Equivalency of Training (EOT) Assessment Information:

Eligibility for EOT Assessment:

- Law enforcement, correctional or correctional probation officers from another state, a federal agency, or the military who are either active or have less than an eight year break in service.
- A former Florida law enforcement, correctional, or correctional probation officer with more than four years break in service, but less than eight years.

Purpose:

To obtain certification as an officer in Florida without first attending (or re-attending) a full basic recruit academy in Florida.

Steps: (You must complete each step before progressing to the next.)

- (1) Successfully **complete** an **EOT Assessment** showing that applicant has attended sufficient basic training and was employed full time as an officer for at least 1 year in a job that ended no more than 8 years ago, and;
- (2) **Demonstrate proficiency** in certain high-liability physical skills (defensive tactics, firearms, medical first responder (i.e., First Aid or equivalent), and for law enforcement officers only - driving) at a Florida Criminal Justice Training Academy; and;
- (3) **Pass** the Florida **State Officer Certification Examination (SOCE)**.

To determine if you qualify:

In order for us to evaluate your training and employment,

- Submit an application providing us with requested information.
- Execute a waiver authorizing us to make inquiries.
- Pay the designated fee.

If you qualify:

You will receive a Criminal Justice Standards and Training Commission (CJSTC) Form 76 from us, showing your eligibility to proceed with the Proficiency Demonstration and the SOCE. To allow enough time for the evaluation, submit your application well in advance of the date you intend to attend a review course or take the SOCE. (Please allow 4 to 6 weeks for the assessment step.) All information provided by applicants is subject to verification.

EOT Assessment

How to Apply:

1: Complete the **Equivalency of Training (EOT) Application**. To qualify, your employment records must establish that you were employed as a full-time (i.e., at least 40 hours per week) sworn law enforcement officer (authorized to bear arms and make arrests), correctional officer, or correctional probation officer, either by working for a single agency for one full year, or for a cumulative twelve full months at two agencies within an eighteen-month period. Qualifying employment cannot include time spent in an academy, even if you were receiving pay while attending the academy. There cannot be more than an 8-year gap from the end of your most recent qualifying employment to the submission of your complete EOT Application. Employments that typically do not establish EOT qualification are seasonal, part-time, reserve (civilian or military), volunteers, military security forces, military vessel-boarding teams, etc. The application must be notarized. We verify all qualifications in writing. **Your former (or present) criminal justice employer will be contacted, no exceptions.**

2: Execute the waiver we need in order to verify your training and employment, FDLE “Authority for Release of Information” (CJSTC Form 58), included with this EOT Application. This waiver must also be notarized.

3: (Former Florida officers skip this step.) Attach all documentation (course outline and certificate of completion) showing that you completed training in all the required subjects listed below for your discipline (law enforcement, corrections or correctional probation). This training may be from your employer, an accredited college, or a certified state, local, or federal training academy.

EOT Evaluation

What Comes Next:

When your evaluation is complete and you qualify, we will send you the CJSTC-76 form by mail. You will then have **1 year from the date you receive that form** to demonstrate your proficiency in high liability subjects and pass the State Officer Certification Examination (SOCE). We highly recommend that you consider taking a review course for the SOCE in conjunction with the proficiency demonstrations. [If you fail to complete these requirements within the 1 year, you will be required to complete the full basic training academy to become certified, or in the case of former Florida officers, to become re-certified.]

The St. Johns River State College Criminal Justice Training Center offers the SOCE review course as a part of the Equivalency of Training (EOT) demonstrations of proficiency. The contact information is below:

- Be a high school graduate or its equivalent.
- Not have been convicted of any felony, or of a misdemeanor involving perjury or false statement. If you have questions about such standards or your ability to meet them, please contact the agency(s) where you intend to seek employment.
- Still further, Rule 11B-35.009 (7) requires that individuals who have qualified for exemption from the full basic recruit training program must become employed within four years from the beginning date of the required proficiency demonstration.
