Dear Board of Directors:

We have prepared the following returns from information provided by you without verification or audit.

Return of Organization Exempt From Income Tax (Form 990)

Please be sure to read the attached Tax Return Engagement Memorandum. We suggest that you examine these returns carefully to fully acquaint yourself with all items contained therein to ensure that there are no omissions or misstatements. Attached are instructions for signing and filing each return. Please follow those instructions carefully.

Enclosed is any material you furnished for use in preparing the returns. If the returns are examined, requests may be made for supporting documentation. Therefore, we recommend that you retain all pertinent records for at least seven years.

In order that we may properly advise you of tax considerations, please keep us informed of any significant changes in your financial affairs or of any correspondence received from taxing authorities.

If you have any questions, or if we can be of assistance in any way, please call.

Sincerely,

Purvis, Gray & Company, LLP

TAX RETURN ENGAGEMENT MEMORANDUM

We appreciate the opportunity to serve you and prepare your tax return. This memorandum is to inform you of important matters related to that preparation and remind you of some important responsibilities placed on you as the taxpayer. **Please read this carefully before signing your return.**

Your tax return was prepared using information you provided. We have not audited or independently verified the data you furnished even though we may have asked for further clarification on some of the information, even if we issued an auditors' or accountants' report on your financial statements. It is your responsibility to provide all the information required for the preparation of complete and accurate returns. You should retain all the documents, canceled checks and other information that form the basis of income and deductions. This includes documents we returned to you. Such documentation may be necessary to prove the accuracy and completeness of the return to a taxing authority.

Your returns are subject to review by taxing authorities. Any items resolved against you by the examining agent are subject to certain rights of appeal. In the event of an examination, we will be available to represent you, billing you for such services at our standard hourly rates.

Generally, no deduction shall be allowed for any travel or entertainment expense, business gifts, or for the use of "listed property," unless the taxpayer can substantiate the business use or purpose by adequate records or sufficient evidence. For a meal or entertainment deduction, the records must document the amount, time, place and business purpose. The term "listed property" includes property subject to business and personal use, e.g., automobiles, boats, airplanes, portable telephones and home computers. Failure to comply with these requirements can result in the disallowance of the deductions and in the assessment of substantial penalties. Our understanding is that information you provided is supported by records required.

Special documentation requirements apply when deducting certain charitable contributions. Examples of these requirements include (1) certain contributions of \$250 or more must be supported by a written acknowledgement from the charitable organization; (2) a deduction of \$500 or more of a motor vehicle, boat, or airplane requires an attached statement to your return; and (3) certain noncash contributions of \$5,000 or more may require a timely prepared "qualified appraisal" or the deduction will be disallowed. We have not attempted to verify your records regarding charitable contributions, even though we may have asked you for clarification or additional details while preparing the return.

The law provides for a number of penalties which may be assessed by the Internal Revenue Service or other tax authority. A complete list of those penalties is not included herein, but please be advised that a penalty may apply if (1) there is a late payment of tax; (2) there is a failure to timely file the return; or (3) there is a failure to make timely and adequate estimated tax payments. Also, a 20% penalty may be applied if there is (1) negligence or disregard of the rules and regulations; (2) a substantial valuation overstatement; (3) a substantial estate or gift valuation understatement or (4) there is a substantial underpayment of income tax. A substantial underpayment generally is one that exceeds the greater of 10% of the correct tax for the year or \$5,000 (\$10,000 in the case of a "C" corporation).

As taxpayer, you have the final responsibility for the tax return. You should carefully

review any return before you sign and file such return. After you review your return, if you find that you did not provide us with all necessary information or there is a possibility that information provided may not be in accordance with the appropriate guidelines, please contact us immediately to discuss such matters before filing the tax return since revisions may be required.

Once again, thank you for the opportunity to be of service.
