

St. Johns River State College

BAS in Organizational Management Healthcare Administration Specialization

Student Name:	
Catalog Year:	
Proposed Graduation Date:	
Advisor:	

This program provides the skills and knowledge necessary to enter the workforce or advance in a mid-management level position. The program will prepare for careers within the public, private and non-profit sectors. A practical approach with real-world applications of skills and knowledge will be used to gain an understanding of leadership issues involved in the operations of a business organization.

NOTE: Prerequisite requirements must be met prior to enrolling in required courses.
