the next infraction may result in a fine of at least $25.00. All fines must be paid within 10 days of the date the ticket is issued.

8. B. Parking Regulations

1. The Palatka and Orange Park campus parking lots have designated and restricted parking. Students will park only in parking places designated by white parking stall lines and/or bumpers unless marked “Visitors.” Parking for people with disabilities is available on all three campuses. Faculty and staff on Palatka and Orange Park campuses shall park only in parking spaces designated by blue parking bumpers.

2. No parking will be allowed in, or adjacent to, areas bordered by yellow stall lines, bumpers, or curbs.

3. Parking of vehicles with College decals is prohibited in areas marked “Visitors” or in areas of the campus other than parking lots. There will definitely be no parking permitted in the grassy areas of the campus. Parking on the roadside is prohibited.

4. Two-wheeled vehicles must park in the areas designated for them unless otherwise authorized. The unauthorized riding or operating of scooters, bicycles, and other two, three, or four-wheeled vehicles on sidewalks or walkways is prohibited. Roller skating/blading or skate boarding is not permitted in parking lots or on sidewalks.

9. C. Moving Traffic Regulations

1. Operators must drive a vehicle at a speed that is reasonable and prudent under the conditions, not exceeding posted speed limits, and must comply with all other traffic control devices.

2. Vehicles are to be kept under control and driven safely at all times.

**POLICY STATEMENT ON HUMAN IMMUNODEFICIENCY VIRUS AND ACQUIRED IMMUNODEFICIENCY DISEASE**

In accordance with the District Board of Trustees’ policy, SJR State 3.09 St. Johns River State College acknowledges the importance of, and will cooperate with, appropriate health agencies to make available educational information concerning HIV infection and AIDS to the College community. The information will emphasize the importance of prevention and precautions, that the virus is not casually transmitted, proven modes of transmission, the need for confidentiality for those infected and compassion for those ill, and College and community resources for information, testing, and treatment. The educational
programs and information will be designed to reach the broad spectrum of persons within the College community.

Consistent with its existent non-discrimination policies, St. Johns River State College will not discriminate on the basis of an individual’s HIV status.

Specifically, no person shall be subject to adverse employment actions solely because of non-job related disability, and reasonable efforts will be made to accommodate an employee with HIV disease consistent with the then-current state of scientific knowledge on transmission of the disease; nor shall any person be denied academic admission access to SJR State programs, facilities, events, services, or any benefits provided by the College, solely on the basis of HIV status. HIV status shall be deemed to include actual or perceived HIV positivity, or any condition related to Acquired Immune Deficiency Syndrome (AIDS), an individual’s being suspected of having such virus or conditions, or an individual’s association with any person having or believed to have had said virus or conditions.

Consistent with its existent non-discrimination policies, SJR State’s policy of non-discrimination shall be applied to all instances described above, except in those instances when it shall be determined that reasonable accommodations are not available to insure a person’s ability to participate fully in programs or positions, or when a person, by reason of his or her HIV infection or AIDS related condition, poses, according to available medical information, a direct threat to the health or safety of themselves or others associated with the College.

SJR State will require no test for or verification of the HIV status of any person for employment, academic admissions, access to SJR State programs, facilities, events, services, or for any benefits provided to College employees or students. SJR State shall, consistent with applicable law, maintain the confidentiality of all College records documenting and information concerning the HIV status or AIDS related conditions of SJR State students and employees to the same degree that confidentiality is afforded to other medical records of SJR State students and employees. SJR State recognizes that a person’s HIV status is a private matter. Therefore, any necessary internal and external communications regarding benefits, reasonable accommodations or other issues relating to an employee or student’s HIV status or AIDS related conditions, shall be made in a manner consistent with the confidentiality of such information.

POLICY FOR COMMUNICATION WITH STUDENTS

SJR State student email is the primary means of communication with SJR State students. Students are assigned a college email address when the application is processed - Log into MySJRstate in order to access your SJR State student email.

Students are expected to check their email daily in order to ensure they obtain critical information and assignments. Failure to do so will not be grounds for an appeal of any action taken by the College or any requirements established by an instructor, which has been communicated to the student via SJR State student email.

ANIMALS ON CAMPUS

SJR State is committed to providing equal opportunity access to its programs, services and activities. SJR State is equally committed to protecting the health and safety of students, employees, and visitors by prohibiting animals on campus. There are exceptions to this prohibition under limited circumstances.

