Voluntary Confidential Report of Crimes  
If you are a victim of a crime and do not want to pursue action within the College System or the criminal justice system, you may still want to consider making a confidential report. With your permission, the Director of Security or a designee of SJR State Campus Safety and Security can file a report on the details of the incident without revealing your identity. A victim or witness of a crime may also report that information to Campus Safety and Security via the Silent Witness form located on the public SJR State website at SJRstate.edu/silentwitness or via the MySJRstate portal (SJRstate.edu/mysjrstate) under the Campus Safety and Security tab. The purpose of a confidential report is to comply with your wishes to keep the matter confidential, while taking steps to ensure the safety of yourself and others. With such information, the College can keep an accurate record of the number of incidents involving students, determine whether there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the College.

JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS ACT  
This Federal Act requires that SJR State distribute information regarding certain on-campus crimes to all current and potential students and employees. SJR State is dedicated to the provision of a safe learning and working environment for all students and employees. This information is posted on the College Safety and Security website at SJRstate.edu/safety.

The Campus Safety and Security office coordinates the Silent Witness program. Silent Witness is a college-wide crime prevention program whereby all members of the College are encouraged to report suspicious or criminal activity to the Campus Safety and Security office and/or the appropriate law enforcement agency. A victim or witness of a crime may report information anonymously to Campus Safety and Security via the Silent Witness form located on the public SJR State website at SJRstate.edu/silentwitness or via the MySJRstate portal (SJRstate.edu/mysjrstate) under the Campus Safety and Security tab.

SJR State security officers and private contract security officers are armed and licensed by the state of Florida. College and private contract security officers are not law enforcement officers, but they work closely with local law enforcement agencies on reporting and follow-up actions or investigations related to criminal activities on campus. In order to facilitate this relationship and to assist in crime prevention, all employees and students are encouraged to promptly report all criminal or suspicious activity to the security officer on duty on the campus. The College has no recognized fraternities or other off-campus student organizations, and there are no records maintained on liquor, drugs or weapons violations by students associated with such organizations.

TIMELY WARNINGS (REGARDING CLERY ACT CRIMES)  
In the event that an on-campus or off-campus event arises, that, in the judgment of the College President, Senior Vice Presidents, or the Director of Safety and Security (or designee), constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. The warning will be issued by Campus Safety and Security personnel, or an appropriate designee, via numerous Emergency Notification Systems including the Genave Notification System, the Voice-Evac emergency notification speaker system, the Voice-Evac emergency notification speaker system and through emergency notification software, which includes telephone, email and text messaging to students, faculty and staff. Posters pertaining to the criminal event may also be posted throughout the campus for further notification. Anyone with information possibly warranting a “timely warning” should report the circumstances to the Campus Safety & Security office, by telephone, at the appropriate campus as follows:
EMERGENCY NOTIFICATION POLICY

It is imperative that a timely warning be issued, without delay, in the event of a Clery Act crime occurring within the campus Clery geography, if there is an immediate or continuing threat to students, employees or property. Emergency notification may also be given for non-Clery Act crimes if the crime poses a threat to persons or property.

Whether or not to issue an emergency notification timely warning must be decided on a case-by-case basis. Considerations include the nature of the crime that was reported, the possible continuing danger to the campus community, and the possible risk of compromising law enforcement efforts.

Whenever possible, it is recommended that the College President, Senior Vice Presidents, and Director of Campus Safety and Security (or designee) meet to determine whether or not a timely warning should be issued. If this is not possible, the discretion is left to the Director of Campus Safety and Security or his designee.

Any security officer may issue the order to lock down, evacuate, or shelter in place if the need arises. This would usually be initially accomplished via the Emergency Notification System (Genave) and/or the Voice Evac system.

DISCLOSURE OF CRIME STATISTICS

The Department of Campus Safety and Security prepares the crime statistics report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. This report is prepared in cooperation with the local law enforcement agencies surrounding the Palatka, Orange Park and St. Augustine campuses. The past three years of crime statistics for each campus are listed at the end of this report.

Campus crime, arrest and student referral statistics (of a Clery nature) include those reported to the Department of Campus Safety and Security officials and law enforcement agencies. Those crimes used in compiling statistics include the following: murder, manslaughter, robbery, aggravated assault, burglary, motor vehicle theft, arson, liquor law violations, drug related violations (sale and possession), weapons law violations, forcible sex offenses, non-forcible sex offenses, hate crimes, domestic violence, dating violence, and stalking.

Each year this report is provided to all current students, faculty and staff via their SJR State email address and is also available in the MySJRstate portal. It is also made available to prospective students, faculty, employees, and staff online at SJRstate.edu/safety.

A paper copy of the report is also available from the Campus Safety and Security office located on each campus.

DAILY CRIME/INCIDENT REPORT LOG

The SJR State Campus Safety and Security office maintains a daily Crime/Incident Log. The log is available for inspection during normal business hours within the Campus Safety and Security office at each campus.

FEDERAL CAMPUS SEX CRIMES PREVENTION ACT OF 2000 AND FLORIDA SEXUAL PREDATOR AND SEXUAL REGISTRATION NOTIFICATION LAW

Pursuant to the Federal Campus Sex Crimes Prevention Act of 2000 and the Florida Sexual Predator and Sexual Registration Notification Law, SJR State establishes the following procedure to insure the availability of information to the campus community concerning the presence of registered sexual offenders or predators attending SJR State.

All information regarding registered sexual offenders or predators attending SJR State will be coordinated and maintained by the SJR State Campus Safety & Security office. SJR State Campus Safety & Security office will maintain a current copy of the offender/predator’s Florida Department of Law Enforcement offender flyer including his/her photograph and current SJR State campus location.

Inquiries regarding any sexual predator or predator attending any SJR State campus should be directed to James Griffith, Director of Campus Safety, at JamesaGriffith@SJRstate.edu, telephone number (386) 312-4064 or telephone number (386) 312-4095, Monday through Friday during normal business hours. Information relating to Florida’s registered sexual offenders and predators is public record and may also be viewed at offender.fdle.state.fl.us or by calling 1-888-357-7332. For TTY Accessibility: 1-877-414-7234.

This website contains public record information on offenders classified as sexual predators and sexual offenders under Florida law because of a conviction for a sex-related crime and/or a specified crime against children: www.fdle.state.fl.us.

FDLE has also established a toll-free number (1-888-FL-PREDATOR) or (1-888-357-7332) that allows the public to request information about sexual predators and sex offenders living in their communities and around the state. They can also be contacted via email: sexpred@fdle.state.fl.us.

Upon notification of the presence of an offender/predator, it is the responsibility of the law enforcement agency with jurisdiction over the offender/predator’s address to inform the College administration that the offender/predator has stated that he/she is currently enrolled at, or employed by the College. The College administration can then make all prudent notifications to members of the campus community.

POLICY STATEMENT ON SEXUAL HARASSMENT AND SEXUAL ASSAULT

SJR State prohibits domestic violence, dating violence, sexual assault, sexual harassment, and stalking. Sex without consent is a violation of SJR State policy.

Whenever an incident of sexual assault, domestic violence, dating violence, or stalking occurs within the Clery geography of any of the SJR State campuses, the victim has the option to notify campus security and/or local law enforcement and be assisted by campus authorities in notifying law enforcement if he/she chooses. Information will be gathered and forwarded to the local law enforcement agency for further investigation, if warranted. We stress, to the victim, the importance of preserving any evidence of such crimes. In the event of orders of protection, no contact orders, or similar lawful orders issued by a criminal, civil, or tribal court, SJR State Campus Safety and Security officers will work closely with local law enforcement to ensure the proper level of protection is afforded to the victim by such document.

SEXUAL COERCION AND SEXUAL ASSAULT

The Prevalence of Sexual Coercion

Researchers have determined that sexual coercion occurs more frequently with college students than any other cohort because of the college lifestyle. As fun as it may be at times, the college lifestyle
What is Sexual Coercion?
Sexual coercion is being persuaded to have sex when you don’t want to. It may apply to a specific act or to initiating or continuing a sexual relationship. An individual may give in to coercion for any number of reasons and then may feel guilt and shame.

Recognizing Sexual Coercion:
Is your partner pressuring you to have sex because...
- Sex is the way to prove love
- You had sex in the past, so you can’t say no now
- All your friends are having sex
- Your partner threatens to leave you or threatens violence
- Guilt trips

How would you answer the following questions?
- Do you have unprotected sex because of your partner’s demands?
- Have you had a sexual experience that left you frightened?
- Are you being sexually pressured from your date, partner or friend?
- Are you having doubts or regrets over your partner’s sexual demands?
- Are there times that you feel that you can’t say no to having sex?
- Are you in a sexual relationship that makes you feel powerless?

Avoiding unwanted sex:
- Recognizing the signs of sexual coercion is the first step
- Trust your instincts and feelings
- Do you feel uncomfortable with the situation or circumstances?
- Say no firmly and leave
- Avoid alcohol and drugs that may harm judgment or make your partner more aggressive
- Set your boundaries and communicate clearly
- Seek help

Learn ways to respond to sexual pressure. You could say:
- “I really like you. I’m just not ready to have sex.”
- “If you really care about me, you’ll respect my decision.”
- “I said no. I don’t owe you an explanation.”

What is Sexual Violence?
Any sexual contact or activity with an intimate partner that makes a person feel uncomfortable, with the purpose of controlling through fear, threats, coercion, manipulation or violence.

What is Sexual Battery?
Sexual battery means oral, anal, or vaginal penetration by, or union with, the sexual organ of another or the anal or vaginal penetration of another by any other object committed without your consent.

SEX WITHOUT CONSENT IS A CRIME covered under Florida Statute 794.011 and can be reported to law enforcement. Consent means intelligent, knowing, and voluntary consent and does not include coerced submission. The law says that consent does not mean your failure to offer physical resistance to the offender. If you are under 16 years of age, consent cannot be used as a defense to a sexual crime. Further, a 16 or 17 year-old cannot legally consent to sexual activity with a person in a position of familial or custodial authority or with a person 24 years of age or older.

SEX WITHOUT CONSENT IS A VIOLATION OF SJR STATE POLICY.
If the accused is a student, the matter can be reported to the Office of Student Affairs for disciplinary review and possible disciplinary action up to and including expulsion from the College.

Evidence Preservation and Medical Care:
- If you are the victim of a sexual assault, find a safe environment - anywhere away from the attacker.
- Ask a trusted friend or family member to stay with you for moral support.
- Report the attack to police by calling 911 and/or notifying College Campus Safety and Security if you are on campus.
- Don’t bathe or brush your teeth.
- Don’t change clothes
- Write down all the details you can recall about the attack and the attacker.
- Ask the hospital to conduct a rape kit exam to preserve forensic evidence.
- If you suspect you were drugged, ask that a urine sample be collected. The sample will need to be analyzed later on by a forensic lab.
- A medical professional will assist with evidence collection, treatment of injuries and can prescribe medications to protect you from certain sexually transmitted infections and recommend follow-up care.
- A counselor on the National Sexual Assault Hotline at 1-800-656-HOPE (4673) can help you understand the process.
- If you know that you will never report, still get medical attention. Even with no physical injuries, it is important to determine the risks of STDs and pregnancy. Call the National Sexual Assault Hotline for free, confidential counseling, 24 hours a day: 1-800-656-HOPE (4673).

How Do I Get Assistance While on Campus?
The College has a designated Title IX Coordinator to oversee its response to all reports of sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking, to conduct training, and to coordinate compliance with the mandates of Title IX. The Title IX Coordinator is knowledgeable and trained in the College’s policies and procedures, state and federal laws that apply to sexual misconduct and harassment, and the dynamics of sexual misconduct and harassment. The Title IX Coordinator is available to meet with any individual to discuss the options for resolving a report under this policy.

The SJR State Title IX Coordinator is Charles Romer. He is located in the Administration Building (Office A0173), and his mailing address is 5001 St. Johns Avenue, Palatka, Florida 32177. His phone number is (386) 312-4074, and his email is CharlesRomer@SJRstate.edu.

Security is available for assistance 24/7 on all campuses.

Duty to Investigate
SJR State has a duty to immediately investigate a complaint of sexual harassment, sexual coercion and sexual assault even if the complainant asks that it not do so. If the complainant requests anonymity, the complainant will be protected from retaliation; however anonymity may limit the school’s ability to respond. The complainant will be assured that the investigation will be discreet and only disclosed on a “need to know” basis. In deciding how to proceed, the College will weigh the complainant’s anonymity request...
against the alleged perpetrator’s potential danger to other students. In addition, the College will determine whether interim protective actions are necessary, such as issuing a “no contact” directive or separating a complainant and respondent. The College will attempt to minimize any burden on complainants. The complainant will be provided with information regarding his/her options regarding the investigation, including the choice to report to law enforcement, and available medical and mental health treatment options.

Written Notifications
Students and employees have certain rights and available services in the event they are a victim of assault, battery, stalking, sexual violence and physical violence. These rights and available services are listed in a brochure available at Counseling and Security offices and Student Service Centers of the College campuses. Also available is a brochure reference dating violence and stalking, domestic violence, sexual coercion and sexual assault.

SEXUAL MISCONDUCT POLICY

Introduction
SJR State is committed to creating and maintaining a community in which students, faculty and staff can work together in an atmosphere free of gender and sex discrimination. Every member of the College community should be aware that SJR State is strongly opposed to sexual misconduct and harassment and that such behavior is prohibited both by law and College policy and will not be tolerated. The College is committed to fostering a community that promotes prompt reporting of all types of sexual misconduct, to include sexual assault, sexual harassment, domestic/dating/physical violence, and/or stalking and ensures timely and fair resolution of sexual misconduct and harassment complaints. It is the intention of the College to take appropriate action to end the misconduct or harassment, prevent its recurrence, and address its effects.

As a recipient of Federal funds, the College is required to comply with Title IX of the Higher Education Amendments of 1972, which prohibits discrimination based on sex in education programs or activities. Sexual misconduct and harassment, as defined in this policy, is a form of sex discrimination prohibited by Title IX. SJR State is committed to providing an educational environment, programs, and activities free from sex discrimination.

Purpose of Policy
This policy is intended to educate the SJR State community, students, faculty and staff who have been affected by sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking, whether as a reporting party, responding party, or third party.

When used in this policy, reporting party refers to the person(s) who reports to the College that they have been the subject of sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking. Responding party refers to the person(s) who is/are reported to have committed acts of sexual misconduct/harassment, domestic/dating/physical violence and/or stalking. A third party refers to any other participant in the process, including a witness to the misconduct or harassment or an individual who makes a report on behalf of someone else.

The purpose of this policy is to:
- Define sexual misconduct and harassment and the forms of sexual misconduct and harassment that violate our community standards;
- Define domestic/dating/physical violence and stalking that violate our community standards;
- Identify resources and support for all members of the SJR State community (see page 46 – Sexual Misconduct Policy Resources);
- Identify the Title IX coordinator and the scope of his/her role;
- Provide information as to where a member of the SJR State community can obtain support or access resources confidentially;
- Provide information on how a member of the SJR State community can make a report on campus and/or off campus;
- Provide information on how a report against a member of the SJR State community will be investigated, evaluated and adjudicated.

Scope of Policy
This policy applies to all members of the SJR State community, including, but not limited to, faculty, staff, students and volunteers. All faculty, staff, students and volunteers are responsible for their actions and behavior, whether the conduct in question occurs on campus or in a different location. As such, this policy applies to both on-campus conduct and relevant off-campus conduct that affects the community.

Vendors, independent contractors, visitors, and others who conduct business with SJR State or on College property are also expected to comply with this policy. The College will take timely action in all allegations of sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking to ensure the safety of the SJR State community and to provide an environment free from gender and sex discrimination.

Applicants and Volunteers
College policy prohibits applicants, new employees and volunteers from being alone with a minor child pending completion of a criminal background check. Until this process is complete and new employees or volunteers have been cleared and begin employment or volunteer work at the College, another adult must be present at all times when a minor child is present. The College maintains the explicit right to terminate an employee or remove a volunteer if the criminal background check results reveal adverse information.

The Notice of Non-Discrimination
The District Board of Trustees has approved policy statement 3.12 on Equality of Opportunity and Non-Discrimination as follows:
St. Johns River State College does not discriminate against any person in its programs, activities, policies or procedures based on race, ethnicity, color, national origin, marital status, religion, age, gender, sex, pregnancy, sexual orientation, gender identity, genetic information, disability, or veteran status. All questions or inquiries regarding compliance with laws relating to non-discrimination and all complaints regarding sexual misconduct or discrimination, may be directed to the Title IX Coordinator/Equity Officer, St. Johns River State College, 5001 St. Johns Avenue, Palatka, Florida, 32177; (386) 312-4074. (Any changes to Policy SJR 3.12 will update herein as amended from time to time.)

SJR State does not discriminate based on sex in its educational programs and activities or in the context of employment. Sexual misconduct and harassment as defined in this policy, is a form of sex discrimination prohibited by Title IX of the Education Amendments of 1972. Title IX requires that no person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.

Sexual misconduct and harassment are also prohibited under Title VII of the Civil Rights Act of 1964 and other applicable statutes.

Statement of Privacy and Confidentiality
SJR State is committed to protecting the privacy of all individuals involved in a report of sexual misconduct, and/or harassment. The College will balance individual privacy with its obligation to conduct a thorough review of allegations to protect the parties and broader community and maintain an environment free from sexual misconduct and harassment.

Faculty, staff, students and volunteers wishing to obtain confidential assistance without making a report to the College may do so by speaking with a confidential resource listed on the Resources pages (see page 46 – Sexual Misconduct Policy Resources).

Apart from the confidential resources identified pursuant to this policy, all other College staff and faculty who receive a report of sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking are required to elevate the report to the Title IX Coordinator for investigation and response. The Title IX Coordinator will ensure that the College responds to all reports in a timely, effective, and consistent manner.

The privacy of all parties involved will be respected. Information related to a report of sexual misconduct and/or harassment will be shared only with those College employees who “need to know” to assist in the investigation and/or resolution of the complaint. All College employees who are involved in the review, investigation, or resolution of a report have specific training regarding the safe guarding of private information.
Where the College has received a report of sexual misconduct/harassment, domesticdating/physical violence, and/or stalking but the reporting party requests that the matter remain confidential and/or requests that the College not pursue an investigation, the College must balance this request with its responsibility to provide a safe and non-discriminatory environment for all members of the SJR State community. The College is required to take all reasonable steps to investigate and respond to a complaint, but the ability to do so may be limited by the reporting party’s request. However, under compelling circumstances including: evidence of a pattern of repetitive behavior, the use of force or threat of force, or the use of a weapon by the responding party, the College may conduct further investigation, or take other appropriate measures without the reporting party’s consent. The reporting party will be informed whenever possible of any action the College takes to resolve the complaint, including further investigation and corrective or disciplinary steps.

If a report of sexual misconduct and/or harassment poses an immediate threat to the SJR State community and timely notice must be given to protect the health or safety of the community, the College may not be able to maintain the same level of privacy. Immediate threatening circumstances include, but are not limited to: reported incidents of misconduct that include the use of force, a weapon, or other circumstances that represent a serious and ongoing threat to the SJR State community. Under Florida law, the College is mandated to report any abuse of a minor (under the age of 18) to the Florida Abuse Hotline (1-800-962-2873). The reporting party will be informed whenever possible of any action the College takes to resolve the complaint, including further investigation and corrective action.

Prohibited Conduct and Definitions

This policy addresses a broad spectrum of behavior, all of which falls under the broad definition of sexual misconduct.

1. Sexual Harassment: Unwanted and unsolicited sexual advances, requests for sexual favors, and other deliberate or repeated communication of a sexual nature, whether spoken, written, physical or pictorial, shall constitute sexual harassment when:
   • Submission to such conduct is made, either implicitly or explicitly, a term or condition of an individual’s employment, academic status or participation in College-sponsored activities;
   • Rejection of such conduct is used as the basis, implicitly or explicitly, for imposing adverse terms and conditions of employment, academic status or participation in College-sponsored events; or
   • Such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or creating an intimidating, hostile or offensive working or learning environment.

A single isolated incident of sexual misconduct and/or harassment may create a hostile environment if the incident is sufficiently severe. The more severe the conduct, the less need there is to show a pattern of incidents for a hostile environment, particularly if the sexual misconduct and/or harassment is physical.

Sexual misconduct and/or harassment also includes gender-based harassment, which may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex stereotyping, even if those acts do not involve conduct of a sexual nature.

Examples include, but are not limited to:
   • Making demeaning sexist statements, humor or jokes about sex or gender-specific traits, crude sexual remarks, offensive stories, remarks of a sexual nature about a person’s clothing or body, remarks about sexual activity or experiences, sexual innuendo or other suggestive comments, offensive notes, sexual propositions, or insults and threats that an individual communicates are unwanted and unwelcome.
   • Displaying or circulating written materials or pictures degrading to an individual(s) or gender group.
   • Engaging in inappropriate or unwelcome physical contact or suggestive body language, such as touching, patting, pinching, hugging, kissing or brushing against an individual’s body.
   • Giving undue and unwelcome attention, such as repeated inappropriate flirting, compliments about clothing or physical attributes, staring or making sexually oriented gestures.
   • Making a student’s work or an employee’s job more difficult because of that person’s sex, or gender identity.
   • Using a position of power and authority to: 1) threaten or punish, either directly or by implication, for refusing to tolerate harassment; refusing to submit to sexual activity, or for reporting harassment; 2) promise rewards in return for sexual favors.
   • Engaging in demeaning verbal and other expressive behavior of a sexual or gendered nature in instructional settings.

2. Sexual Assault: Sexual assault is a type of discrimination. It is having or attempting to have sexual intercourse or sexual contact with another individual without consent. This includes sexual intercourse or sexual contact achieved by the use or threat of force or coercion, where an individual does not consent to the sexual act, or where an individual is incapacitated. Sexual assault may involve individuals who are known to one another or have an intimate and/or sexual relationship, or may involve individuals not known to one another. Sexual assault can include sexual misconduct involving minors. Sexual assault includes the following acts:
   • Related to Non-consensual Sexual Intercourse: Having or attempting to have sexual intercourse with another individual without consent. Sexual intercourse includes vaginal or anal penetration, however slight, with a body part or object, or oral copulation by mouth-to-genital contact.
   • Related to Non-consensual Sexual Contact: Having or attempting to have sexual contact with another individual without consent. Sexual contact includes kissing, touching the intimate parts of another, causing the other to touch one’s intimate parts, or disrobing of another without permission. Intimate parts may include the breasts, genitals, buttocks, mouth or any other part of the body that is touched in a sexual manner.

3. Sexual Exploitation: When an individual takes non-consensual or abusive sexual advantage of another for his/her own benefit, or to benefit anyone other than the one being exploited, and that behavior does not otherwise constitute one of the other sexual misconduct offenses. Examples of sexual exploitation include, but are not limited to:
   • Prostituting another person (i.e., personally gaining money, privilege, or power from the sexual activities of another person);
   • Non-consensual video, photography, audiotaping, or any other form of recording, sexual activity;
   • Allowing others to observe a personal act of consensual sex without knowledge or consent of the partner;
   • Engaging in voyeurism (being a “peeping Tom”);
   • Knowingly or recklessly transmitting an STD or HIV to another person.

4. Stalking: A course of conduct involving more than one instance of unwanted attention, harassment, physical or verbal remant, or any other course of conduct directed at an individual that could be reasonably regarded as likely to alarm or place that individual in fear of physical, emotional or psychological harm or injury. This includes cyber-stalking, a particular form of stalking in which electronic media such as the internet, social networks, blogs,

5. Domestic Violence: Any assault, aggravated assault, battery, aggravated battery, sexual assault, sexual battery, stalking, aggravated stalking, kidnapping, false imprisonment, or any criminal offense resulting in physical injury or death of one family or household member by another family or household member. Domestic violence is also a pattern of controlling behaviors that may include physical, sexual or emotional abuse. It is a choice made by the batterer. Domestic violence is a crime committed by:

2. Coercion: Consent cannot be given if it results from the use or threat of physical force, intimidation, or any other factor that would eliminate an individual's ability to exercise his/her own free will to choose whether or not to have sexual contact. Coercion includes the use of pressure and/or oppressive behavior, including express or implied threats of harm, severe and/or pervasive emotional intimidation, which places an individual in fear of immediate or future harm or physical injury or causes a person to engage in unwelcome sexual activity. A person's words or conduct amount to coercion if they wrongfully impair the other's freedom of will and ability to choose whether or not to engage in sexual activity. Coercion also includes administering a drug, intoxicant or similar substance that impairs the person's ability to give consent.

4. Incapacitation: An individual who is incapacitated is not able to make rational, reasonable judgments and therefore is incapable of giving consent. Incapacitation is the inability, temporarily or permanently, to give consent, because the individual is mentally and/or physically helpless due to drug or alcohol consumption, either voluntarily or involuntarily, or the individual is unconscious, asleep or otherwise unaware that the sexual activity is occurring. In addition, an individual is incapacitated if he/she demonstrates that they are unaware of where they are, how they got there, or why or how they became engaged in a sexual interaction. Where alcohol is involved, incapacitation is a state beyond drunkenness or intoxication. Some indicators of incapacitation may include, but are not limited to, lack of control over physical movements, being unaware of circumstances or surroundings, or being unable to communicate for any reason.

An individual in a blackout state may or may not meet the definition of incapacitation. Such an individual may appear to act normally but may not later recall the events in question. The extent to which a person in this state affirmatively gives words or actions
indicating a willingness to engage in sexual activity, and the other person is unaware or reasonably could not have known of the alcohol consumption or blackout, must be evaluated in determining whether consent could be considered as having been given.

**Title IX Coordinator’s Role**

The College has a designated Title IX Coordinator to oversee its response to all reports of sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking, to conduct training, and to coordinate compliance with the mandates of Title IX. The Title IX Coordinator is knowledgeable and trained in the College’s policies and procedures, state and federal laws that apply to sexual misconduct and harassment, and the dynamics of sexual misconduct and harassment. The Title IX Coordinator is available to meet with any individual to discuss the options for resolving a report under this policy.

The name and contact information for the SJR State Title IX Coordinator can be found on the College website (SJRstate.edu) and on the Sexual Misconduct Policy Resources pages (see page 46) maintained pursuant to this policy.

**Reporting**

The College encourages the college community, including but not limited to, faculty, staff, all students, and volunteers to report information about any type of sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking involving a student, staff or faculty member. Faculty and staff, other than those outlined in this policy as confidential resources, are required to report information about any type of sexual misconduct or harassment of which they become aware. An incident does not have to occur on campus to be reported to the College. Off-campus conduct that adversely affects or has the potential to adversely affect the SJR State community also falls under this policy. The College will promptly respond to all reports of sexual misconduct and harassment.

The College provides resources to both the reporting party and responding party in making decisions, obtaining information about options under this policy, and assists both parties in the event that a report of sexual misconduct, sexual assault, and/or harassment is made.

**Ways to File a Report:**

- **Title IX Coordinator:** The Title IX Coordinator is available to receive a report of sexual misconduct, sexual assault, or harassment, (386) 312-4074.
- **Campus Safety and Security:** The opportunity to file a report with the College is available 24 hours a day, seven days a week by calling Campus Safety and Security:
  - Orange Park Campus: (904) 626-5885
  - Palatka Campus: (386) 937-2052
  - St. Augustine Campus: (904) 626-5956

A report can also be made to a Campus Security Authority (Campus Security Authorities include Campus Safety and Security Officers, Counselors, Student Activity Coordinators, Athletic Coaches, College club advisors and certain College Administrators).

A reporting party or third party can request a Campus Safety and Security officer to respond and take a report.

- **Community Standards and Responsibility:** An individual can file a report with the College by utilizing the Silent Witness Report on the Campus Safety and Security’s website - web.SJRstate.edu/apex/prod/fp=SILENWTITNESS or SJRstate.edu/silentwitness.
- **Local Law Enforcement:** A reporting party may file a report with the local law enforcement agency (depending on location of incident).

**Coordination with Law Enforcement**

Because the goals and objectives of the College’s sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking policy differ from those of the civil and criminal justice systems, proceedings under the College’s sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking policy are independent of civil and criminal processes and may be carried out prior to, simultaneously, or following civil or criminal proceedings off-campus. On-campus investigation and response does not preclude, limit or require a student’s or employee’s access to the state and federal justice system.

Notifying the local law enforcement will generally result in the reporting party and, in some cases, the responding party being contacted by a police officer. Law enforcement determines if a criminal investigation will occur and if the case will be referred for prosecution. A case not referred for criminal prosecution will still receive a College response.

Under Florida state law, sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking (as described in the definitions above) may constitute a criminal act. However, the College conducts investigations and renders resolutions in an educational, non-criminal context. An act not criminally prosecuted may still violate College policy. To the extent permitted or required by law, the College will cooperate with outside investigators. However, outside law enforcement agencies do not respond to Title IX violations and respond only to allegations of criminal behavior. As a result, the College encourages reporting to both the College and to local law enforcement if the alleged sexual misconduct may also be a crime.

The College process and the criminal justice process are two separate and independent courses of action. If a reporting party wishes to file a report with local law enforcement, an SJR State staff member is available to assist. The College will not file a police report about the incident on the reporting party’s behalf unless compelling circumstances, as outlined in the statement of privacy and confidentiality section, exist. The College’s response to a report is not impacted by the reporting party’s decision to file a criminal complaint or the outcome of the criminal investigation.

In all cases of a report of sexual misconduct, sexual assault, and/or harassment involving a minor, the College will also notify local law enforcement, the College Title IX Coordinator, General Counsel, Campus Security and the College’s Liability Insurance Carrier.

**Amnesty**

Our goal is that all individuals report all incidents of sexual misconduct/harassment, domestic/dating/physical violence, and/or stalking so that those affected can receive the support and resources needed. Therefore, violations of the College’s alcohol and illegal substances policies by a reporting party may be exempt from disciplinary action in situations where sexual misconduct or harassment also occurs. However, the College may initiate an educational discussion about the use of alcohol or drugs and their impact.

**Statement Against Retaliation**

Although SJR State acknowledges that extreme emotions and stress often accompany incidents of sexual misconduct and harassment, the College does not condone any person engaging in any type of retaliation. The College views retaliation complaints with great seriousness. All individuals are strongly encouraged to report any concerns about retaliation to the Title IX Coordinator, Vice President for Academic and Student Affairs or designee, Director of Campus Safety and Security, and the Vice President for Legal Affairs/General Counsel. The College will respond to reports of retaliation. Retaliation is a distinct category of prohibited conduct under this policy. College policy prohibits any form of retaliation against anyone making a good faith report.

**False Reports**

Submitting of a good faith complaint, concern or report of harassment will not affect the reporting party’s employment, grades, academic standing, or work assignments. However, an individual
found to have made a false complaint or to have knowingly and willingly given false information during an investigation will be subject to disciplinary action.

Interim Measures to Protect Safety and Well-Being

After a report is made or the College is placed on notice, the College will provide interim support and reasonable protection against further acts of misconduct, harassment or retaliation as well as provide services and resources to provide a safe educational and employment environment. For a listing of services and resources that may be offered, see the “Campus and Community Resources” section on page 47. The College will determine the necessity and scope of any interim measures.

The range of interim measures includes:

- No contact order: The reporting party or responding party may request, or the College may impose, communication and contact restrictions to prevent further potentially harmful interaction.
- Academic, Employment, or Living Arrangements: The reporting party or responding party may request a change in academic, employment or, if relevant, living arrangements. Upon request, the College will inform the reporting party or responding party of the options and will accommodate the request if those changes are reasonably available. In some cases the College may initiate these changes without a request. These may include, but are not limited to:
  o Changing class or work schedule, including the ability to withdraw from a course without penalty;
  o Limiting access to certain College facilities or activities pending resolution of the matter;
  o Granting a voluntary leave of absence;
  o Providing an escort to ensure safe movement between classes and activities; and/or
  o Providing academic support services.

Emotional Support: The College will provide counseling services through student and employee assistance programs. For further information, see the Resources pages maintained on page 47 pursuant to this policy.

Procedures for Resolving Sexual Misconduct/Harassment, Domestic/Dating/Physical Violence or Stalking Reports:

The College will respond promptly and equitably when any incident of sexual misconduct/ harassment, domestic/dating/physical violence, and/or stalking is alleged against a faculty, staff, or student. This includes a direct complaint, or if the College becomes aware of the situation, by other reliable means. The College’s response may take a number of forms within its discretion. This includes offering reasonable protection and services to the complainant or others, conducting a Title IX inquiry or review, investigating, and imposing corrective action. The roles involved in an investigation are:

- Title IX Coordinator
- Title IX Advisor
- Title IX Investigator
- Title IX Hearing Officer
- Title IX Appeal Officer

The Title IX Investigator will conduct the investigation. Prior to the investigation, both parties will have the opportunity to meet individually with the Title IX Coordinator to review the investigation process. During the investigation, both the reporting party and the responding party will have the opportunity to be heard and to respond, the opportunity to have an advisor present during investigation meetings, and the opportunity to provide names of relevant witnesses. The reporting party and the responding party will not be in the same room at the same time during the investigation process.

During the investigation process, the Title IX Investigator will determine whether information concerning the prior sexual history of either party is relevant. In general, in a case where the responding party raises consent as a defense, any prior consensual relationship between the parties may be relevant. Any other prior sexual history of the reporting party is typically not relevant and may not be permitted. Prior sexual history of the responding party may be relevant where there is evidence of a pattern of misconduct that may be relevant in the determination of responsibility assigning of corrective action.

At the conclusion of the investigation, the investigator will determine responsibility based on the relevant information presented during the investigation and the unique facts of the case. The level of proof necessary to support a finding of responsibility is “more likely than not”.

If the responding party is found responsible, the College will determine corrective action. If the responding party is a student or student organization, the Vice President for Academic and Student Affairs or designee will determine the corrective action (also referred to as sanctions). A student found responsible for a violation of the Sexual Misconduct and Harassment Policy could receive any of the following sanctions: Warning, Probation, Loss of Privileges, Fines, Restitution, Discretionary Sanctions, or College Suspension. In some cases, a student found responsible may be expelled from the College. If the responding party is an employee, the Employee’s Supervisor in conjunction with the Title IX Coordinator will determine the corrective action, which could result in termination of employment.

Specific to this policy, both the reporting party and the responding party are given the opportunity to appeal the outcome of the investigation. The appeal will be reviewed by the Title IX Appeal Officer. Prior to an appeal, if either party believes that there is new evidence or relevant facts that were not brought out in the investigation, which may be sufficient to alter the finding, they may make a request that this information be considered. Appeals may be based on the following grounds:

- Procedural misconduct during the investigation.
- The sanction(s) imposed is/are inappropriate for the violation of College policy.
- The preponderance of evidence standard was or was not met.

Reporting of Findings

If you are a victim or accused (suspect) of a crime of violence, a forcible or non-forcible sex offense, a hate crime, domestic violence or dating violence, both the accuser and the accused students shall be simultaneously informed, in writing, of the outcome of the institutional disciplinary proceeding, the institution's procedures for the accused and the victim to appeal the results, any change in the results which occur prior to the time the results become final, or when the results become final.

If the report includes multiple alleged policy violations, multiple processes may be used (i.e., Title IX investigation process and the College grievance procedure). The College will determine which process(es) will be used. If multiple processes are used, the College will also determine the order of the processes.

If the responding party serves in multiple capacities at the College (i.e., student and employee), the College will determine which office will determine corrective action. In some cases, both offices may issue corrective action.

DOMESTIC VIOLENCE

What is Domestic Violence?

Domestic violence is any assault, aggravated assault, battery, aggravated battery, sexual assault, sexual battery, stalking, aggravated stalking, kidnapping, false imprisonment, or any criminal offense resulting in physical injury or death of one family or household member by another family or household member. Domestic violence is also a pattern of controlling behaviors that may include physical, sexual or emotional abuse. It is a choice made by the batterer.

Domestic violence can happen to anyone, whether married, living together, or just dating. It can also happen in same-sex relationships. Domestic violence affects people of all economic, marital, sexual and educational backgrounds. It is about physical, psychological and financial control. It also affects family, friends, co-workers and the community. Domestic violence is against the law, and it is not the victim’s fault. Domestic violence means a felony or misdemeanor crime of violence committed by:

- Current or former spouse or intimate partner of the victim
- A person with whom the victim shares a child in common
- A person who is or was married to the victim as a spouse or intimate partner,
- A person with whom the victim has had a long-term emotional relationship,
- A parent, stepparent, or legal custodian of the victim’s child
- A person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction
- A person who is a member of the victim’s family or household

Coping with Domestic Violence

- Recognize that domestic violence is a serious problem.
- Talk to somebody you trust.
- If you are a victim of domestic violence, call your local law enforcement department for help.
- Seek help and guidance from organizations, such as shelters, mental health centers and churches.

The Reality

- Every 9 seconds in the U.S. a woman is assaulted or beaten.
- One in four women will experience domestic violence during her lifetime.
- 1 in 3 women who are victims of homicide are murdered by her current or former partner.
- Women experience more than 4 million physical assaults and rapes because of their partners, and men are the victims of nearly 3 million physical assaults.
- Domestic violence is the leading cause of injury requiring serious medical attention for women ages 18-49.
- 50% of husbands who frequently assault their wives also frequently abuse their children.
- Domestic violence victims lose nearly 8 million days of paid work each year as a result of the violence.

Warning Signs of Domestic Violence (Red Flags)

Have a Safety Plan
• If you are a victim of domestic violence, create a safety plan that includes routes of escape, phone numbers of trusted friends, shelters and domestic violence hotlines.
• Pack a survival kit with a change of clothes, keys, ID, cash, birth certificate (for you and your children), medicine and prescriptions, pictures of the family and the abuser, proof of income pay stubs, financial statements, the abuser’s personal information (date of birth, social security number, place of employment), health care information, money (if possible), address books and legal documents. Store it with someone you trust.
• Have a signal for help with trusted friends and neighbors.
• Teach your children how to escape and get help.
• Open a separate savings and credit card account.
• Review the plan every month.

Legal Protection
• Many states require that police officers arrest abusers if domestic violence has occurred
• Victims can request temporary restraining orders that can assist until a permanent one can be granted by the court.
• Victims may also be able to get additional financial support and temporary custody of children.

Prevention
• Learn how to become a better communicator with your spouse and family.
• Do not abuse alcohol or drugs, which could make domestic abuse worse.
• Look for positive solutions to your problems.
• Seek help at the earliest signs of domestic abuse.

POLICY STATEMENT ON EQUALITY OF OPPORTUNITY AND NONDISCRIMINATION

St. Johns River State College is committed to maintaining a fair and respectful environment for work and study. To that end, and in accordance with applicable federal, state, and local laws, regulations, ordinances, orders, rules, and College policies, St. Johns River State College does not discriminate against any person in its programs, activities, policies or procedures on the basis of race, ethnicity, color, national origin, marital status, religion, age, gender, sex, pregnancy, sexual orientation, gender identity, genetic information, disability, or veteran status. As a public educational institution, and as a corporate citizen, St. Johns River State College is dedicated to the philosophical foundations of democracy and equality of opportunity. This policy applies to administrators, faculty, staff, students, visitors, applicants, and contractors. The College community is expected to assist in making this assurance valid in fact.

In implementation of its commitment to equality, the President of St. Johns River State College shall designate an Equity/Title IX Coordinator. All hiring and procedures for hiring are based upon the needs of the College and the individual’s qualification for the specific position without regard to race, ethnicity, color, national origin, marital status, religion, age, gender, sex, pregnancy, sexual orientation, gender identity, genetic information, disability, or veteran status except where age or gender is a bona fide qualification.

In further implementation of its commitment and as a natural outgrowth of its open-door philosophy of education, the St. Johns River State College District Board of Trustees supports the policy of Equal Access/Equal Opportunity in recruitment, admission, and financial aid practices and will demonstrate a commitment to Equal Access/Equal Opportunity.

All questions or inquiries regarding compliance with laws relating to non-discrimination and all complaints regarding sexual misconduct or discrimination, may be directed to the Title IX Coordinator/Equity Officer, St. Johns River State College, 5001 St. Johns Avenue, Palatka, FL 32177; (386) 312-4070. POLICY STATEMENT ON DISCRIMINATORY HARASSMENT AND FREE EXPRESSION

St. Johns River State College is committed to the principles of free inquiry and free expression. Students have the right to hold and vigorously defend and promote their opinions, thus entering them into the life of the College. Respect for this right requires that students be tolerant of the thoughts and expressions of other students in their exercise of this right. As such, violence or the threat of violence toward students exercising the right of free expression and free inquiry will not be tolerated and is a violation of this rule.

