The De-Escalation Techniques course is designed to obtain compliance without using force, or by using the minimal amount or force necessary. Whether trying to get a person in crisis the help they need or taking someone into custody due to a criminal offense, this goal remains the same. The course focuses on de-escalation and how it relates to use of force and crisis intervention.
Students must pass a written end of course exam with a score of 80% or better.
Class size is limited so sign up early