SJR State shall make reasonable modifications to its policies and procedures as required by law (and including with Section 504 of the Rehabilitation Act, the Americans with Disabilities Act, the Americans with Disabilities Amendment Act and Florida Statute 413.08) to accommodate the use of a service animal by an individual with a disability. The College may also permit the presence of animals for educational purposes, compliance with statutory requirements, and other activities approved by the College. The purpose of this procedure is to define guidelines for the limited presence of animals on campus.

General Counsel/Legal Affairs shall serve as the Coordinating Office and shall make determinations for animal presence on campus as defined in this procedure; and, shall coordinate matters relating to the presence of service animals on campus by visitors. Disability Support Services for Students in Academic Advising shall coordinate matters relating to the regular presence of service animals handled by students. The AVP for Human Resources coordinates matters relating to the regular presence of service animals handled by employees.
Procedure:
1. General
   a. The College reserves the right to establish conditions for the presence of animals on campus through application of policy, procedure, student code of conduct and applicable law.
   b. The handler of the animal always has full responsibility and liability for the behavior of the animal. The handler is responsible for any damage that the animal may cause.
   c. The handler of the animal has full responsibility and liability for the care and supervision of the animal. The animal must be under the control of the handler at all times, such as in a harness or on a leash. When physical control is not possible, such as when a handler’s disability interferes with control, voice control or signaling is acceptable. In addition, the handler is responsible for the cleanup of all animal waste.
   d. The handler is responsible to ensure that the animal is not disruptive to any program, service, learning environment, or College activity. The College may require removal of the animal if it compromises health, safety or a positive educational or work environment.
   e. The College may require the handler to remove an animal from the campus or events if it poses a threat or is disruptive, aggressive, or unhygienic.
2. Use of Animals in the Curriculum
   a. Curriculum approved by the VP for Academic Affairs or the VP for Workforce Development may include the use of animals. General Counsel shall serve as second and final approval.
   b. Such animals must not infringe on the health and safety of the campus community.
3. Service Animals:
   a. Individuals with disabilities may be accompanied by a service animal at the College.
   b. There may be rare occasions where an animal, including a service animal, may be restricted from College facilities or activities due to health and safety concerns.
   c. The handler will discuss with the approving party any restricted areas when the College has notice of a service animal accompanying a handler to such setting. When the College implements a restriction, the approving party will discuss it with the handler to determine other reasonable accommodations. That might include another method of service delivery or attendance without the animal.
   d. The handler is responsible for compliance with any laws pertaining to animal licensing, vaccination and owner identification.
4. Faculty and Staff Responsibility:
   a. To ensure equal access and nondiscrimination of individuals with disabilities, members of the College community should follow these guidelines:
      i. Allow service animals to accompany individuals with disabilities on campus;
      ii. Do not ask for details about a person’s disabilities;
      iii. Do not pet a service animal, as it distracts the animal from its work;
      iv. Do not feed a service animal;
      v. Do not intentionally startle, tease or taunt a service animal;
      vi. Do not ask about the nature or extent of a person’s disability to determine whether a person’s animal qualifies as a service animal. However, when it is not readily apparent that it is a service animal, College personnel may ask two questions to determine whether the animal qualifies as a service animal:
         1. Is the animal required because of a disability?
         2. What work or task has the animal been trained to perform?
If the College employee is still unsure of whether or not the animal qualifies as a service animal, the employee should contact Human Resources at 4070; or the office of the Executive Director on the appropriate campus.
5. Other Provisions and Concerns:
   a. The College does not require documentation, such as proof that the animal has been certified, trained or licensed as a service animal.
   b. Individuals who have concerns about the presence, behavior, health or handling of an animal should address them with the appropriate coordinating office (Executive Directors, Human Resources, Student Services).
   c. A service animal is an accommodation similar to a note taker or an interpreter. The College maintains confidentiality according approved accommodations, but may discuss the theory of accommodation with observers who have a concern.
   d. The College may take action if the Coordinating Office forms a reasonable belief that an individual has engaged in either of the following behaviors:
      i. Misrepresentation that he or she is qualified to use a service animal,
      ii. Interference with the use of a service animal.
   e. Training of Service Animals: Florida law allows animals on campus that are being trained to be service animals.
STUDENT RIGHTS AND RESPONSIBILITIES

