AUTHORIZATION FOR USE OF FEDERAL TITLE IV FUNDS
(Pell, SEOG, Work Study, and Federal Loans)

This form must be completed and returned to the Financial Aid Office before a federal financial aid award offer can be made.

Notes/Instructions: Based on current federal financial aid guidelines, the following information is needed to determine how you want to use any federal financial aid you receive, for the specific purpose mentioned below. The College will, where applicable, deduct payment for all tuition and fees from any federal aid awarded to you for a given semester. However, you must specify whether you want to use any remaining federal aid balance to pay any applicable prior year balances that exist or may occur in the future. Check “YES” if you are authorizing this item; check “NO” if you are not authorizing this item. If you owe the College money from a prior year/term, checking “YES” to the item below might not relieve you of your financial obligation. You might still be required to pay any prior balance due to the College before being permitted to register. Once you submit your choice, your choice can be changed at any time by submitting a new form.
