Dear Applicant:
Thank you for your interest in the Criminal Justice Training Program offered by St. Johns River State College. We have enclosed for your review the following items:

- Qualifications for admission to the Law Enforcement and Corrections Basic Recruit Training Programs
- Schedule of upcoming classes
- Step by step application process guide
- Paperwork necessary to complete in order to be considered for acceptance into the program.

We are very proud of our graduates and the contributions they are making to the professions of Law Enforcement and Corrections. Further, we are excited that you have expressed an interest in applying for the academy program needed to enter these rewarding careers. Moreover, the admissions and screening process for applicants wanting to take one of our programs takes a considerable amount of time so I recommend that you facilitate the completion and submission of all required documentation. We look forward to assisting you in any way possible.

Law Enforcement/Corrections Basic Recruit
Training Program Information

The Law Enforcement and Corrections Basic Recruit training programs are designed for individuals who are seeking careers in law enforcement or corrections. Certified by the Criminal Justice Standards & Training Commission, successful completion of this training will qualify students for entry-level employment as a Florida criminal justice officer. Program graduating students will be issued a vocational certificate that certifies they possess the basic vocational qualifications to enter the corrections or law enforcement professions. Further, they will be eligible to sit for the State of Florida Officer Certification Examination, necessary for criminal justice certified employment in the state. The Basic Recruit may be taken as a part of the Criminal Justice Associate in Science. Please contact the Criminal Justice Training Program at (904) 808-7490 for more information.

Qualifications for Admission

• Be at least 19 years of age by the end date of the program.
• Be a citizen of the United States of America.
• Possess a valid Florida driver’s license.
• Be a high school graduate or equivalent.
• Have Medical Insurance
• Pass a physical examination that was administered prior to program entry, but not more than a year from the program start date, by a licensed physician, physician’s assistant (PA), or advanced registered nurse practitioner (ARNP) using an SJR State approved form.
• Be of good moral character.
• Be fingerprinted by SJR State College*
• Have not been convicted of any felony, or of a misdemeanor involving perjury or false statement, nor have received a dishonorable discharge from any of the Armed Forces of the United States. Any person who, after July 1, 1981, pleads guilty or nolo contendere to, or is found guilty of a felony, or of a misdemeanor involving perjury or false statement is not eligible for employment or appointment as an officer, notwithstanding suspension of sentence or withholding of adjudication. Notwithstanding this subsection, any person who has pled nolo contendere to a misdemeanor involving false statement, prior to December 1, 1985, and has had such record sealed or expunged shall not be deemed ineligible for employment or appointment as an officer.
• Have not been convicted of any crime involving domestic violence nor is under the provisions of a domestic violence injunction.
• No use of any illegal substances, including use of prescribed medicine not prescribed to you within 12 months.
• Possess a valid Florida driver’s license.
• Take the Law Enforcement or Corrections (as applicable) Basic Abilities Test (BAT) and achieve at least the minimum passing score as established by the FDLE approved vendor whose test was taken. Test score is valid for four (4) years and must have been taken within four (4) years of the beginning date of the course. You must take and pass the BAT prior to turning in your application packet. Please note: Veterans and applicants with an associate degree or higher are exempt from taking the BAT. They must provide to the Criminal Justice administration office a copy of their DD214 showing honorable or an official transcript from their academic institution showing they graduated at the time they turn in their application packets.
• Take the Basic Motor Skills Test (BMST) and successfully complete it. (SEE ENCLOSED DESCRIPTION)

* Agency employed students who are employed as certified corrections or law enforcement officers, may have agency submit documentation attesting to date fingerprints were submitted and what the results were of the submittal to FDLE/FBI in lieu of being fingerprinted by SJR State College.
Application Process

Step 1: **Apply on-line to SJRStateCollege** ($30) at the following web address: [http://www.sjrstate.edu/admissions.html](http://www.sjrstate.edu/admissions.html).

Please select the "VOCATIONAL APPLICATION".

**NOTE:** Please read residency status information and provide proof of FL residency to admissions.

Step 2  

A. **Basic Abilities Test (BAT)**

**Basic Abilities** Individuals who desire to enter a basic recruit training program for law enforcement or corrections in Florida must first pass the FDLE (BAT). This test is based on a job task analysis of each subject areas adopted by the Criminal Justice Standards and Training Commission. The BAT score is valid for four years from the date of the test. There are two different tests, one for law enforcement and one for corrections. Candidates will make payment and scheduling arrangements completely through the Pearson VUE site. [https://pearsonvue.com/](https://pearsonvue.com/)

All future candidates must register through Pearson VUE, and should select either the SJR State PearsonVue test center in Orange Park or Palatka in order to test with us.