ST. JOHNS RIVER STATE COLLEGE

ACADEMIC FREEDOM AND RESPONSIBILITY

Students are expected to prefer fact to opinion and to commit themselves to genuine enlightenment rather than to inflexible adherence to limited knowledge. They are expected to assume full responsibility for their individual and collective actions and to participate seriously and purposefully in campus life. Consequently, violence, the threat of violence, disruption and intimidation are unacceptable to the academic community. Students are expected to examine critically, analyze and otherwise evaluate the College, its programs, policies and procedures utilizing processes which appeal to reason, and not to compromise the academic climate, mission, or integrity of the institution.

Academic work submitted by a student to his instructor is assumed to be the result of his or her own thought, research, or self-expression. Further, when a student borrows ideas, workings, or organizations from another source, he is expected to acknowledge that fact in an appropriate manner. Any student who is believed to be guilty of cheating or plagiarism will be reported to the Vice President for Student Affairs/Assistant General Counsel for disciplinary action. Those actions which are considered cheating, plagiarism, or academic dishonesty are defined in the Student Handbook.

Students are free to take reasoned exception to data and views offered in the classroom and to reserve judgment about matters of opinion, but they are responsible for learning the content of any course for which they are enrolled.

The College shall, in all cases, preserve the rights and freedoms of students by observing, in full, the professional code of ethics as established in the College Handbook.

The student is responsible for classroom behavior which is conducive to the educational process and for achieving standards of performance established by the instructor.

The instructor has final authority in all matters relating to course content, grading practices, and classroom procedure, consistent with the philosophy, purposes, and established policies of the College. A course grade is the final responsibility of the instructor. In the matter of grading it is therefore essential that each faculty member keep each student informed of his or her progress in a course.

SJR STATE POLICY ON ACADEMIC INTEGRITY

The pursuit of scholarly activity, free from dishonesty, fraud, or deception, is essential to the mission of the College and to the full exercise of academic freedom. Cheating, plagiarism, fabrication of information or citations, and other forms of unethical conduct compromise the quality of education and will not be tolerated. Infractions may result in penalties or sanctions beyond those imposed by an individual faculty member.

CLASS ATTENDANCE

Regular and prompt attendance is expected and required. Excessive absences may subject the student to administrative withdrawal, a loss of quality points, loss of credit, or dismissal from the College. Students who do not attend a course during the first week of the semester will be reported as a “no show” and administratively withdrawn from the course.

If a student accumulates recorded absences totaling three or more instructional hours (one instructional hour equals 50 minutes) during the withdrawal period (see academic calendar), the instructor may initiate an official warning to the student that he/she has reached the limit of allowed recorded absences. Further, the loss of instructional time through absences may result in the student being withdrawn from the course, unless the instructor, because of extenuating circumstances, permits the student to remain in the course. No student may be withdrawn from a course for loss in instructional hours without first being warned in regard to the limit of recorded absences, unless the student was reported as a “no show.” Students who are withdrawn from class due to attendance are not entitled to a refund of tuition and fees related to that class, nor will they be entitled to the financial aid related to their enrollment in that course.

DISTANCE LEARNING COURSES ORIENTATION AND ATTENDANCE

After registering for a distance learning course with the College, distance learning students must access their distance learning course online at MySJRstate on the first day of the term to obtain orientation information. Distance learning students must begin their class by completing the orientation activity prior to the conclusion of the first week of the semester. Students who do not begin a distance learning course by the end of the first week of the semester by making contact with the instructor and completing the specified activity, will be reported as a “no show” and administratively withdrawn from the course.

Although in distance learning classes students do not “attend” in the traditional sense, these courses do have an attendance policy, and students may be withdrawn for non-attendance. During a traditional-length semester, three instructional hours of attendance equals one week’s missed work. If a student misses a week’s worth of work in a distance learning course, he/she may receive a warning for non-attendance, and if the student misses more than one week’s work in a distance learning course, he/she may be withdrawn from the course due to non-attendance.

GRADE FORGIVENESS POLICY WITHDRAWAL/REPEAT OF COURSES

The last grade earned for a course will be the grade used to calculate the students cumulative/overall GPA. All courses attempted will appear on the transcript.

