

SJR State Program List

St. Johns River State College offers programs at the certificate, associate and baccalaureate level. Each program is identified in the *College Catalog* with a four-digit program number. Programs are also assigned a six digit CIP (Classification of Instructional Programs) code for reporting program completions to IPEDS (Integrated Postsecondary Education Data System).

Table 1 lists programs in the most recent college catalog. Table 2 lists programs that are in teach out mode (if applicable). In all cases the Federal six-digit CIP is included. Table 2 does not include current programs that were listed in prior catalogs with different program numbers. An example would be the AS degree in Accounting Technology which currently has a program number of 0093 but formerly had a program number of 0092. Both 0092 and 0093 have the same Federal six-digit CIP and identical program learning outcomes.

Key: AA = Associate in Arts; AS = Associate in Science; BAS = Bachelor of Applied Science; BS = Bachelor of Science; CCC = College Credit Certificate; CC = Career Certificate

Table 1: Listing of SJR State Programs in the Current Catalog

Program Name	Program Number	Program Length	Degree/ Certificate	2020 CIP Code
Accounting Technology	0093	60 credit hours	AS	52.0302
Accounting Technology Management	0401	27 credit hours	CCC	52.0302
Accounting Technology Operations	0402	18 credit hours	CCC	52.0302
Accounting Technology Specialist	0403	12 credit hours	CCC	52.0302
Acting	0155	60 credit hours	AS	50.0502
Associate in Arts	0001	60 credit hours	AA	24.0101
Business Administration	0202	60 credit hours	AS	52.0201