You can purchase a study guide at [www.publicsafetyrecruitment.com/studyguides](http://www.publicsafetyrecruitment.com/studyguides). Click on “Law Enforcement”. If test is not passed, candidates may retake a different form. Another test fee will be charged.

When ready to turn in Application:

Step 3: **Come to the Criminal Justice Training Center---Bldg J any week day between 8am---4pm** (Summer schedule is M---Th from May through mid Aug) to complete fingerprinting & Application. Bring with you the following to the fingerprint session:

A. Criminal Justice Training Program application
B. Copies of following documentation:
   - Birth certificate
   - Sealed, official copy of high school transcript OR Official GED test scores (sealed)
   - Social Security Card
   - Florida Driver’s License
   - DD 214 page 4 (if applicable)
   - Naturalization paper (if not born in the United States)
C. “Affidavit of Applicant” This form must have your signature notarized. We have Notary Public on campus.
D. Submit official score report of BAT if taken at a school other than SJR State College
E. Checklist--- (signed)
F. Medical exam (FDLE form 75) completed by any doctor of your choice

* If either of the following applies, please do not complete an original SJR State College Application; instead, complete the applicable form listed below:
  1. Currently enrolled SJR State College student, then complete a “Change of Program of Studies” form adding the appropriate academy program (i.e., 5005 for Law Enforcement Officer, 0540 for Corrections Officer, 0544 Crossover from corrections to law, or 0545 crossover from law to corrections). This form is not available on---line.
  2. Past SJR State College student (having taken at least one course) and two or more College terms have passed, then complete an “Update Application.” This form is available on---line.

* Step 4 : Fingerprint Complete “Fingerprint & Basic Motor Skills Test Authorization Form” and do the following:

  A. Submit Authorization Form to Administrative Office
  B. Pay the amounts listed.
  C. Obtain a receipt.

**ACCEPTANCE LETTER WILL BE MAILED BASED ON AVAILABILITY AND IF ALL REQUIREMENTS AND QUALIFICATIONS ARE MET IN THEIR ENTIRETY AFTER THE BASIC MOTOR SKILLS TEST. THE LETTER WILL HAVE INFORMATION REGARDING ORIENTATION DATE AND TIME.**

DO NOT BEGIN COMPLETING THE ATTACHED APPLICATION UNTIL YOU HAVE READ AND UNDERSTAND THIS HONESTY STATEMENT.

The integrity of a law enforcement or corrections officer **MUST** be above reproach. Any appearance of untruthfulness will cast doubt upon your integrity and reduce the likelihood that you will be hired by a criminal justice agency.

You **WILL NOT** be accepted into the criminal justice academy if any responses in this application are found to be untruthful. Untruthfulness means intentionally omitting, falsifying, misstating, or misrepresenting any information in this application. Furthermore, if your untruthfulness is discovered after you have been accepted into the academy, you will be immediately dismissed from the academy with no option to return.

All questions in this application must be answered completely and truthfully. Issues such as driving record, drug history, and criminal history may be obstacles to entering the academy; however, they are not always disqualifiers. Untruthfulness is **ALWAYS** a disqualifier. We are not looking for ways to keep you out of the academy; we are looking for ways to help you succeed. We can only assist if you are completely truthful.

Background investigators with potential employers will review the information in this application and compare it to the information you provide in employment applications and information discovered during extensive background investigations. If a background investigator finds that you were untruthful in this application, your employment processing will likely be terminated.

Please review your application to ensure you understood each question. Make sure each answer is complete and accurate. If you are unsure how any question should have been answered, please ask an academy staff member for clarification. If you believe you did not answer a question appropriately, correct it before submitting your application.

Please **DO NOT** submit your application until you are certain it is complete and accurate.

I, ________________________________, I hereby certify that I have read and understand the above honesty statement. I further certify that all information provided in the attached application is true and complete to the best of my knowledge and belief.

Your FBI Identification Record may not reflect all instances in which you were arrested and fingerprinted. The FBI maintains criminal history records voluntarily submitted by local, state, federal, and certain international agencies. You may need to contact the arresting agency or the repository of the state in which the arrest(s) occurred for criminal history record information. A state repository is responsible for maintaining and updating state criminal history records.

Frequently Asked Questions

What is the processing time?
The FBI processes requests as quickly as possible; however, please allow several weeks for processing. You can obtain an estimate of the current processing time by calling (304) 625-5590.