A student may repeat a course in which he or she has earned a grade of “D,” “F,” or received no grade due to withdrawal. A student may repeat courses where a “C” or better was earned only when required and approved by a specific SJR State program. If a student has not received approval and repeats a course where a “C” or better was earned, he or she will incur additional fees. Any course in which a student has earned a grade of “D,” “F,” or received no grade due to withdrawal, may be repeated only twice. Upon third attempt additional fees will be charged.

In accordance with state requirements, a student attempting a college credit course for a third time will pay the full instructional costs. First attempts will be counted beginning with the Fall 1997 semester. Students may appeal paying the full instructional costs based on extenuating circumstances. This appeal must be made in writing to the Vice President for Student Affairs/Assistant General Counsel.

A student may attempt to complete a college credit course three times. If additional attempts to pass a required course to earn a degree is required, a student must petition the Vice President of Student Affairs/Assistant General Counsel in writing, which should include documentation for the reason a fourth attempt is required.

Students are cautioned that upon transfer to other public and private institutions, the manner in which “forgiven” grades are used in calculating a grade point average may differ. The repeated course grade may not be accepted at all, or all course attempts may be used in calculating the GPA. In addition, the repeat of courses may or may not be covered by some forms of financial aid.

COMMUNICATION MEDIA

All College published and financed student communication media shall explicitly follow the canons of responsible journalism such as the avoidance of libel, indecency, undocumented allegations, attacks on personal integrity, and techniques of harassment and
innuendo. The College shall reserve the right to ensure free and responsible media through an educational process. All media are expected to observe the standards of their respective professions as well as those of established governmental bodies.

**MAINTENANCE OF AND ACCESS TO STUDENT RECORDS**

Any person who is enrolled, or who has been enrolled, in any instructional program or activity conducted under the authority and directions of SJR State has the right to access official records, files, and data directly related to that student.

Records may include, but are not necessarily limited to: identifying data; academic work completed; level of achievement records, including grades and test scores; attendance data; standardized intelligence, aptitude, and psychological test scores; interest inventory results; health data; family background information; teacher or counselor ratings and observations; verified reports of serious or recurrent behavior patterns; and any other knowledge or information recorded in any medium and maintained and used by or for the institution.

Records do not include:

(A) Records of instructional, supervisory, and administrative personnel which records are in the sole possession of the maker and are not accessible or revealed to any other person except a substitute for any of such persons, i.e., an instructor's grade book.

(B) Records of law enforcement units of the institution which are maintained solely for law enforcement purposes and which are not available to persons other than officials of the institution or law enforcement officials of the same jurisdiction.

(C) Records made and maintained by the institution in the normal course of business which relate exclusively to the student in his or her capacity as an employee and which are not accessible for use for any other purpose.

(D) Records made by professionals acting in their professional capacity which are made and used in connection with provision of treatment to the student and which are not available to anyone other than the person providing treatment. However, such records shall be open to a physician or appropriate professional of the student's choice.

(E) Directory information. In accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA) as amended, commonly known as the Buckley Amendment, St. Johns River State College defines public or "directory information" as the following: Name, address, telephone listing, electronic mail address, photograph, date and place of birth, major field of study, dates of attendance, grade level, enrollment status (e.g., undergraduate or graduate, full-time or part-time), dates of attendance, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors, awards received and the most recent educational agency or institution attended.

Directory information, as defined by St. Johns River State College, may be released at the College's discretion, without the student's written consent (unless a request for nondisclosure has been received by the Registrar's Office within 15 days after the close of registration.) Nondisclosure shall remain in effect until the student gives written request to remove said nondisclosure to the Registrar's Office. Forms are available in the Registrar's Office and in this student handbook.

Students requesting nondisclosure must consider the ramifications of nondisclosure prior to requesting nondisclosure. A nondisclosure request will prevent the College from responding to inquiries received from potential or current employers, any agency requesting verifications of enrollment (except as required under FERPA), publications (i.e., student directory), nominations for scholarships or national dean's lists, and other requests for directory information.

(F) Information which does not permit the personal identification of the student. Students and parents of students who are not yet 18 years of age or those students who are deemed dependents of such parents as defined in 26 U.S.C.§152 (s.152 of the Internal Revenue Code of 1954) have the following rights of access:

1. Students have the right, upon request directed to appropriate school officials, to a list of the types of records directly related to students maintained by the institution which the student attends or has attended.

