RFQ responses which are found to contain inaccurate and/or incomplete information may be deemed non-responsive and are grounds for rejection of the response.

Performance Inquiry: As part of the RFQ response evaluation, the College may make inquiries to determine the ability of the Contractor to perform the work. In the event any provision of this RFQ or any agreement resulting from this RFQ shall be held invalid or unenforceable by a court of competent jurisdiction, or by an administrative hearing officer in accordance with Chapter 120, Florida Statutes, such holding shall not invalidate or render unenforceable any other provision hereof.

Protests may be preliminarily filed, if followed by a certified mail original, via facsimile transmittal to 386-312-4167.