Can the FBI send the results to someone (or an agency) other than me?
Under the U.S. Department of Justice Order 556-73, the results must be returned to the requestor or his/her designated legal representative. A notarized authorization to release the results to the legal representative must accompany such a request.

Where can I get my fingerprints taken?
Local, county, or state law enforcement agencies may take your fingerprints for a fee. Also, some private companies offer this service — check the business listings in your telephone book.

Why was I told there was a problem with my criminal history but I received my fingerprint card stamped “No Arrest Record?”
There are several instances in which this might occur, such as:

1) Removal of arrest information may have been authorized since you were advised of the record problem.

2) A previous search was conducted with a name and physical description only, and the descriptive data you provided matched or was very similar to that contained in another individual’s record. Positive identifications are made by fingerprint comparisons.

3) The arresting agency may not have supplied the information to the FBI. You will need to contact the state repository in which the arrest occurred.

For additional information concerning your record request and the challenge process, please contact the Customer Service Group at (304) 625-5590 or refer to www.edo.cjis.gov

Additional Concerns

Firearm Background Checks
The Correspondence Group cannot access National Instant Criminal Background Check System (NICS) information or comment on firearm-related issues. The NICS Customer Service can be reached at (877) 444-6427 for firearm issues only or visit their Web site at www.fbi.gov/hq/cjisd/nics.htm.

Licensing and Employment Background Checks
Certain background checks for licensing and employment must be conducted through specific state and federal channeling agencies. Contact the requiring agency for correct procedures.
What is an FBI Identification Record?

An FBI Identification Record, often referred to as a “RAP Sheet,” is a listing of information taken from fingerprint submissions retained by the FBI in connection with arrests. In some instances, it also includes information taken from fingerprints submitted in connection with federal employment, naturalization, or military service. The identification record includes the name of the agency or institution that submitted the fingerprints to the FBI. For criminal offenses, the identification record includes the date of arrest or the date the individual was received by the agency submitting the fingerprints, the arrest charge(s), and the arrest disposition(s) if known. The FBI’s Criminal Justice Information Services (CJIS) Division is not the source of the arrest data reflected on an identification record. All arrest information included in an identification record is obtained from fingerprint submissions, disposition reports, and other reports submitted voluntarily by agencies having criminal justice responsibilities.

Due to provisions within the Privacy Act of 1974, the FBI cannot provide criminal history information via the telephone or facsimile.

How do I obtain a copy of my FBI Identification Record for personal review?

You may obtain a copy of your FBI Identification Record by sending a request to:
Federal Bureau of Investigation
CJIS Division
Attention: Record Request
1000 Custer Hollow Road
Clarksburg, WV 26306

You are required to provide the following:
1) Your written request.
2) Payment for the $18 processing fee, either by certified check or money order made payable to the U.S. Treasury, or a credit card. For credit card payment information, refer to www.edo.cjis.gov.
3) A current, original tenprint fingerprint submission (not previously processed) taken by a local law enforcement agency and bearing your name, date of birth, and place of birth. Key information needed is magnified below.

What will I receive?

In accordance with regulations established by the U.S. Department of Justice, the FBI’s CJIS Division is empowered to furnish an individual with a copy of any record in our Criminal File pertaining to him/her or to advise the individual that no such record exists. In instances where a criminal history record exists in our Criminal File, the FBI Identification Record itself serves as our official reply. When no record is found, a dated “No Arrest Record” stamp, placed on the back of the fingerprint card the individual submitted for the Criminal File search, serves as our official reply.

How do I challenge my record?

If, after reviewing your record, you believe it is inaccurate or incomplete, you may challenge the record by contacting the agency (or agencies) that originally submitted the information or by sending your challenge to the FBI’s CJIS Division, Attention: Correspondence Group, 1000 Custer Hollow Road, Clarksburg, WV 26306. The Correspondence Group will contact the appropriate agencies in an attempt to verify or correct the challenged entry for you. Upon receipt of official communication from the agency with jurisdiction over the data, the FBI will make appropriate changes, if necessary, and notify you of the outcome. Updating your FBI criminal history record can include having final disposition data entered, cases expunged, pardons entered, a conviction level changed, or rights restored. When challenging, you should submit any supporting documentation you have in your possession that indicates the final outcome of the arrest(s).
Basic Motor Skills Test

The Basic Motor Skills Test consists of two parts, which include the Strength and Endurance Test (Part 1) and the Job Task Course (Part 2). Part One includes three activities while Part Two includes 15 activities. Each applicant must successfully complete the first activity (Trigger Pull) to be permitted to continue with the test. Each activity must be completed within the allotted time to pass the course. If any station in part two is not completed, 10 seconds will be added to your ending time.

