----------	-----------------------	-------------	-----------

*OR MGF 1107 (Math for Liberal Arts II) for students who do not place directly into college level math*

XXX	Online elective	AA Elective	3 credits
-----	-----------------	-------------	-----------

#### Summer:

Students may take up to an additional 6 credits on SJR State Campus to either get caught up if they hadn't been ready for math/communications courses or to get ahead on their senior year coursework or to work on baccalaureate transfer prerequisite courses. This summer term would not be required, however, if they have otherwise stayed on track. These six summer extra credits would enable students to earn up to 66 credits at no cost while still in high school.

### 12<sup>th</sup> Grade FULL TIME ON SJR STATE CAMPUS

#### Fall:
