This course prepares the SRO to respond immediately to a student in crisis. Officers will learn about common mental health and behavioral issues, de-escalation techniques, involuntary commitment and supporting students as they re-enter school after treatment. Crisis Intervention Training is required for all SROs under s.1006.12(1) c F.S. This course is intended to help fulfill that need. Students must pass a written exam with a score of 80% or better.