2. Students have the right, upon request, to be shown any record related to such student maintained by the school and, upon reasonable request, an explanation of the record.

3. Copies of the student's records shall be furnished upon request; the actual costs of copies may be charged.

4. The students, or in an appropriate circumstance, parents or guardians, have the right to waive access to confidential letters or statements of recommendation or evaluation only if:
   a. The students (parents) are, upon request, notified of the names of persons submitting confidential letters.
   b. Such letters and evaluations are used solely for their intended purpose.

**ANNUAL NOTIFICATION OF RIGHTS UNDER FERPA**

Students have certain rights regarding access to their own educational records and the disclosure of information from those records to others. The rights of SJR State College students are specified and protected in the District Board of Trustees Rule 6.28.

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution. These rights include:

The right to inspect and review the student's education records within 45 days of the day the St. Johns River State College receives a request for access. A student should submit to the director, registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The St. Johns River State College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the St. Johns River State College official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the College to amend a record should write the St. Johns River State College official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the College decides not to amend the record as requested, the College will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

The right to provide written consent before St. Johns River State College discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. The College discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by St. Johns River State College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A College official also may include a volunteer or contractor outside of SJR State College who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII for education records, such as an attorney, auditor,
or collection agent or a student volunteering to assist another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for St. Johns River State College. Upon request, St. Johns River State College also discloses education records without consent, to officials of another school in which a student seeks or intends to enroll.

Students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by St. Johns River State College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

The following data is considered to be directory information and may be given to an inquirer either in person, by mail, or by telephone, and may be otherwise made public without obtaining prior written consent of the student:

- Name of student
- Address
- Telephone number
- Electronic mail address
- Photograph
- Date and place of birth
- Major field of study
- Dates of attendance
- Grade level
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Degrees, honors, and awards received
- Enrollment status (e.g., undergraduate or graduate, full-time or part-time)
- Most recent educational agency or institution attended

An individual student currently enrolled may request that such directory information not be disclosed by completing the nondisclosure form available online and in the Registrar’s Office and giving the form to the registrar no later than (15) days after the close of registration to prevent inclusion in this term’s directory. The election to be excluded from the directory shall remain in effect until the Registrar’s Office is notified in writing.

RIGHTS TO CHALLENGE AND HEARING

Students (parents) have the right to challenge the content of any record to which they are granted access under paragraph one in order to ensure accuracy, privacy, and other rights. Any challenge may be settled through informal meetings between the parents, guardian, or students and the appropriate college official. If an agreement cannot be reached informally, a hearing shall be held in accordance with the Rules of the State Board of Education.

RIGHT OF PRIVACY

Every student has the right to privacy for educational records kept on him or her. Personally identifiable records of students are confidential and are exempt from the provisions of section 119.07(1) Florida Statutes (which permits access to public records). The College shall not permit the release of records without the written consent of the student (or parent/guardian if appropriate).

In such cases, no sanction may be imposed unless the student has been found guilty in a court of law or has declined to contest such charges, although not actually admitting guilt (e.g., "no contest" or "nolo contendere").

2. College disciplinary proceedings may be instituted against a student charged with violation of a law which is also a violation of this Student Code, for example, if both violations result from the same factual situation, without regard to the pendency of civil litigation in court or criminal arrest and prosecution. Proceedings under this Student Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off-campus.

3. When a student is charged by federal, state or local authorities with a violation of law, the College will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also the subject of a proceeding before a judicial body under the Student Code, however, the College may advise off-campus authorities of the existence of the Student Code and of how such matters will be handled internally within the College community. The College will cooperate fully with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators. Individual students and faculty members, acting in their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

Article IV: Judicial Policies

(A) Charges and Hearings

1. Any member of the College community may file charges against any student for misconduct. Charges shall be prepared in writing and directed to the Vice President for Student Affairs/Assistant General Counsel responsible for the administration of the College judicial system. Any charge should be submitted as soon as possible after the event takes place, preferably within five (5) class days.

