

Vikings Fall into Service 2024

Service Project Proposal

SJR State will Fall into Service on Friday, September 13, 2024, and is seeking applications for service projects from organizations and agencies in the community. If accepted, SJR State will solicit volunteers to provide service hours for your project. Multiple projects will be selected for inclusion.

SJR State will consider service projects proposed by organizations and agencies operating within the College's service district of Clay, Putnam, and St. Johns Counties. Such entities may include: chambers of commerce; charitable organizations; civic organizations; cultural centers (libraries, museums, parks); educational organizations; faith-based organizations; healthcare organizations (hospitals, hospices, community health centers); and other service organizations.

Please note: Volunteers can only provide their time, skills, and effort. Proposals seeking volunteers to provide the tools, materials, or funds required to complete a project will not be accepted as a Vikings Days of Service project.

Service project proposals are being accepted through August 1, 2024 at 11:59pm.

* Required

1. Name of organization seeking volunteers *

2. Your name and email address *