NOTICE

Every person who uses the facilities of the Criminal Justice Training Center does so at his or her own risk. St. Johns River State College assumes no responsibility for any injury or loss of any kind whatsoever sustained by any person while participating in the Physical Ability Test or any related activity.

No person may enter the test course or field unless under the immediate supervision of a Criminal Justice Training Center faculty or staff member.

Testing will not be conducted during inclement weather, or at any time at which the Training Center staff determines that conditions or circumstances would make testing unsafe.

PART ONE

In order to complete an activity, the applicant must meet all requirements listed for time, distance, and number of repetitions.

The applicant must successfully complete the first activity (Trigger Pull) in order to be permitted to continue.

The Part One activities are listed below:

1. Trigger Pull – 6 times with strong hand, 6 times with weak hand.

3. Half-Mile Run – in six minutes or less. An applicant who fails the half mile run is not eligible to continue.

PART TWO

The Job Task Course consists of 15 activity stations, which replicates barriers and obstacles commonly encountered in law enforcement and tests skill, strength, stamina, and speed needed in basic law enforcement operations. The course must be completed within three minutes from the time the applicant initially touches the first station.

Each station must be completed as set forth in the descriptions provided below.
PART TWO

Station 1

HIGH WALL:
This station consists of a vertical masonry wall, rising to a height of 5 feet above the running surface. It simulates walls of similar height and construction frequently encountered in business and commercial districts, and enclosing residential developments. Object is to climb over the wall, may use both hands and both feet. Be sure to land on flexed knee to avoid injury. If unable to execute this station in three attempts, discontinue course or go around the wall.

Station 2

LADDER/PLATFORM/RAMP:
This station consists of a stationary vertical ladder with six rungs and a top crossbar rising 7 1/2 feet above the running surface, a horizontal platform, and a downward slanting ramp. It simulates a variety of obstacles that may be encountered in a foot pursuit, including ladders, building parapets, rooftops and loading ramps. Ascend ladder using both hands and feet; climb over top crossbar of ladder, proceed across platform and down ramp.

Station 3

FIXED RAILING:
This station consists of a metal railing approximately three feet tall, at a right angle to the direction of the course. It simulates fixed railings of similar height encountered in many locations. Grasp top rail with both hands and force body weight over rail, landing on both feet on opposite side. DO NOT ATTEMPT TO JUMP OVER RAIL WITHOUT USING HANDS.

Station 4

CHAIN LINK FENCE:
This station consists of a panel of woven fence in a tubular steel frame, rising approximately five feet above the running surface. It simulates chain link fences and gates frequently encountered in foot pursuit. Grasp top of fence while placing foot high in the fence panel. Force body weight over obstacle, landing on both feet on opposite side.

Station 5

WINDOW:
This station consists of a concrete wall, with a window opening approximately three feet, eight inches above the running surface. It simulates window openings in buildings and other structures which may be encountered during a foot pursuit. Enter window by placing hands on sill and climbing through, landing on feet on opposite side. DO NOT DIVE THROUGH WINDOW.

Station 6

DOOR
This station consists of a masonry wall with a standard width door which is hinged on the left and opens toward the previous station. It simulates doors and/or gates which might be encountered during foot pursuit, both which must be returned to the closed position after passage for security, safety, or other reasons. Grasp knob and pull door open; release knob and pass through opening; grasp knob on opposite side with same hand, pull door closed engaging latch mechanism before continuing on course. KEEP HANDS CLEAR OF DOOR EDGE AND DOOR JAM AT ALL TIMES.
ST. JOHNS RIVER STATE COLLEGE
CRIMINAL JUSTICE TRAINING PROGRAM
Higgins-Soloman Criminal Justice Center

Station 7

FIXED RAILING:
This station consists of a metal railing approximately three feet tall, at a right angle to the direction of the course. It simulates fixed railings of similar height encountered in many locations.

