BACHELOR OF SCIENCE DEGREE
ONLINE PROGRAM

The nursing education program for the Bachelor of Science in Nursing is accredited by the Accreditation Commission for Education in Nursing (ACEN), 3390 Peachtree Road NE, Suite 1400, Atlanta, GA 30326 (404) 975-5000, www.acenursing.org

The program is designed for Associate degree registered nurses who hold a current valid, and unencumbered licensure as a Registered Nurse in the United States, or ASN graduates who are waiting to take the licensure exam and seek advanced studies in nursing. The BSN program will provide traditional and nontraditional registered nurse students with access to a baccalaureate degree, in an online format.

DEPARTMENT OF NURSING BSN PROGRAM MISSION STATEMENT

The BSN degree curriculum fosters personal and professional growth through traditional and non-traditional learning experiences to facilitate the educational advancement of the Registered Nurse. The BSN program seeks to further amplify the student’s safe and effective patient care practices and to prepare students for careers that positively affect health care within their communities. The BSN curriculum builds on the competencies, knowledge, and practices that the students bring from previous academic nursing programs and work experiences, and the curriculum expands on professional nursing values resulting in a broader scope of professional practice and professional role identity.

END OF PROGRAM STUDENT LEARNING OUTCOMES

At the completion of the Bachelor of Science in Nursing degree program, the BSN student should be able to:
1. Expand the use of the nursing process to construct safe and effective care in the restoration of self-care agency of individuals, families, and communities. (Nursing Judgment)
2. Create open communication, mutual respect, and shared decision making to achieve desired healthcare outcomes. (Collaboration)
3. Appraise evidence-based research to improve nursing practice and healthcare outcomes. (Evidence-Based Practice)
4. Integrate knowledge from nursing and other disciplines to provide culturally competent care to diverse global populations. (Culture)

For additional information, visit our website at SJRstate.edu or call the Palatka nursing office at (386) 312-4176, the Orange Park nursing office at (904) 276-6863 or the St. Augustine allied health office at (904) 808-7465.

The program consists of 120 credit hours of general education and nursing-related core courses.

ADMISSION REQUIREMENTS

The BSN program is an open access program for students who meet the following admission requirements:
1. Admission to SJR State
2. Submission of a completed application to the baccalaureate program in nursing
3. Completion of an Associate in Science degree in Nursing with at least a 2.0 grade point average on a 4.0 scale prior to upper division acceptance
4. Submission of official transcript(s) indicating the coursework taken and the degree(s) awarded
5. Proof of an active, current, valid, and unencumbered license as a Registered Nurse in the United States. A student, waiting for licensure, may be admitted in a provisional status for one year after graduation from a registered nurse program, as long as all other admission criteria are met.

POST ADMISSION REQUIREMENTS

Following acceptance into the program, BSN students must complete the following requirements. Failure to comply with these requirements may result in administrative withdrawal from the nursing program.
1. Complete the online BSN Student Orientation
2. Students must complete the American Heart Association Basic Life Support for Health Care Providers (CPR & AED) program – BLS for Health Care Providers certification is to be valid through the date of graduation from the SJR State BSN nursing program. ACLS may be substituted for BLS
3. Maintain an active, current, valid, and unencumbered licensure as a Registered Nurse in Florida. A student may be admitted in a provisional status for one year while awaiting licensure as long as other admission criteria are met.

CIVIC LITERACY REQUIREMENT

Baccalaureate students initially entering a Florida College System institution fall semester 2021 or thereafter must demonstrate competency in civic literacy, to include demonstration of the following competencies:

- Understanding of the basic principles and practices of American democracy and how they are applied in our republican form of government;
- An understanding of the United States Constitution and its application;
- Knowledge of the founding documents and how they have shaped the nature and functions of our institutions of self-government; and
- An understanding of landmark Supreme Court cases, landmark legislation and landmark executive actions and their impact on law and society.

Demonstrating competency of civic literacy is met by both earning credit for one of the approved courses and passing one of the approved assessments prior to graduation:

- Approved Courses:
  - POS 1041 United States Federal Government
  - AMH 2020 United States History Since 1877
  - AP Government and Politics: United States (minimum score 3)
  - AP United States History (minimum score 4)
  - CLEP: American Government (minimum score 50)

- Approved Assessments:
  - AP Government and Politics: United States (minimum score 3)
  - AP United States History (minimum score 4)
  - CLEP: American Government (minimum score 50)
  - Civic Literacy Assessment administered in Florida high schools in US Government course (must appear on high school transcript)
  - Florida Civic Literacy Test (administered by SJR State Testing Department)

Completion of an approved course does not waive the requirement of successfully passing one of the approved assessments, nor does successfully passing one of the approved assessments waive the requirement of successfully passing the approved course, with the following exception: the indicated minimum score of the AP Government & Politics: United States; AP US History; or CLEP American Government assessment meets both the civic literacy course and the civic literacy assessment requirements.