2. The Vice President for Student Affairs/Assistant General Counsel may conduct an investigation to determine if the charges have merit and/or if they can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to the Vice President for Student Affairs/Assistant General Counsel, or the Vice President for Student Affairs may refer the matter to a judicial advisor who will conduct the investigation of the charges to determine if they have merit and can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to the Vice President for Student Affairs/Assistant General Counsel. Such disposition shall be final and there shall be no subsequent proceedings. If the charges cannot be disposed of by mutual consent, the judicial advisor may later serve in the same matter as the judicial body or a member thereof.

3. All charges shall be presented to the accused student in written form. A time shall be set for a hearing, not less than five (5) nor more than fifteen (15) class days after the student has been notified. Maximum time limits for scheduling of hearings may be extended at the discretion of the judicial advisor.

4. Hearings shall be conducted by a judicial body according to the following guidelines:
   a. Hearings normally shall be conducted in private. At the request of the accused student, and subject to the discretion of the chairperson, a representative of the student press may be admitted, but shall not have the privilege of participating in the hearing.
   b. Admission of any person to the hearing shall be at the discretion of the judicial body and/or its judicial advisor or Vice President for Student Affairs/Assistant General Counsel.
   c. In hearings involving more than one accused student, the chairperson of the judicial body, in his or her discretion, may permit the hearings concerning each student to be conducted separately.
   d. The complainant and the accused have the right to be assisted by any advisor they choose, at their own expense. The advisor may be an attorney. The complainant and/or the accused is responsible for presenting his or her own case and, therefore, advisors are not permitted to speak or to participate directly in any hearing before a judicial body.
   e. The complainant, the accused, and the judicial body shall have the privilege of presenting witnesses, subject to the right of cross examination by the judicial body.
   f. Pertinent records, exhibits, and written statements may be accepted as evidence for consideration by a judicial body at the discretion of the chairperson.
   g. All procedural questions are subject to the final decision of the judicial body chairperson.
h. After the hearing, the judicial body shall determine [by majority vote if the judicial body consists of more than one (1) person] whether the student has violated each section of the Student Code which the student is charged with violating.

i. The judicial body’s determination shall be made on the basis of whether it is more likely than not that the accused student violated the Student Code.

5. There shall be a single verbatim record, such as a tape recording, of all hearings before a judicial body. The record shall be the property of the College.

6. Except in the case of a student charged with failing to obey the summons of a judicial body or College official, no student may be found to have violated the Student Code solely because the student failed to appear before a judicial body. In all cases the evidence in support of the charges shall be presented and considered.

(B) Sanctions

1. The following sanctions may be imposed upon any student found to have violated the Student Code:
   a. Warning—A notice in writing to the student that the student is violating or has violated institutional regulations.
   b. Probation—A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to be violating any institutional regulation(s) during the probationary period.
   c. Loss of Privileges—Denial of specified privileges for a designated period of time.
   d. Fines—Previously established and published fines may be imposed.
   e. Restitution—Compensation for loss, damage or injury. This may take the form of appropriate service and/or monetary or material replacement.
   f. Discretionary Sanctions—Work assignments, service to the College or other related discretionary assignments (such assignments must have the prior approval of the Judicial Advisor).
   g. College Suspension—Separation of the student from the College for a definite period of time after which the student is eligible to return. Conditions for readmission may be specified.
   h. College Expulsion—Permanent separation of the student from the College.

2. More than one of the sanctions listed above may be imposed for any single violation.

3. Other than College expulsion, disciplinary sanctions shall not be made part of the student’s permanent academic record, but shall become part of the student’s confidential record. Upon graduation, the student’s confidential record may be expunged of disciplinary actions upon application to the judicial advisor.

4. The following sanctions may be imposed upon groups or organizations:
   a. Those sanctions listed above in Section B1, a through e.
   b. Deactivation—Loss of all privileges, including College recognition, for a specified period of time.

5. In each case in which a judicial body determines that a student has violated the Student Code, the sanction(s) shall be determined and imposed by the Judicial Advisor.

   a. Those sanctions listed above in Section B1, a through e.
   b. Deactivation—Loss of all privileges, including College recognition, for a specified period of time.
   c. College Suspension—Separation of the student from the College.
   d. Fines—Previously established and published fines may be imposed.
   e. Restitution—Compensation for loss, damage or injury. This may take the form of appropriate service and/or monetary or material replacement.
   f. Discretionary Sanctions—Work assignments, service to the College or other related discretionary assignments (such assignments must have the prior approval of the Judicial Advisor).
   g. College Suspension—Separation of the student from the College for a definite period of time after which the student is eligible to return. Conditions for readmission may be specified.
   h. College Expulsion—Permanent separation of the student from the College.

