

The St. Johns River State College Board of Trustees and the College's CEO/President Joe Pickens engage in systematic collaboration that promotes effective governance within the College and the entire Florida College System (FCS).

The College developed a substantive training program for board members that includes a Trustee Orientation Program for new trustees and participation in both statewide Trustee Chair Training and the annual Trustee Legislative Conference.

SJR State President Joe Pickens arranged for Dr. Belle Wheelan, President of SACS Commission on Colleges, to present "Trustee Workshop Training" on the role of the Trustee in college governance. Trustees from neighboring colleges were invited to attend, and the presentation was recorded and distributed to the other 27 Florida colleges to share with their Trustees.