Station 8

MAZE:
This station consists of sets of parallel rails controlling direction of travel, and requiring two 180 degree changes in direction of travel. It simulates pursuit situations which require quick changes of direction in confined spaces. Enter station and follow course as restricted by rails, turning 180-degrees twice before exiting. **DO NOT TOUCH RAILS WHILE EXECUTING THIS STATION.**

Station 9

TUNNEL:
This station consists of a concrete pipe, 8 1/2 feet long, with an inside diameter of three feet. It simulates narrow crawl spaces into which officers might have to enter in pursuits, rescue efforts and evidence searches. Enter station, crawl through and exit opposite end. **EXERCISE CAUTION TO AVOID STRIKING HEAD ON UPPER RIM OF PIPE.**

Station 10

OVERHEAD LADDER:
This station consists of a horizontal overhead ladder, 18 1/2 feet long, with 12 rungs, approximately 7 1/2 feet high. It serves as a test of arm and hand strength, coordination, and stamina. Step carefully onto crossbar and grasp first rung. Step off crossbar and move toward opposite end of station without coming into contact with the running surface by either grasping each successive rung or swinging and grasping every other rung. Exit by dropping to the ground with knees flexed so as to avoid injury. Upon exiting Station 10, turn left and follow running surface to the 180-degree turn and begin Station 11. **Should you drop from the ladder at any point prior to the end of the exercise you are done and must move on.**

Station 11

ROPE GRID:
This station consists of an area 30 feet long, divided by nylon rope to create 12 individual compartments on each side of a center dividing line. It serves as a test of agility, coordination and stamina. Enter from the left turn by placing left or right foot in the corresponding space of the first pair of compartments. Continue through grid, stepping alternately into each compartment. **EXERCISE CAUTION TO AVOID TRIPPING**

Station 12

LOG:
This station consists of a log, 40 feet in length, in the center of the running surface, lying parallel to the direction of travel. It serves as a test of balance and coordination. Step onto log and walk along the top of the log to the opposite end. **DO NOT RUN ALONG THE TOP OF THE LOG.**

Station 13

PARALLEL BARS:
This station consists of two parallel steel bars, seven feet long and two feet apart, mounted approximately 4 1/2 feet above the running surface. It serves as a test of hand, arm, and upper body strength. Grasp the bars
at the center of the gray portion and thrust body upward. Extend both arms, locking the elbows, and proceed without touching the running surface by moving each hand forward at least three times combined. Drop to the ground carefully, landing on both feet, with knees flexed so as to avoid injury.

Station 14

LOW ALL:
This station consists of a vertical masonry wall, rising to a height of approximately four feet above the running surface. It simulates walls of similar height and construction frequently encountered in business and residential areas. Place both hands on the wall, force body weight upward and drop to opposite side, landing on both feet with knees flexed so as to avoid injury. Bear to right and continue on course.

Station 15

POLE RUN:
This station consists of an elongated loop in the running surface, with a narrow turf in infield. At the ends of the infield are two vertical poles approximately 36 feet apart. The station serves as a test of speed, agility and balance. Proceed around loop two complete laps, making four complete 180-degree turns.

Time measurement stops when runner has completed second full turn around vertical pole and passed the low wall in station 14
STATION 1
High Wall

This station consists of a vertical masonry wall rising to a height of five feet above the running surface. It simulates walls of similar height and construction frequently encountered in business and commercial districts and enclosed residential developments.

Execution
Approach from the starting point, grasp top of the wall with both hands and scale wall, drop to ground on the opposite side of the wall landing on feet with knees flexed so as to avoid injury.
Both hands and both feet may be used in scaling the wall. If unable to execute this station in three attempts, discontinue course or go around the wall.
STATION 2
Ladder-Platform-Ramp

This station consists of a stationary vertical ladder with six rungs and a top crossbar rising 7-feet above the running surface, a horizontal platform, and a downward slanting ramp. It simulates a variety of obstacles which may be encountered in foot pursuit, including ladders, building parapets, rooftops, and loading ramps.

Execution
Ascend ladder using both hands and feet; climb over top crossbar of ladder, proceed across platform and down ramp on foot.
STATION 3
Fixed Railing

This station consists of a metal railing approximately three feet tall, at a right angle to the direction of the course. It simulates fixed railings of similar height encountered in many locations.

Execution
Approach and grasp top rail with both hands and force body weight over rail, landing on both feet on opposite side.
DO NOT ATTEMPT TO JUMP OVER RAIL WITHOUT USING HANDS.
STATION 4
Chain Link Fence

This station consists of a tubular steel frame rising approximately five feet above the running surface. It simulates chain link fences and gates frequently encountered in foot pursuit.

Execution
Approach and grasp top rail of tubular frame while placing foot high in the fence panel. Force body weight over obstacle, landing on both feet on opposite side.
STATION 5

Window

This station consists of a concrete wall with a window opening approximately three feet eight inches above the running surface. It simulates window openings in buildings and other structures which may be encountered during foot pursuit.