   (C) Interim Suspension

   In certain circumstances, the Vice President for Student Affairs/Assistant General Counsel, or a designee, may impose a College suspension prior to the hearing before a judicial body.

   1. Interim suspension may be imposed only:
      a. to ensure the safety and well-being of members of the College community or preservation of College property;
      b. to ensure the student’s own physical or emotional safety and well-being; or
      c. if the student poses a definite threat of disruption of or interference with the normal operations of the College.

   2. During the interim suspension, students shall be denied access to the campus (including classes) and/or all other College activities or privileges for which the student might otherwise be eligible, as the Vice-President for Student Affairs/Assistant General Counsel or the judicial advisor may determine to be appropriate.

(D) Appeals

1. A decision reached by the judicial body or a sanction imposed by the judicial advisor may be appealed by accused students or complainants to an appellate board within five (5) school days of the decision. Such appeals shall be in writing and shall be delivered to the Vice-President for Student Affairs/Assistant General Counsel or his/her designee.

   2. Except as required to explain the basis of new evidence, an appeal shall be limited to review of the verbatim record of the initial hearing and supporting documents for one or more of the following purposes:
      a. To determine whether the original hearing was conducted fairly in light of the charges and evidence presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and present evidence that the Student Code was violated, and giving the accused student a reasonable opportunity to prepare and present a rebuttal of those allegations.
      b. To determine whether the decision reached regarding the accused student was based on substantial evidence, that is, whether the facts in the case were sufficient to establish that a violation of the Student Code occurred.
      c. To determine whether the sanction(s) imposed were appropriate for the violation of the Student Code, which the student was found to have committed.
      d. To consider new evidence, sufficient to alter a decision, or other relevant facts not brought out in the original hearing, because such evidence and/or facts were not known to the person appealing at the time of the original hearing.

   3. If an appeal is upheld by the appellate board, the matter shall be remanded to the original judicial body and judicial advisor for re-opening of the hearing to allow reconsideration of the original determination and/or sanction(s).

   4. In cases involving appeals by students accused of violating the Student Code, review of the sanction imposed by the appellate board may result in concurrence of the existing sanction, reduction of the exiting sanction, elimination of the existing sanction, or revision of the existing sanction.

Article V: Interpretation and Revision

   (A) Any question of interpretation regarding the Student Code shall be referred to the Vice President for Student Affairs/Assistant General Counsel for final determination.
(B) The Student Code shall be reviewed every two (2) years under the direction of the judicial advisor.

Students are expected to take reasonable care of the classrooms, student centers, and other facilities of the three SJR State centers. Students who abuse property or facilities will be reported to the Vice President for Student Affairs/Assistant General Counsel for disciplinary action.

DIRECTORY INFORMATION OPT OUT FORM

In accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA) as amended, commonly known as the Buckley Amendment, St. Johns River State College defines public or “directory information” as the following:

Name, address, telephone listing, electronic mail address, photograph, date and place of birth, major field of study, dates of attendance, grade level, enrollment status (e.g., undergraduate or graduate, full-time or part-time), dates of attendance, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors, awards received and the most recent educational agency or institution attended.

Directory information, as defined by St. Johns River State College, may be released at the College’s discretion without the student’s written consent (unless a request for nondisclosure has been received by the Registrar’s Office within 15 days after the close of registration.) Nondisclosure shall remain in effect until the student gives written request to remove said nondisclosure to the Registrar’s Office. Forms are also available in the Registrar’s Office.

Students requesting nondisclosure must consider the ramifications of nondisclosure prior to requesting nondisclosure. A Nondisclosure request will prevent the College from responding to inquiries received from potential or current employers, any agency requesting verifications of enrollment (except as required under FERPA), publications (i.e. student directory), nominations for scholarships or national dean’s lists, and other requests for directory information.

If you do not wish to have your directory information released, please complete, sign, and submit this form to the Registrar’s Office within fifteen (15) days after the close of registration to prevent inclusion in this term’s directory. The election to be excluded from the directory shall remain in effect until the Registrar’s Office is notified in writing. Exclusion requests received later than fifteen (15) days after the close of registration shall be effective for subsequent terms.