St. Johns River State College is also committed to principles of equal opportunity and nondiscrimination. Each student has the right of equal access to a St. Johns River State College education without discrimination on the basis of race, ethnicity, color, national origin, marital status, religion, age, gender, sex, pregnancy, sexual orientation, gender identity, genetic information, disability, or veteran status. Harassment of students on the basis of any of these characteristics contributes to a hostile environment that makes, for those subjected to it, access that is less than equal. Such discriminatory harassment is therefore considered to be a violation of the principles of equal opportunity and nondiscrimination.

This interpretation of these principles is intended to clarify the point at which protected free expression ends and prohibited discriminatory harassment begins. Prohibited harassment includes discriminatory intimidation by threats of violence, and also includes personal vilification of students on the basis of their race, ethnicity, color, national origin, marital status, religion, age, gender, sex, pregnancy, sexual orientation, gender identity, genetic information, disability, or veteran status.

Speech or other expression constitutes harassment by personal vilification if it:

1. Is intended to insult or stigmatize an individual or small number of individuals on the basis of their race, ethnicity, color, national origin, marital status, religion, age, gender, sex, pregnancy, sexual orientation, gender identity, genetic information, disability, or veteran status.

2. Is addressed directly to the individual or individuals whom it insults or stigmatizes; and

3. Makes use of insulting or “fighting” words or non-verbal symbols.

In the context of discriminatory harassment by personal vilification, insulting or “fighting” words or non-verbal symbols are those “which by their very utterance inflict injury or tend to incite to an immediate breach of the peace, “which are commonly understood to convey direct and visceral hatred or contempt for human beings on the basis of their race, ethnicity, color, national origin, marital status, religion, age, gender, sex, pregnancy, sexual orientation, gender identity, genetic information, disability, or veteran status.”

POLICY STATEMENT ON HUMAN IMMUNODEFICIENCY VIRUS AND ACQUIRED IMMUNODEFICIENCY DISEASE

In accordance with the District Board of Trustees’ policy, SJR State 3.09 St. Johns River State College acknowledges the importance of, and will cooperate with, appropriate health agencies to make available educational information concerning HIV infection and AIDS to the College community. The information will emphasize the importance of prevention and precautions, that the virus is not casually transmitted, proven modes of transmission, the need for confidentiality for those infected and compassionate for those ill, and College and community resources for information, testing, and treatment. The educational programs and information will be designed to reach the broad spectrum of persons within the College community.

Consistent with its existent non-discrimination policies, St. Johns River State College will not discriminate on the basis of an individual’s HIV status.

Specifically, no person shall be subject to adverse employment actions solely because of non-job related disability, and reasonable efforts will be made to accommodate an employee with HIV disease consistent with the then-current state of scientific knowledge on transmission of the disease; nor shall any person be denied academic admission access to SJR State programs, facilities, events, services, or any benefits provided by the College, solely on the basis of HIV status. HIV status shall be deemed to include actual or perceived HIV positivity, or any condition related to Acquired Immune Deficiency Syndrome (AIDS), an individual’s being suspected of having such virus or conditions, or an individual’s association with any person having or believed to have had said virus or conditions.

Consistent with its existent non-discrimination policies, SJR State’s policy of non-discrimination shall be applied to all instances described above, except in those instances when it shall be determined that reasonable accommodations are not available to insure a person’s ability to participate fully in programs or positions,
or when a person, by reason of his or her HIV infection or AIDS related condition, poses, according to available medical information, a direct threat to the health or safety of themselves or others associated with the College.

SJR State will require no test for or verification of the HIV status of any person for employment, academic admissions, access to SJR State programs, facilities, events, services, or for any benefits provided to College employees or students.

SJR State shall, consistent with applicable law, maintain the confidentiality of all College records documenting and information concerning the HIV status or AIDS related conditions of SJR State students and employees to the same degree that confidentiality is afforded to other medical records of SJR State students and employees. SJR State recognizes that a person’s HIV status is a private matter. Therefore, any necessary internal and external communications regarding benefits, reasonable accommodations or other issues relating to an employee or student’s HIV status or AIDS related conditions, shall be made in a manner consistent with the confidentiality of such information.

PROCEDURE FOR HANDLING STUDENT COMPLAINTS CONCERNING INSTRUCTOR/INSTRUCTION (NOT INVOLVING ACADEMIC PETITIONS, DISCRIMINATORY BEHAVIOR, OR SEXUAL HARASSMENT)

1. This procedure deals with student complaints that do not involve academic petitions, discriminatory behavior, and sexual harassment.

2. A student should always be encouraged to resolve any conflict with or complaint about an instructor with the individual instructor. The following procedure should be used if the student’s complaint is not resolved with the instructor.

3. College personnel should direct the student to the office of the appropriate dean (who may assign the matter to an associate dean) or director. Complaints must be in writing, and the student should complete the appropriate form by filling in all necessary information.

4. If the student wishes anonymity with respect to the instructor, then the person taking the complaint should complete the appropriate form, omitting the student’s name, and attach the student’s typewritten account. However, the student should know that his or her name will be made known to the dean, associate dean, or director. Reasonable efforts will be taken to maintain confidentiality unless the nature of the complaint requires disclosure.

5. The dean, associate dean, or director will contact the student to discuss the problem. If necessary and appropriate, the dean, associate dean, or director will call together the student and the instructor to resolve the problem. If the student requests anonymity, then the dean, associate dean, or director will meet with the instructor, give the instructor a copy of the complaint, and request a written response. The dean or director will report to the appropriate vice president on the resolution of the matter.

6. If the matter was not satisfactorily resolved at the dean or director level, it may be appealed to the appropriate vice president. The vice president’s decision may be appealed to the President of the College.
The following crime statistics indicate collegewide criminal activity from 2020-2022. These statistics were compiled based on data received from local law enforcement and the SJR State Department of Public Safety and Security.