Execution
Approach wall, enter window by placing hands on sill and climbing through, landing on feet on opposite side.
DO NOT DIVE THROUGH WINDOW.
STATION 6
Door

This station consists of a masonry wall with a standard width door which is hinged on the left and opens toward the previous station. It simulates doors and/or gates which might be encountered during foot pursuit, both of which must be returned to the closed position after passage, for security, safety, or other reasons.

**Execution**
Approach closed door, grasp knob and pull door open; release knob and pass through opening; grasp knob on opposite side with same hand, pull door closed engaging latch mechanism before continuing on course.

**KEEP HANDS CLEAR OF DOOR EDGE AND DOOR JAM AT ALL TIMES.**
STATION 7
Fixed Railing

This station consists of a metal railing approximately three feet tall, at a right angle to the direction of the course. It simulates fixed railings of similar height encountered in many locations.

Execution
Approach and grasp top rail, landing on both feet on opposite side.
DO NOT ATTEMPT TO JUMP OVER RAIL WITHOUT USING HANDS.
STATION 8
Maze

This station consists of sets of parallel metal rails controlling direction of travel and requiring two 180-degree changes in the degree of travel.

Execution
Turn left to enter station, follow course as restricted by rails, turning right 180-degrees, and then turning left 180-degrees. Exit bearing left toward next station.
DO NOT TOUCH RAILS WHILE EXECUTING THIS STATION.
STATION 9
Tunnel

This station consists of a concrete pipe, 8-feet long, with an inside diameter of three feet.

Execution
Enter and crawl through, exiting opposite end.
EXERCISE CAUTION TO AVOID STRIKING HEAD ON UPPER RIM OF PIPE.
STATION 10
Overhead Ladder

This station consists of a horizontal, overhead ladder 18-feet long with 12 rungs, approximately 7-feet high.

**Execution**

Approach and step carefully onto crossbar and grasp first rung. Step off crossbar and move toward opposite end of station without coming into contact with the running surface by either grasping each successive rung or swinging and grasping every other rung. Exit by dropping to the ground with knees flexed as to avoid injury. Upon exiting, turn left and follow running surface to the 180-degree turn, turn right 180-degrees, proceed to next turn, turn left, STOP, and begin Station 11.

**NOTE** – if you drop to the ground before reaching the end, you have not completed the exercise nor will you be allowed to continue that exercise from that point. Once you have hit the running surface, that exercise is done and you must continue with the rest of the course. If an exercise is not completed, you will have 10 seconds added to your time.
STATION 11
Rope Grid

This station consists of an area 30 feet long, divided by nylon rope to create 12 individual compartments on each side of a center dividing line.

**Execution**
Enter from the left turn by placing left or right foot in the corresponding space of the first pair of compartments. Continue through grid, stepping alternately into each compartment.

**EXERCISE CAUTION WHILE COMPLETING EXERCISE TO AVOID TRIPPING.**
STATION 12
Log

This station consists of a log, 40 feet in length, in the center of the running surface, lying parallel to the direction of travel.

Execution
Approach and step onto log and walk along the top of the log to the opposite end.
DO NOT RUN ACROSS THE TOP OF THE LOG.
STATION 13
Parallel Bars

This station consists of two parallel steel bars seven feet long and two feet apart, mounted approximately 4 - feet above the running surface.

Execution
Enter and with both hands grasp the bars at the center and thrust body upward. Extend both arms, locking the elbows, and proceed forward without touching the running surface by moving each hand alternately at least three times forward. Drop to the ground carefully, landing on both feet, with knees flexed so as to avoid injury. Turn right, move forward to next turn, turn right again, and advance to Station 14.
STATION 14
Low Wall

This station consists of a vertical masonry wall rising to a height of approximately four feet above the running service. It simulates walls of similar height and construction frequently encountered in business and residential areas.

Execution
Approach on running surface, as previously indicated, place both hands on the wall, force body weight upward and drop to opposite side, landing on both feet with knees flexed so as to avoid injury. Bear to right and continue on course.
STATION 15
Pole Run

This station consists of a running surface with two vertical poles at each end that are approximately 36 feet apart.

Execution
Enter from Station 14, passing to the right of the first pole; proceed down and around pole two. Make two complete laps, three complete 180-degree turns and run back past station 14.

Time measurement stops when runner has completed second full turn around vertical pole and passes the low wall in station 14.
